Developer desires to maintain the beauty of the Property, to assure high-quality standards for the enjoyment of the Property, and to promote the health, safety and social welfare of each owner of a portion of the Property. To provide for the preservation, enhancement and maintenance of the Property and the improvements thereon, Declarant desires to subject the Property to the covenants, restriction, easements, charges and liens of this Declaration, each and all of which is and are for the benefit of the Property and each owner of a portion thereof.

D. To provide for the efficient management of the Property, Developer deems it is desirable to create a nonprofit association. The Deerfield Trace Community, Inc., shall own, operate, maintain and administer all of the common areas within the Property and administer and enforce the covenants, conditions, restrictions and limitations hereinafter set forth. Section 1. The real property which is and shall be held, transferred, sold conveyed and occupied subject to this Declaration consists of that land lying in St. Johns County, Florida, which has been more particularly described in Exhibit "A" hereto.

Section 2. No Parcel upon which a house has been constructed shall be further subdivided or separated into smaller Parcels by any Owner; provided that this shall not prohibit corrective deeds, or similar corrective instruments. Developer shall have the right to modify the subdivision plan of the property if the majority of the Owners to whom Parcels from such plan have been conveyed consent to such modification, which consent shall not be unreasonably withheld.

ARTICLE III

OWNERSHIP AND MEMBERSHIP

Section 1. A Parcel may be owned by one or more natural persons or an entity other than a natural person.

Section 2. Every Owner shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from title to any Parcel except as provided for herein.

Section 3. The Association shall have two classes of voting membership:

(a) Class A. Class A Members shall be all Owners with the exception of Developer while the Developer is a Class B Member. Class A Members shall be entitled to one vote for each Parcel owned. When more than one person holds an interest in any Parcel, other than as security for the performance of an obligation, all such persons shall be Members. The vote for such parcel shall be exercised as they, between themselves, determine, by written designation to the Association, but in no event shall more than one vote be cast with respect to any Parcel. The vote appurtenant to any Parcel shall be suspended in the event that, and for as long as, more than one member holding an interest in that Parcel lawfully seeks to exercise it.

(b) Class B. Class B Members shall be the Developer, who shall be entitled to the number of votes equal to the number of votes held by all Class A Members, plus one. The Class B membership shall cease when the Developer has conveyed over one hundred percent (100%) of the Parcels within the Property or when the Developer, in his sole discretion, elects to terminate its Class B membership, whichever shall occur first. Upon the termination of its Class B membership, the Developer shall be a Class A Member so long as he owns any Parcels.

ARTICLE IV

OWNERS'S RIGHTS

Section 1. Every Owner shall have a right and easement of enjoyment in and to the Common Area, which will be appurtenant to and shall pass with title to every Parcel, subject to the provisions of the Association Articles of Incorporation, Bylaws, Rules and Regulations and the following provisions:

(a) The right of the Association to charge assessments and other fees for the maintenance and security of the Common Areas and the facilities and services provided Owners as described herein.

(b) The right of the Association to adopt rules and regulations governing the manner and extent of use of the Common Areas and the personal conduct of the Members of the Association and their guests thereon.

(c) The right of the Association to dedicate or transfer all or any part of the Common Areas, to any public agency, authority or utility (public or private) for such purposes and subject to such conditions as may be agreed upon by the Members of the Association.

(d) The right of the Association to mortgage any or all of the facilities constructed on its property for the purpose of improvements or repair to such property of facilities at a regular meeting of the Association or at a special meeting called for this purpose.

(e) The right of Developer or the Association to grant and reserve easements and rights-of-way through, under, over and across the Common Areas, including the right to grant easements for ingress and egress to members of the general public.

(f) The right of Developer or the Association to acquire, extend, terminate or abandon easements.

(g) The right of the Association to suspend the voting rights and right to use of any recreational facilities, if any, as to any Owner for any period during which any assessment against such Owner's Parcel