**FIRST AMENDMENT
TO
DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
PALENCIA**

THIS FIRST AMENDMENT TO DECLARATION OF COVENANTS AND RESTRICTIONS FOR PALENCIA is made this 7th day of NOVEMBER, 2002 by **MARSHALL CREEK, LTD.**, a Florida limited liability company, (the "Developer").

RECITALS:

A. The Developer has previously executed and recorded the Declaration of Covenants and Restrictions for Palencia recorded in Official Records Book 1666 at Page 803 of the public records of St. Johns County, Florida (the "Declaration").

B. The Developer desires to amend the Declaration as more particularly described below and this First Amendment is made pursuant to the reserved rights of the Developer set forth in Section 10.7 of the Declaration. The amendment to the Declaration described hereby does not materially and adversely affect the value of any Lot or other building parcel located within the Property.

NOW THEREFORE, the Association hereby amends the Declaration as follows:

1. The Developer confirms that the above-stated recitals are true and correct. All capitalized terms contained in this First Amendment shall have the same meanings as such terms are defined in the Declaration.

2. A new Section 5.8 of the Declaration is hereby added as follows:

Section 5.8. Bulk Rate Service Agreements. As a common service to the Owners, the Association may enter into contracts ("Common Service Contracts"), including bulk rate service agreements, with providers ("Service Providers") of cable television, internet access, telephone and similar utilities for the construction, management, maintenance, modification and operation of such systems and utilities ("Common Systems"). All expenses incurred by the Association in connection with any Common Service Contract or Common System shall constitute an expense which may be

00072955.WPD.2

funded through the collection of assessments pursuant to this Article V; provided however, if particular or additional services or benefits are provided to particular Lots or building parcels, the benefitted Owner shall pay the Service Provider directly for such services, or the Association may assess such costs as an Area Assessment pursuant to Section 5.4 hereof. The terms of any Common Service Contract may obligate individual Owners to execute subscription agreements or other contracts directly with the applicable Service Providers, or alternatively, the Association may execute Common Service Contracts on behalf of all Owners. All such agreements or other contracts may contain terms and conditions relating to the use and access of the systems described therein which, if violated by the Owner or any other person, may result in services to the applicable Lot or building parcel being terminated by the Service Provider or the Association. The termination of service for such a violation shall not relieve the applicable Owner of the continuing obligation to pay that portion of assessments or other Association charges pertaining the applicable Common Service Contract or Common Systems. The Association shall have no obligation to utilize any particular Service Provider and all Common Service Agreements shall contain such terms and provisions as the Association shall reasonably deem appropriate in its sole discretion.

3. A new Section 5.9 of Declaration is hereby added as follows:

Section 5.9 Disclaimers as to Bulk Services. With respect to any Common Systems that are provided pursuant to Section 5.8 hereof, all Owners and occupants of any portions of the Property are hereby notified as follows:

- (a) All Service Providers and the Common Systems provided by them may be subject to federal, state or local regulations, laws and ordinances. Such regulations, laws and ordinances may have a significant impact on certain aspects of the Common Systems including, but without limitation, the fees charged, the method of delivery and the relative rights and responsibilities of the Common System users and Service Providers. The impact of all such regulations, laws and ordinances are beyond the control of the Developer and the Association, and accordingly, neither the Developer nor the Association shall have any responsibility to any Owner therefor.
- (b) Each Owner acknowledges and agrees that the Developer and the Association, by virtue of their respective contractual relationships with Service Providers, may gain access to information relating to the individual use of the Common Systems by Owners including account and content information. In recognition of this fact, each Owner waives any privacy rights that such Owner may have in any such information, as well as any claims relating thereto against the Developer, the Association or their respective affiliates, successors, assigns, constituent members or related parties. Further, each Owner acknowledges and agrees that the acquisition of such information by the Developer or the Association shall not create any duty on the part of the Developer, the Association or any other party to act in any manner with respect to such information.

- (c) Neither the Developer nor the Association nor any of their respective affiliates, successors, assigns, constituent members or related parties shall be liable to any Owner or other party for any direct, indirect, incidental, special, punitive, consequential or other damages, losses, allegations, claims, suits or other proceedings, expenses, liabilities or costs (including attorneys' fees), including without limitation, loss of profits, earnings, business opportunities, data, inaccuracy of data, cost of procurement of substitute goods or services or personal injury (including death) resulting from, arising out of or in connection with, directly or indirectly, any Owner's or other party's use of any Common System services provided pursuant to a Common Service Contract, including without limitation (i) any contention that the use of a Common System by an Owner or other party infringes on the copyright, trademark, patent, trade secret, confidentiality, privacy or other intellectual property or contractual right of any party; (ii) mistakes, omissions, interruptions, deletion of files, errors, defects, delays in operation, non-deliveries, mis-deliveries, transmission or any failure of performance of the Common System; (iii) acts or occurrences beyond the reasonable control of applicable Service Providers, including without limitation, fire, lightening, explosion, power surge or failure, wars, acts of God, any law, order, regulation or requirement of any governmental or legal body or representative thereof; (iv) the content of services available on the internet or otherwise through any Common System, including the accuracy, quality and confidentiality of information obtained through third parties through such Common System; or (v) the activities of other internet users in accessing or monitoring any Owners' or other parties' personal computers or use thereof.
- (d) Neither the Developer nor the Association nor their respective affiliates, successors, assigns, constituent members or related parties shall be responsible for any damages, including the loss or damage of destruction of property, personal injury (including death), lost data, lost profits or lost opportunities, resulting from any interruption or termination of any services provided to Owners by any Common System. Each Owner acknowledges that all such services are subject to periodic interruption from time to time.
4. Except as specifically amended hereby, all of the terms and provisions of the Declaration shall remain in full force and effect as originally executed.

Section 2. Indemnification of Officers, Directors and Others. The officers, Directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and Directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association, except to the extent that such officers or Directors may also be Members of the Association. The Association shall indemnify and forever hold each such officer, Director, and committee member harmless from any and all liability to others on account of any such contract commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, Director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and Directors' liability insurance to fund this obligation, if such insurance is reasonably available.

ARTICLE VI

COVENANT FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Developer, for all Units now or hereafter owned by it within Avila at Palencia and subjected to this Declaration, hereby covenants, and each successor Owner of any Unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (i) annual Common Assessments for Common Expenses and (ii) Special Assessments, such Assessments to be established and collected as hereinafter provided. Such Assessments, together with interest, costs and reasonable attorneys' fees for the collection thereof, shall be a charge and secured by a continuing lien upon the Unit against which such Assessment is made. Each such Assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Unit at the time when the Assessments fell due. Subject to provisions of this Declaration protecting First Mortgagees, the personal obligation for delinquent Assessments shall pass to and be assumed by the successors-in-title of such Owner.

Section 2. Purpose of Assessments. The Common Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners and the Common Property and, in particular, for the improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Property and the Units situated upon the Property, including, but not limited to, the payment of insurance and taxes on the Common Property, if any are assessed, and repair, replacement, and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof. Special Assessments shall be used for the stated purpose for which they are levied.

Section 3. Date of Commencement of Common Assessments; Due Dates; Assessment Period. The Common Assessment shall accrue in respect to any Unit, subject to this Declaration, on the date of conveyance of such Unit by the Developer to the first Owner thereof (the "Commencement Date") and shall thereafter be due on the first day of every "Assessment Period" as such term is defined in the Bylaws of the Association.

Section 4. Basis and Maximum Amount of Common Assessments. From the date of recordation of this Declaration in the public records until the earlier of (i) the date that Developer ceases to be in control of the Board, or (ii) the end of the fourth (4th) full fiscal quarter after the date of such recordation, the initial Common Assessments for all Class "A" Members of the Association, as defined in the Articles and Bylaws, shall be established by the Developer. Except as hereinafter provided, no Assessment shall be payable by Developer. During the foregoing period the Developer shall not pay any Common Assessments or Special Assessments, but the Developer shall, each year of operation based on the Association's budget, pay the difference between the sum of Assessments collected from Class "A" Members and the amount actually required to operate the Association based on its adopted budget. The Developer hereby guarantees to Owners of each Unit that quarterly Common Assessments due from the Unit will not exceed the sum of \$593.45, inclusive of reserves. Notwithstanding the foregoing, the Developer may at any time commence paying Assessments as to any Units that it owns and thereby automatically terminate its obligation to fund deficits and its guarantee.

The Board, in accordance with the requirements for a change of Common Assessments, as provided in this Article VI, may change the budget and level of Common Assessments at any annual meeting of the Board. For each twelve (12) month period (the "Assessment Year"), the Common Assessments may be adjusted by vote of the Board as set forth in Section 9 of this Article.

Section 5. Special Assessments. Other than as provided in Section 9, in addition to the Common Assessments authorized by Section 1 hereof, the Board may levy in any Assessment Year a Special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement upon the Common Property, including the necessary fixtures and personal property related thereto, or for other purposes deemed appropriate by the Association. Any such assessment which in one (1) Assessment Year exceeds \$25,000.00 shall be subject to the approval of a majority of the Owners other than Developer. The due date of any Special

Assessment under this Article shall be fixed in a resolution authorizing such assessment. The Developer shall not be obligated to pay a Special Assessment levied on any Unit owned by it.

Section 6. Damage to Common Property by Owners. Any of the foregoing maintenance, repairs or replacements within the Common Property which arises out of or is caused by the willful or negligent act of the Owner, the Owner's family, guests or invitees shall be done at said Owner's expense or a Special Assessment therefor shall be made against his or her Unit.

Section 7. Notice and Quorum for any Action Authorized Under Section 5. Written notice of any meeting of the Members called for the purpose of taking any action provided under Section 5, above, shall be sent to all Members not less than thirty (30) days, nor more than sixty (60) days, in advance of the meeting. At the first such meeting called, the presence of Class A Members and the Class B Members in person or by proxy entitled to cast fifty percent (50%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be twenty-five percent (25%) of the voting power of the Association. No such subsequent meeting shall be held more than sixty (60) days following the preceeding meeting.

Section 8. Rate of Assessment. Assessments provided for in this Declaration shall be allocated and assessed among the Units within Avila at Palencia on an equal basis so that each Unit contributes the same share toward Assessments as do all others. The Assessments shall be apportioned among all Class A Owners of Units based on the total number of such Units, which are from time to time subject to these restrictions. Initially, assessments will be calculated based upon an assumed total of two hundred ninety eight (298) Units within the Property.

Section 9. Date of Commencement of Common Assessments, Due Date. The first annual Common Assessment shall be adjusted according to the number of months remaining in the fiscal year as set forth in the Bylaws. The Board of Directors shall fix the amount of the annual Common Assessment against all Units subject to assessment at least thirty (30) days in advance of each Common Assessment period. Written notice of any change in the amount of the annual Common Assessment shall be sent to every Owner subject thereto, at least thirty (30) days prior to the effective date of such change. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association, setting forth whether the Assessments on a specified Unit have been paid. A properly executed certificate of the Association as to the status of the Assessments against any Unit shall be binding upon the Association as of the date of its issuance.

The Board of Directors shall cause to be prepared an annual balance sheet and operating statement reflecting income and expenditures of the Association for each fiscal year, and shall cause a copy of each such statement to be distributed to each Member, and to each First Mortgagee who has filed a written request for copies of the same with the Board of Directors, in the manner provided in the Bylaws of the Association. At least sixty (60) days prior to the beginning of each fiscal year, the Board of Directors shall prepare and distribute to the membership of the Association a written, itemized budget of the expenses to be incurred by the

Association during such year in performing its functions under this Declaration, which may include reasonable provision for contingencies and deposits into the Common Property reserve fund.

The Association may designate any Sub-Association within Avila at Palencia to collect from the Owners that are subject to its jurisdiction, the assessments levied hereunder in respect to the Unit therein, and in doing so may bill the entire amount due from all Units therein to its Sub-Association.

At the end of any fiscal year of the Association, the Board may determine that all excess funds remaining in the Association's operating account, over and above the amounts used for the operation of the Properties, may be returned to the Members proportionately, or may be retained by the Association and used to reduce the following year's Common Assessments. Notwithstanding anything contained in the Articles or Bylaws to the contrary, if prior to dissolution of the Association that Association has not obtained tax exempt status from both the federal and state government, then upon such dissolution of the Association, any amount remaining in any reserve fund shall be distributed to or for the benefit of the Members in a proportion equal to their individual, respective contributions.

Section 10. Exempt Property. Common Expenses shall only be assessed against Units which are subject to assessment under the provisions hereof, and all other portions of Avila at Palencia shall be exempt therefrom.

Section 11. Ownership. Assessments collected by or on behalf of the Association become the property of the Association. No Owner has the right to claim, assign or transfer any interest therein except as an appurtenance to his or her Unit. No Owner has the right to withdraw or receive distribution of his or her share of any surplus, except as otherwise provided herein or by law.

Section 12. No Waiver or Excuse from Payment. The liability for Assessments may not be avoided or abated by waiver of the use or enjoyment of any Common Property, by abandonment of the Unit for which the Assessments are made, or by interruption in the availability of the Common Property for any reason whatsoever. No Owner may be excused from payment of his or her share of the Common Expenses unless all Owners are likewise proportionately excused from payment, except as provided in Sections 4 and 5 of this Article, as to the Developer, and in Article XIV, as to First Mortgagees. Nothing herein shall be construed to prevent the Association from compromising or settling a claim for past due Assessments for less than full payment, if the Board determines that such action is in the best interests of the Association.

ARTICLE VII

EFFECT OF NON-PAYMENT OF ASSESSMENTS REMEDIES OF THE ASSOCIATION

Section 1. Effect of Non-Payment of Assessments; Remedies of the Association. Any

installment of a Common Assessment or Special Assessment not paid within ten (10) days after the due date shall bear interest from the due date of such installment at the rate of eighteen percent (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Unit owned by the Owner. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Property or abandonment of his or her Unit. If any installment of any assessment is not paid within thirty (30) days after its due date, the Board may mail an acceleration notice to the Owner and to each First Mortgagee of such Unit which has requested a copy of the notice. The notice shall specify (i) the fact that the installment is delinquent, (ii) the action required to cure the default, (iii) a date, not less than thirty (30) days from the date the notice is mailed to the Owner, by which such default must be cured, and (iv) that failure to cure the default on or before the date specified in the notice may result in acceleration of the balance of the installments of the particular assessment for the then current fiscal year and sale of the Unit pursuant to foreclosure of the lien securing the unpaid assessment. The notice shall further inform the Owner of his or her right to cure after acceleration and to bring a court action to assert the non-existence of a default or any other defense of the Owner to acceleration and sale. If the delinquent installments of Common Assessments and any charges thereon are not paid in full on or before the date specified in the notice, the Board at its option may declare all of the unpaid balance of the annual Common Assessment to be immediately due and payable without further demand and may enforce the collection of the full Common Assessment and all charges thereon in any manner authorized by law and this Declaration.

Section 2. Notice of Claim of Lien. No action shall be brought to enforce any assessment lien herein, unless at least thirty (30) days has expired following the date a notice of claim of lien is deposited in the United States mail, certified or registered, postage prepaid, to the Owner, and a copy thereof has been recorded by the Association in the office of the Clerk of the Circuit Court of St. Johns County, Florida; said notice of claim of lien must recite a good and sufficient legal description of any such Unit, the record Owner or reputed Owner thereof, the amount claimed (which may at the Association's option include interest on the unpaid assessment at eighteen percent (18%) per annum, plus reasonable attorneys' fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the claimant. Such notice of claim of lien shall be signed and acknowledged by an officer of the Association. The lien shall continue until fully paid or otherwise satisfied.

Section 3. Foreclosure Sale. The assessment lien set forth herein may be foreclosed in the same manner as mortgages are foreclosed under Florida law. The Association, through duly authorized agents, shall have the power to bid on any Unit at a foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 4. Curing of Default. Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers thereof shall record an appropriate release of lien, upon payment by the defaulting Owner of a fee, to be determined by the Association, but not to exceed Fifty and No/100 Dollars (\$50.00) to cover the cost of preparing and recording such release. A certificate executed and acknowledged by any two (2) members of the Board or by the President of the Association stating the indebtedness secured by the liens upon any Unit created hereunder shall be conclusive upon the Association and the Owners' as to the amount of

such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee.

Section 5. Cumulative Remedies. The assessment liens and the right to foreclose and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

Section 6. Subordination of the Lien to Mortgages. The lien securing the Assessments provided for herein shall be subordinate to the lien of any First Mortgage (meaning any recorded mortgage with first priority or seniority over all other mortgages) made in good faith and for value and recorded prior to the date on which a notice of claim, pursuant to such lien, is recorded. The sale or transfer of any Unit shall not affect the Assessment lien. However, the sale or transfer of any Unit pursuant to the foreclosure or deed in lieu thereof of a First Mortgage, shall extinguish the lien of such Assessments as to installments which became due prior to such sale or transfer. However, no sale or transfer shall relieve such Unit for any installments of Assessments thereafter becoming due or from the lien thereof. Liens securing all Assessments under this Declaration and liens for assessments of Sub-Associations' operating community developed by Developer within Avila at Palencia shall be of equal dignity.

ARTICLE VIII

MAINTENANCE AND REPAIR OBLIGATIONS

Section 1. Maintenance of Units, Phases and Sub-Association Common Property. Each Owner shall maintain his or her Unit and all improvements comprising the Unit in a manner consistent with this Declaration, and all applicable covenants unless such maintenance responsibility is otherwise assumed by, or assigned to, the Association or a Sub-Association pursuant to any Supplemental Declaration or other declaration of covenants applicable to such Unit.

A Sub-Association shall maintain its own common property and any other property for which it has maintenance responsibility in a manner consistent with its governing documents, this Declaration and all applicable covenants.

Section 2. Maintenance of Sub-Association Common Property. The Association may, but shall not be obligated to, assume maintenance responsibility for property within any Sub-Association, in addition to that designated by the Declaration or by any Supplemental Declaration, either by agreement with the Sub-Association or because, in the opinion of the Board, the level and quality of service then being provided is not consistent with this Declaration. All costs of maintenance pursuant to this paragraph shall be assessed as a Special Assessment only against the Unit within the Sub-Association to which the services are provided. The provision of services in accordance with this section shall not constitute discrimination or against a class.

Section 3. Responsibility for Repair and Replacement. Unless otherwise specifically provided in this Declaration or in other instruments creating and assigning maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary, to maintain the property to a level consistent with this Declaration.

By virtue of taking title to any Unit, each Owner covenants and agrees with all other Owners, and with the Association, to carry property insurance for the full replacement cost of all insurable improvements on his or her Unit, less a reasonable deductible, unless the Sub-Association in which the Unit is located or the Association carries such insurance (which they may, but are not obligated to do, hereunder).

Each Owner further covenants and agrees that in the event of damage to, or destruction of, structures on, or comprising his or her Unit, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration. The Owner shall pay any costs that are not covered by insurance proceeds.

The requirements of this section shall apply to any Sub-Association responsible for its own common property in the same manner as if the Sub-Association were an Owner and the its own common property were a Unit. Additional recorded covenants applicable to any Sub-Association may establish more stringent requirements for insurance and more stringent standards for rebuilding or reconstructing structures on the Unit with such Sub-Association and for clearing and maintaining the Unit in the event the structures are not rebuilt or reconstructed.

Section 4. Maintenance Obligations of Owners. Subject to the duty of the Association to provide for maintenance as provided in this Article, it shall be the duty of the Owners and Sub-Associations in Avila at Palencia at their sole cost and expense, subject to the provisions of this Declaration, to maintain, repair, replace and restore areas subject to their exclusive control, in a neat, sanitary and attractive condition consistent with the quality of the original construction and standards adopted by the Board, from time to time. In the event that any such Owners shall permit any improvement or land, which it is their responsibility to maintain, to fall into disrepair or not to be so maintained so as to create a dangerous, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration or any standards adopted by the Board, then the Association shall have the right, but not the duty, upon fifteen (15) days prior written notice to the appropriate Sub-Association or to such Owners to correct such conditions and to enter upon such property to make such repairs or to perform such maintenance, and the cost thereof shall be charged to the Sub-Association or Owners. Said cost shall be a Special Assessment and shall create a lien upon all the Units in said Sub-Association, or particular affected portions therein, enforceable in the same manner as other assessments as set forth in this Declaration. Such Sub-Association or such Owners shall pay promptly all amounts due for such work, and the costs and expenses of collection may be added, at the option of the Board of Directors, to the amounts payable by all Units in the affected Sub-Association as Special Assessments.

Section 5. Maintenance Obligations of Association. Subject to the provisions of Section 4 of this Article, the Association shall maintain, or provide for the maintenance of all of the Common Property and all improvements thereon, in good order and repair, including recreational

facilities, the interior and exterior of any Buildings thereon, and any and all utility facilities, Lakes, improvements, and Buildings on the Common Property. In addition to improvement maintenance, the Association shall provide all necessary landscaping and gardening to properly maintain and periodically replace when necessary the trees, plants, grass and other vegetation which is on the Common Property or located on any Sub-Association common property. The Association shall further maintain, reconstruct, replace and refinish any Roads and any paved surface in the Common Property or Sub-Association common property. All of the foregoing obligations of the Association shall be discharged when and in such manner as the Board of Directors of the Association shall determine in their judgment to be appropriate.

Section 6. Exterior Appearance and Design. The Owners in any Building which has suffered damage may apply for approval for reconstruction, rebuilding or repair of the improvements therein to the Board of the Association. Application for such approval shall be made in writing together with drawings and elevations showing the proposed reconstruction and the end result thereof. The Board shall grant such approval only if upon completion of the work the exterior appearance and design will be substantially the same as that which existed prior to the date of the casualty. Failure of the Board to act within thirty (30) days after receipt of such request in writing coupled with the drawings and plot plans showing the full and complete nature of the proposed changes shall constitute approval thereof.

Section 7. Time Limitation. The Owners of Units located in any damaged Building, and the Board of the Association shall be obligated to proceed with all due diligence hereunder, and, assuming the availability of funds, the responsible party shall commence reconstruction within six (6) months after the damage occurs and complete reconstruction within one (1) year after damage occurs, unless prevented by causes beyond their reasonable control.

Section 8. Reconstruction. If all or a portion of any Building or other improvements located on the Property are damaged or destroyed by casualty, they shall be repaired and restored unless in accordance with the conditions of this Declaration it is provided, or a decision is made, not to repair or reconstruct them.

In the event the improvements are to be reconstructed, it shall be done and carried out in accord with the original plans and specification for the improvements, and in accord with the general style, architecture and colors utilized and existing with the remainder of Avila at Palencia at the time as determined by the Board. Construction and reconstruction shall occur as soon as it is commercially reasonable to do so following the casualty and, in any event, debris resulting from the casualty will be promptly removed at the expense of the Owner(s) of the damaged improvements. In the event that the Owner(s) of such damaged improvements fail to remove such debris and rubble and/or, having commenced reconstruction, fail to complete it, then the Association, based on the decision of the Board, shall have the power and authority to enter on to the Unit or common property that has sustained such damage to remove such debris and rubble, and/or to complete said construction, and shall have the right, and is hereby granted, to have access to all available insurance proceeds and assessments levied by such owners to pay for the costs thereof to complete such work. The Association may, in such cases, levy a Special Assessment against the Owner(s) of such affected Units to pay for all reasonable costs of such

removal and work. The Association must give written notice to the Owner(s) against whom it is to be exercised within thirty (30) days after the date that it desires to exercise the right.

Section 9. Right To Purchase. In the event of a casualty, whereby the improvements are not to be reconstructed, then in that event the Association has the right to purchase the interest in the Property of the Owner(s) that do not desire to reconstruct the improvements. The purchase price will be the fair market value of the affected Unit as a whole. To exercise this right the Association must give written notice to the Owner(s) against whom it is to be exercised within thirty (30) days after the date that the Association has determined to exercise the right. The Owner(s) and the Association will then have a period of sixty (60) days thereafter in which to attempt to reach agreement, through the assistance of such professionals as each may wish to engage on the fair market value for the affected Unit. If they are unable to do so within that period of time, then each party will appoint an MAI qualified appraiser who has experience in appraising residential properties in Florida, and ideally in St. Johns County, Florida to act for it. Each party will provide the appraisal to the Owner party within sixty (60) days following the date it is determined that it is necessary to do so. If the two (2) appraisals vary by not more than ten percent (10%) of the higher of the two (2), then they shall be averaged and the fair market value will be deemed to be the average. If they vary by more than such ten percent (10%) then the two (2) appraisers will be asked to select and agree upon a third appraiser who shall make an appraisal of the affected Unit. The three (3) appraisals will then be averaged and the average deemed to be the fair market value. Closing on the purchase must take place not later than thirty (30) days after the date the fair market value is arrived at, with the purchase price being paid in cash upon conveyance. All mortgages and other liens and encumbrances on the interest of the Owner(s) conveying their interests, will be paid and discharged at the time of conveyance and closing from the cash proceeds of sale. Customary terms and conditions will govern cost allocations proratons.

ARTICLE IX

The Property, and additional lands which may become subject to this Declaration by Supplemental Declaration, shall be held, used and enjoyed subject to the following limitations and restrictions, and further subject to the exemption of Developer in Section 16 hereof.

Section 1. Signs. No sign, poster, display, billboard or other advertising device of any kind shall be displayed to the public view on any portion of the Property without the prior written consent of the Board, except signs, regardless of size, used by Developer, its successors or assigns, for advertising during the construction and sale period and identification signage.

Section 2. Roads. All Roads and paved surfaces shall be maintained in the style originally established by the Developer.

Section 3. Common Property and Restricted Common Property. The Common Property and Restricted Common Property shall be used only for the purposes for which they are intended to be used in the furnishing of services and facilities for the enjoyment of the Owners.

Section 4. Trash Containers. All trash and trash containers and contents thereof shall be stored out of plain view of a passerby.

Section 5. Exterior Antennae. No exterior radio, television or other electronic device antennae shall be permitted on the exterior of any Unit without the prior written approval of the Association.

Section 6. Parking. Automobile parking spaces may be used only for parking vehicles that are in operating condition and for no other purposes. The Board may establish rules and regulations limiting vehicles, types, sizes and numbers and restricting the use, parking and location of commercial vehicles, trucks and, if decided by the Board, prohibiting recreation vehicles and trailers. Parking spaces that are designated as Restricted Common Property, shall each be assigned to a separate Owner or Sub-Association by the Board.

Section 7. Additional Temporary or Permanent Structures. No structure of a temporary or permanent character, including, but not limited to, basements, tents, shacks, garages, barns, or other out buildings shall be used or erected on any of the Common Property without the prior approval of the Association and the Property Owners Association.

Section 8. Pets. No animals of any kind shall be kept under any circumstances in a Unit or allowed upon the Property, except by prior written consent of and upon such terms and conditions as shall be imposed by the Developer or the Board of Directors of the Association.

If consent is given, whether by the Developer or by the Board of Directors of the Association, the consent may be withdrawn at any time by the Board of Directors at a duly called meeting of the Board if the Board determines, in its sole discretion, that the pet has become a nuisance to the Common Property or to the Owners or that any rules and regulations regarding pets are not being fully obeyed. If consent is withdrawn by the Board, the Owner shall immediately remove the pet from the Property. Consent shall automatically terminate upon death or other disposition of a pet for which consent was granted.

All Owners shall identify and register their pet with the Association. Pets shall never be allowed to run freely upon any of the Common Property. Any Owner maintaining a pet on Common Property shall be fully responsible for, and shall bear the expense of, any damage to persons or property resulting therefrom. Any such damage shall be determined by the Board of Directors of the Association and collected by the Association.

Section 9. Alteration and Improvement of Unit. The prior, express written consent of the Association and the Property Owners Association is required in order to enclose, paint or otherwise decorate or substantially change the appearance of any Unit or any portions of the exterior of any of the Buildings that may be constructed on the Properties.

Section 10. Developer. Until the Developer has sold and conveyed title to all of the Units within the Property which it plans to develop, the Developer may use any Unit it owns and

the Common Property to facilitate such sales, including, but not limited to, the maintenance of a sales office and model apartments and the display of signs.

Section 11. Lakes. No motorboats shall be permitted to use any Lake which may now or hereafter be located on the Common Property. No structures may be erected on any Lake except with written permission from the Association and the Property Owners Association.

Section 12. Additional Rules and Regulations. Section 13. Exterior Improvements; Landscaping. No Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors or windows of any Buildings (including, but not limited to, awnings, antennae, signs, storm shutters, screens, furniture, fixtures and equipment), or to structures of any parking areas without the prior written consent of the Association and the Property Owners Association. Notwithstanding the foregoing, an Owner of a Unit located in a residential condominium submitted on the Property shall be permitted to display one (1) portable, removable United States flag in a respectful way and, on Armed Forces Day, Memorial Day, Flag Day, Independence Day, and Veterans Day, to display in a respectful way one (1) portable, removable official flag, pursuant to the Condominium Act.

Section 14. Nuisances. No nuisances shall be allowed upon the Property, nor any use or practice which is the source of annoyance to residents or which interferes with the proper use of the Common Property. All parts of the Property shall be kept in clean and sanitary condition, and no rubbish, refuse or garbage shall be allowed to accumulate nor shall any fire hazard be allowed to exist. No use shall be made of any Unit or of the Property which would increase the rate of insurance upon the Property.

Section 15. Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the Property or any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental bodies pertaining to maintenance, replacement, modification or repair of the Property shall be the same as is elsewhere herein specified with respect to other maintenance, repair and replacement.

Section 16. Developer Exemption. Developer or its successors or assigns will undertake the work of constructing Units and improvements. The completion of that work and the sale, rental and other disposal of Units is essential to the establishment and proper economic function of Avila at Palencia. As used in this section and its sub-paragraphs, the words "its successors or assigns" specifically do not include purchasers of completed Units. In order that said work may be completed and Avila at Palencia established as a fully occupied community as rapidly as possible, no Owner nor the Association shall do anything to interfere with, and nothing in this Declaration shall be understood or construed to:

(a) Prevent Developer, its successors or assigns, or its or their contractors or subcontractors, from doing on any property owned by them whatever they determine to be necessary or advisable in connection with the completion of said work, including, but not limited to, the alteration of such construction plans and designs as Developer deems advisable in the course of development (all models or sketches showing plans for future development of Avila at Palencia may be modified by the Developer at any time and from time to time, without notice).

(b) Prevent Developer, its successors or assigns, or its or their representatives, from erecting, constructing and maintaining on any property, owned or controlled by Developer, or its successors or assigns or its or their contractors or subcontractors, such structures as may be reasonably necessary for the conduct of its or their business or of completing said work and establishing Avila at Palencia as a residential community and disposing of the same by sale, lease or otherwise.

(c) Prevent Developer, its successors or assigns, or its or their contractors or subcontractors, from conducting on any property, owned or controlled by Developer, or its successors or assigns, its or their business of developing, grading and constructing improvements in Avila at Palencia as a residential community and of disposing of Units therein by sale, lease or otherwise.

(d) Prevent Developer, its successors or assigns, from determining in its sole discretion the nature of any type of improvements to be constructed as part of the Common Property.

(e) Prevent Developer, its successors or assigns or its or their contractors or subcontractors, from maintaining such sign or signs on any property owned or controlled by any of them as may be necessary in connection with the sale, lease or other marketing of Units.

Section 17. Drilling. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind, shall be permitted on Avila at Palencia, nor shall oil wells, tanks, tunnels or mineral excavations or shafts be permitted. No derrick or other structure designed for use in boring for water, oil or natural gas shall be erected, maintained or permitted on or around the residential buildings or Common Property.

ARTICLE X

COMPLIANCE AND ENFORCEMENT

Every Owner and occupant of a Unit shall comply with this Declaration and its exhibits and rules and regulations adopted by the Board, from time to time. The Board may impose sanctions for violations of such documents in accordance with the procedures set forth in the Bylaws. Such sanctions may include, without limitation:

(a) imposing reasonable monetary fines which shall constitute a lien upon the violator's Unit. In the event that any occupant, guest or invitee of a Unit violates the applicable

documents and a fine is imposed, the fine shall first be assessed against the violator; provided, however, if the fine is not paid by the violator within the time period set by the Board, the Owner shall pay the fine upon notice from the Board;

(b) suspending any person's right to use any portion of the Common Property; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from any Unit;

(c) suspending any services provided by the Association to an Owner or the Owner's Unit if the Owner is more than thirty (30) days delinquent in paying any assessment or other charge owed to the Association;

(d) exercising self-help or taking action to abate any violation of the applicable documents in a non-emergency situation;

(e) requiring an Owner, at its own expense, to remove any structure or improvement on such Owner's Unit in violation of this Declaration and to restore the Unit to its previous condition. Upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the structure or improvement that is in violation and restore the property to substantially the same condition as previously existed and any such action shall not be deemed a trespass. The cost of such removal and restoration may be assessed against the Unit, and the Owner, as a Special Assessment;

(f) precluding any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of the applicable documents from continuing or performing any further activities in the properties, without incurring liability to any person therefor;

(g) levying specific assessments to cover costs incurred by the Association to bring a Unit into compliance with the applicable documents;

(h) taking the following enforcement sanctions to ensure compliance with the applicable documents without the necessity of compliance with the procedures set forth in the Bylaws;

(i) exercising self-help in any emergency situation, including, but not limited to, removing dangerous pets and towing of vehicles that are in violation of applicable rules and regulations with regard to parking; and

(j) bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both.

In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Association may record a notice of violation in the public records or perform such maintenance responsibilities and assess all costs incurred by the Association against the Unit and the Owner as a Special Assessment. If a Sub-Association fails

to perform its maintenance responsibilities, the Association may perform such maintenance and assess the costs as a Special Assessment against all Units within such neighborhood. Except in an emergency situation, the Association shall provide the Owners of any Sub-Association reasonable notice and an opportunity to cure the problem prior to entering a dwelling.

All remedies set forth in the applicable documents shall be cumulative of any remedies available at law or in equity. The Association shall also have the authority, but not the obligation, to enforce any provision contained in the governing documents of any Sub-Association. The Sub-Association shall have the primary responsibility to enforce its governing documents, and the Association's rights hereunder shall be exercised only after the Sub-Association has failed or refused to fulfill its obligations. In any action to enforce the governing documents of a Sub-Association, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorneys' fees and court costs, reasonably incurred in such action.

The decision to pursue enforcement action in any particular case shall be left to the Board's discretion, except that the Board shall not be arbitrary or capricious in taking enforcement action. Without limiting the generality of the foregoing sentence, the Board may determine that, under the circumstances of a particular case, (i) the Association's position is not strong enough to justify taking any or further action; (ii) the covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with applicable law; (iii) that although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or to justify expending the Association's resources, or (iv) that is not in the Association's best interests, based upon hardship, expense, or other reasonable criteria, to pursue enforcement action. Such a decision shall not be construed a waiver of the right of the Association to enforce such provision at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction or rule.

ARTICLE XI

DESTRUCTION OR DAMAGE TO COMMON PROPERTY

Damage to or destruction of all or any portion of the Common Property shall be handled in the following manner, notwithstanding any provision in this Declaration to be contrary:

(a) If in the event of damage or destruction to the Common Property or any portion thereof, the insurance proceeds are sufficient to effect total restoration, then the Association shall cause such Common Property to be repaired and reconstructed substantially as it previously existed.

(b) If the insurance proceeds are within Ten Thousand and No/100 Dollars (\$10,000.00) or less of being sufficient to effect total restoration to the Common Property, then the Association shall cause the Common Property to be repaired and reconstructed substantially as they previously existed and the difference between the insurance proceeds and the actual cost

shall be levied as a Special Assessment equally against each of the Owners, in accordance with the provisions of this Declaration.

(c) If the insurance proceeds are insufficient by more than Seventy-Five Thousand and No/100 Dollars (\$75,000.00) to effect total restoration to the Common Property, then by written consent or vote of a majority of the Class A Members of the Association and the Class B Members, they shall determine whether (i) to rebuild and restore in substantially the same manner as the improvements existed prior to damage and to raise the necessary funds over the insurance proceeds by levying equal Special Assessments against all Units, or (ii) subject to the provisions of this Declaration and the Property Owners Declaration, to not rebuild and to distribute the available insurance proceeds equally to the Owners and Mortgagees of the Units as their interests may appear.

(d) Each Owner shall be liable to the Association for any damage to the Common Property not fully covered by insurance which may be sustained by reason of the negligence or willful misconduct of said Owner or of his or her family and guests, both minor and adult. Notwithstanding the foregoing, the Association reserves the right to levy a Special Assessment against any such Owner, equal to the increase, if any, in the insurance premium directly attributable to the damage caused by such Owner. In the case of joint ownership of a Unit, the liability of such owners shall be joint and several, except to the extent that the Association has previously contracted in writing with such joint Owners to the contrary. The cost of correcting such damage shall be a Special Assessment against the Unit and may be collected as provided herein for the collection of Common Assessments.

ARTICLE XII

SUPPLEMENTAL ASSOCIATION POWERS

Section 1. Powers of the Association Relating to Phases and Sub-Associations. The Association shall have the power, but not the obligation, to veto any action taken or contemplated to be taken by any Sub-Association which the Board reasonably determines to be adverse to the interests of the Association or its Members or inconsistent with this Declaration. The Association also shall have the power to require specific action to be taken by any Sub-Association in connection with its obligations and responsibilities, such as requiring specific maintenance or repairs or aesthetic changes to be effectuated and requiring that a proposed budget include certain items and that expenditure be made therefore.

A Sub-Association shall take appropriate action required by the Association in a written notice within the reasonable time frame set by the Association in the notice. If the Sub-Association fails to comply, the Association shall have the right to effect such action on behalf of the Sub-Association and levy a Special Assessment to cover the costs, as well as an administrative charge and sanctions.

Section 2. Provision of Services. The Association shall be authorized, but not obligated, to enter into, in the Board's discretion, contracts or agreements with other entities, including

Developer, to provide services to and facilities for the Members of the Association and their guests, lessees, and invitees and to charge use and service fees for such services and facilities. By way of example, some services and facilities which might be offered include pest control service, security, caretaker, transportation, fire protection, utilities, and similar services and facilities. The cost of such services and facilities may be included as a common expense if offered in bulk to all Members.

Section 3. Relations with Other Entities. The Association may enter into agreements with tax exempt organizations and other entities for the benefit of the Common Property and Owners, as well as the larger community surrounding the Property. The purpose of and funding for such agreements may include, but are not limited to:

- (a) programs and activities which serve to promote a sense of community, such as recreational leagues, cultural programs, education programs, festivals, holiday celebrations and activities, a community network and recycling programs; and
- (b) social services and community outreach programs and other charitable causes.

Funding for such activities shall be provided for by Common Assessments and included as a part of the annual adopted budget of the Association.

ARTICLE XIII

INSURANCE

Section 1. Units. By virtue of taking title, each Owner covenants and agrees with all other Owners and with the Association to carry property insurance for the full replacement cost of all insurable improvements on his or her Unit, less a reasonable deductible, unless the Sub-Association in which the Unit is located carries such insurance.

Section 2. Common Property. The Association shall keep all buildings, improvements, and fixtures of the Common Property insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Property shall be written in the name of, and the proceeds thereof shall be payable to the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the Common Assessments made by the Association.

Section 3. Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Property facilities, the Association shall repair or replace the same from the insurance proceeds available, subject to the provisions of this Declaration and the Property Owners Declaration. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may, subject to the provision of this Declaration, make a Special Assessment against all Units to cover the additional

cost of repair or replacement not covered by the insurance proceeds, in addition to any other Common Assessments made against such Units, in accordance with the provisions of this Declaration.

Section 4. Waiver of Subrogation. As to each policy of insurance maintained by the Association, which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, any management company, Developer, and the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement by said persons, but only to the extent that insurance proceeds are received in compensation for such loss.

Section 5. Liability and Other Insurance. The Association shall have the power to and shall obtain comprehensive public liability insurance, including medical payments, liquor liability insurances and malicious mischief, in such limits as it shall deem desirable (public liability coverage shall be in an amount not less than \$1,000,000.00 for bodily injury, including death of persons and property damage arising out of a single occurrence), insuring against liability for bodily injury, death and property damage arising from the activities of the Association or with respect to property under its jurisdiction, including, if obtainable, a cross-liability endorsement insuring each insured against liability to each other insured. The Association may also obtain workmen's compensation insurance, and other liability insurance as it may deem desirable, insuring all Owners and the Association, Board of Directors and any management company, from liability in connection with the Common Property, the premiums for which are Common Expenses included in the Common Assessments made against the Owners. All insurance policies shall be reviewed at least annually by the Board of Directors and the limits increased in its discretion. The Board may also obtain such errors and omissions insurance, indemnity bonds, fidelity bonds and other insurance as it deems advisable, insuring the Board and any management company thereof against any liability for any act or omission in carrying out their obligations hereunder, or resulting from their membership on the Board or on any committee thereof.

Section 6. Waiver By Insurer. Whenever obtainable, insurance policies maintained by the Association shall provide for the following: (a) that the policy may not be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association and to each First Mortgagee as that term is herein defined; (b) waive the insurer's right of subrogation against the Association and against the Members individually and as a group; (c) the insurance is not prejudiced and the insurer may not avoid liability for a loss that is caused by an act of the Board of Directors of the Association or by a Member of the Board of Directors of the Association or by one (1) or more Members, or by any act or neglect of individual Members which is not in the control of such Members collectively; and (d) the policy is primary in the event that Members have other insurance covering the same loss.

Section 7. Sub-Association Insurance. Each Sub-Association shall maintain and pay for such insurance as is required by its own applicable documents. If any Sub-Association fails to do so then the Association may purchase insurance for it and assess the cost to the particular Sub-Association and the Units of the members who are members of the particular Sub-Association.

ARTICLE XIV**MORTGAGEE PROTECTION CLAUSE**

(e) All First Mortgagees who have registered their names with the Association shall be given (i) thirty (30) days written notice prior to the effective date of any proposed, material amendment to this Declaration or the Articles or Bylaws of the Association and prior to the effective date of any termination of any agreement for professional management of the Common Property following a decision of the Owners to assume self-management of the Common Property; and (ii) immediate notice following any damage to the Common Property whenever the cost of reconstruction exceeds Fifty Thousand and No/100 Dollars (\$50,000.00), and as soon as the Board learns of any threatened condemnation proceeding or proposed acquisition of any portion of the Common Property.

(f) First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Property facilities and may pay any overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such property, and First Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

Section 1. Enforcement. This Declaration, the Articles and the Bylaws may be enforced by the Association as follows:

(b) The remedies herein provided for breach of the covenants contained in this Declaration or in the Bylaws shall be deemed cumulative, and none of such remedies shall be deemed exclusive.

(c) The failure of the Association to enforce any of the covenants contained in this Declaration relative to either or in their respective Bylaws shall not constitute a waiver of the right to enforce the same thereafter.

(d) A breach of the covenants, conditions or restrictions contained in this Declaration or in the Bylaws, shall not affect or impair the lien or charge of any Mortgage made in good faith and for value on any Unit; provided, however, that any subsequent Owner of such Unit shall be bound by said covenants, whether such Owner's title was acquired by foreclosure sale or otherwise.

Section 2. Severability. Invalidation of any one (1) of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Term. The covenants and restrictions of this Declaration shall run with title and bind the Property hereby encumbered, and shall inure to the benefit of and be enforceable by the Association, the Developer and the Owners subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this Declaration is recorded, after which time said covenants, conditions, reservation of easements, equitable servitudes and restrictions shall be automatically extended for successive periods of ten (10) years, unless an instrument, approved by the then Owners of two-thirds (2/3rds) of the Class A Members, has been recorded, agreeing to change said covenants and restrictions in whole or in part.

Section 4. Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development or operation of Units and the governance of a residential community and for the maintenance of the Common Property. The article and section headings have been inserted for convenience only, and shall not be considered or referred to in resolving questions of interpretation or construction. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular, and the masculine, feminine and neuter shall each include the masculine, feminine and neuter.

Section 5. Amendments. This Declaration may be amended by (i) the affirmative vote or written consent of the Owners holding not less than fifty-one percent (51%) of the voting power of the Class "A" Membership of the Association together with the affirmative vote of the Class "B" Member (so long as the Class "B" Membership exists); or (ii) solely by the unilateral affirmative action of the Class "B" Member; provided, however, that no amendment adopted solely by the Class "B" Member shall be permitted which has a material adverse affect upon substantial rights of an Owner or First Mortgagee or the value of any part of the Property subject hereto. Nothing contained herein shall affect the right of the Developer to make such amendments or Supplemental Declarations as may otherwise be permitted herein.

Section 6. No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Common Property to the public, or for any public use.

Section 7. Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Unit or other portion of Avila at Palencia does and shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in such property.

Section 8. Notices. Any notice permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to any person at the address given by such person to the Association for the purpose of service of such notice, or to the

residence of such person if no address has been given to the Association. Such address may be changed from time to time by notice in writing to the Association.

Section 9. No Representations or Warranties. No representations or warranties of any kind, express or implied, have been given or made by Developer or its agents or employees in connection with any portion of the Common Property, their physical condition, zoning, compliance with applicable laws, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof, except as specifically and expressly set forth in this Declaration and except as may be contained in documents executed by Developer from time to time.

The Developer may subject any portion of the Property to additional covenants and easements, including covenants obligating the Association to provide services and authorizing the Association to recover its costs through neighborhood assessments. Such additional covenants and easements may be set forth either in a Supplemental Declaration subjecting such Property to this Declaration or in a separate Supplemental Declaration referencing property previously subject to this Declaration. If the Property is owned by someone other than Developer, then the consent of the Owner(s) shall be necessary and shall be evidenced by their execution of the supplemental declaration. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject Property in order to reflect the different character and intended use of such Property.

The Developer may without fee or charge maintain and carry on upon portions of the Common Property such facilities and activities as, in the sole opinion of the Developer, may be reasonably required, convenient, or incidental to the construction or sale of Units, including, but not limited to, business offices, signs, model units and sales offices. Such activities may include, without limitation, holding special events and promotional activities on portions of the Common Property. The Developer shall have easements for access to and use of the Common Property for such purposes.

Section 10. Supplemental Declarations. From time to time Developer may execute and file Supplemental Declarations hereto for the purpose of subjecting additional portions of the Properties to the effect of this Declaration and for the purpose of designating and identifying additional land as Common Property.

Section 11. Withdrawal and Modification. Should any member of the first Board be unable to serve for any reason, Developer shall have the right to select and designate a successor to act and serve for the unexpired term of the Director who is unable to serve.

J. Directors who have been elected by Owners other than Developer may be removed from office with or without cause in the following manner:

(1) Upon a written petition calling for the recall or removal of one (1) or more of the members of the Board of Directors, ten percent (10%) of the Owners may call a special meeting of the Owners for that purpose.

(2) The first order of business at the meeting shall be the election of a person to preside over the meeting. The election shall be by vote of the majority of the Owners present at the meeting.

(3) If the petition calls for the recall or removal of more than one (1) member of the Board of Directors, the questions of removal shall be divided as to each recalled member of the Board of Directors upon the request of any one (1) Owner present at the meeting and eligible to vote.

(4) Any member of the Board of Directors who is the subject of the recall petition shall be given a reasonable opportunity to speak at the meeting, prior to the vote on the question of removal.

(5) The vote necessary for removal shall be a majority of all Owners, including those voting by proxy or absentee ballot.

(6) If any member or members of the Board of Directors is removed at the special meeting, the vacancy(ies) shall be filled by the Members of the class entitled to elect such Director(s). If all Directors are removed at the special meeting, an election shall be held at the special meeting to fill the vacancies for the remainder of the term or terms of office. The Members may for such purpose recess or adjourn the meeting for a period not to exceed thirty (30) days, with a call to reconvene for the purpose of the election at a specific date, time and place.

V. **ADDITIONAL PROVISIONS - MEETINGS OF MEMBERS AND DIRECTORS.**

Notwithstanding anything contained in these Bylaws to the contrary, any meeting of Members of the Board may be held at any place, within or outside the State of Florida, designated in the notice of any such meeting, or notice of which is properly waived.

VI. **OFFICERS.**

A. The Board shall elect a President, Secretary, Treasurer, and as many Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Board shall deem advisable from time to time. The President shall be elected from the membership of the Board, but no other officer need be a Director. The same person may hold two (2) offices, the duties of which are not incompatible; provided, however, that the office of President and Vice President shall not be held by the same person, nor shall the office of President and Secretary or Assistant Secretary be held by the same person. The Board may from time to time elect such other officers, and designate their powers and duties, as the Board may deem necessary to properly manage the affairs of the Association. Officers may be removed from office by the Board.

B. The President shall be the chief executive officer of the Association. He or she shall have all of the powers and duties which are usually vested in the office of President of a corporation not for profit, including, but not limited, to the power to appoint committees from among the Members from time to time, as he or she may in his or her discretion determine appropriate, to assist in the conduct of the affairs of the Association. The President shall have such additional powers as the Board may designate.

C. The Vice President shall, in the absence or disability of the President, exercise the powers and perform the duties of President. He or she shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Board.

D. The Secretary shall keep the minutes of all proceedings of the Board and the Members. He or she shall attend to the giving and serving of all notices to the Members and Board, and such other notices as may be required by law. The Secretary shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed. He or she shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of Secretary of a corporation not for profit and as may be required by the Board and the President. The Assistant Secretary shall perform the duties of Secretary when the Secretary is absent.

E. The Treasurer shall have custody of all of the property of the Association, including funds, securities and evidences of indebtedness. He or she shall keep the assessment rolls and accounts of the Members, shall keep the books of the Association in accordance with good accounting practices, and shall perform all other duties incident to the office of Treasurer.

F. The compensation of all officers and employees of the Association shall be fixed by the Board. This provision shall not preclude the Board from employing a Director as an employee of the Association, nor preclude contracting with a Director for the management of the Condominium.

VII. FISCAL MANAGEMENT.

The provisions for fiscal management of the Association set forth in the Declaration and Articles shall be supplemented by the following provisions:

A. The assessment roll shall be maintained in a set of accounting books in which there shall be an account for each separate unit. Such account shall designate the name and mailing address of the Owner(s), the amount of each assessment against the Owner(s), the due date thereof, all amounts paid, and the balance due upon each assessment. For this purpose the Owner of each unit will be assessed one (1) share.

B. The Board shall adopt for, and in advance of, each calendar year, a budget showing the estimated costs of performing all of the functions of the Association for the year. Each budget shall show the total estimated expenses of the Association for that year and shall contain an itemized breakdown of the Common Expenses. Each budget shall also show the proportionate share of the total estimated expenses to be assessed against and collected from the Owner(s) of each separate unit and the due date(s) and amounts of installments thereof. Copies of the proposed budget and proposed assessments shall be transmitted to each Member on or before January 1 of the year for which the budget is made. If any budget is subsequently amended, a copy shall be furnished each affected Member. Delivery of a copy of any budget or amended budget to a Member shall not affect the liability of any Member for any such assessment, nor shall delivery of a copy of such budget or amended budget be considered as a condition precedent to the effectiveness of the budget and assessments levied pursuant thereto. Nothing herein contained shall be construed as a limitation upon the additional assessment in the event that any budget originally adopted shall appear to be insufficient to pay costs and expenses of operation and management, or in the event of emergencies.

C. A copy of the proposed annual budget of the Association shall be mailed to the Owners of all units not less than thirty (30) days prior to the meeting of the Board at which the budget will be considered, together with a notice of the time and place of the meeting. Such meeting of the Board shall be open to such Owners. If a budget is adopted by the Board which requires assessment of the Owners in any budget year exceeding one hundred fifteen percent (115%) of such assessments for the preceding year, then upon written application of Owners of units that are responsible for at least ten percent (10%) of all assessments, a special meeting of the Owners shall be held upon not less than ten (10) days' written notice to each Owner, but within thirty (30) days of the delivery of such application of the Board or any member thereof, at which special meeting Owners (by a vote of a majority of the Class A members present and voting) may consider only and enact only a revision of the budget. Any such revision of the budget shall require a vote of not less than fifty-one percent (51%) of the whole number of votes of all Members of the Association.

The Board may in any event first propose a budget to the Owners at any such meeting of Members or by writing, and if such budget or proposed budget be approved by a majority of the whole number of votes of all Members, such budget may not thereafter be reexamined by the Owners in the manner hereinabove set forth.

D. In determining whether assessments exceed one hundred fifteen percent (115%) of similar assessments in the prior budget year, there shall be excluded from the computation reasonable reserves made by the Board in respect of repair and replacement of Common Property, or in respect of anticipated expenses by the Association which are not anticipated to be incurred on a regular or annual basis, and there shall be excluded from such computation, assessments or betterments to the Common Property. Provided, however, that so long as Developer is in control of the Board of Directors the Board shall not impose an assessment for a budget year greater than one hundred fifteen percent (115%) of the prior budget year's assessments without approval of a majority of the whole number of votes of all Class A Members.

E. Upon adoption of budgets, the Board shall cause a written copy thereof to be delivered to each Owner. Assessments shall be made against Owners pursuant to procedures established by the Board, and in accordance with terms of the Declaration and the Articles. Owners shall be liable to pay assessments not less often than quarterly. Provided, however, that the lien or lien rights of the Association shall not be impaired by failure to comply with procedures established pursuant to these Bylaws.

F. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Board in which all monies of the Association shall be deposited. Withdrawal of monies from such bank(s) shall be only by checks signed by such persons as are designated by the Board.

G. An accounting of the accounts of the Association shall be made annually by a certified public accountant, and a copy of the report shall be mailed or furnished by personal delivery to each Member not later than April 1 of the year following the year for which the report is made. The report shall show the amounts of receipts by accounts and receipt classifications and shall show the amounts of expenses by accounts and expense classifications.

VIII. PARLIAMENTARY RULES.

Roberts' Rules of Order (latest edition) shall govern the conduct of Association proceedings when not in conflict with the Articles, these Bylaws or the laws of Florida.

IX. AMENDMENTS TO BYLAWS.

Amendments to these Bylaws may be proposed and adopted in the following manner:

A. Amendments to these Bylaws may be proposed by the Board, acting upon vote of a majority of the Directors, or by Members owning twenty five percent (25%) of the units subject to the Declaration whether meeting as Members or by instrument in writing signed by them.

B. Upon any amendment or amendments to these Bylaws being proposed by the Board or Members, such proposed amendment or amendments shall be transmitted to the President of the Association, or acting Chief Executive Officer in the absence of the President, who shall thereupon call a special meeting of the Members for a date not sooner than twenty (20) days or later than sixty (60) days from receipt by such officer of the proposed amendment or amendments, and it shall be the duty of the Secretary to give each Member written or printed notice of such meeting in the same form and in the same manner as notice of the call of a special meeting of the Members is required as herein set forth; provided, that proposed amendments to the Bylaws may be considered and voted upon at annual meetings of the Members.

C. In order for such amendment or amendments to become effective, the same must be approved by an affirmative vote of Members of the Association. Thereupon, such amendment or amendments to these Bylaws shall be transcribed, certified by the President and Secretary of the Association, and a copy thereof shall be recorded in the public records of St. Johns County, Florida, within thirty (30) days from the date on which any amendment or amendments have been affirmatively approved by the Members.

D. At any meeting held to consider such amendment or amendments to these Bylaws, the written vote of any Member shall be recognized if such Member is not present at such meeting in person or by proxy, provided such written vote is delivered to the Secretary at or prior to such meeting.

E. Notwithstanding the foregoing provisions of this Article IX, no amendment to these Bylaws which shall abridge, amend and/or alter the right of the Developer to designate a majority of the members of each Board of Directors of the Association, as provided in the Articles, may be adopted or become effective without the prior written consent of Developer.

X. RULES AND REGULATIONS.

Rules and Regulations governing the use of the units and the Common Property and Restricted Common Property of the Association and the conduct of Owners, occupants and guests shall be adopted in the following manner:

A. **Initial Rules and Regulations.** At its first meeting the Board of Directors of the Association (all of whom shall have been designated by Developer in accordance with the Articles of Incorporation and these Bylaws) shall adopt an initial set of Rules and Regulations, which, after adoption, shall be annexed to these Bylaws in the form of an exhibit.

B. **Amendment to Rules and Regulations.** The Board of Directors may from time to time, by majority vote at a duly called meeting of the Board, modify, amend, add to, or detract from the Rules and Regulations. All changes to the Rules and Regulations made by the Board

shall be mailed by first class mail to each Owner not less than thirty (30) days prior to the effective date of the change. No modification, amendment, addition or detracting to the Rules and Regulations may be adopted by the Board if it would conflict with a provision of the Declaration.

C. **Enforcement of Rules and Regulations.** All violations of Rules and Regulations or of any provisions of the Declaration, Articles and/or Bylaws shall be reported immediately to a member of the Board of Directors, an Association officer and/or the management agent. Disagreements concerning violations, including, but not limited to, disagreements regarding the proper interpretation and effect of Rules and Regulations or other provisions of the Declaration shall be presented to and determined by the Board of Directors of the Association, whose interpretation and/or whose remedial action shall be dispositive. In the event that any person, firm or entity subject to the Rules and Regulations, or other provisions of the Declaration, fails to abide by them, as they are interpreted by the Board of Directors, they shall be liable to be fined by the Association for each such failure to comply or other violation. Such fine shall be collected by the Association and shall be an asset of the Association. If the Board of Directors of the Association deems it necessary, it may seek all available remedies and may bring action at law or in equity to enforce the Rules and Regulations, or other provisions of the Declaration including the provision herein for fines. In the event any such action is instituted, and reduced to judgment in favor of the Association, the Association shall in addition be entitled to recover its costs and attorneys' fees, at the trial level and at all levels of appeal.
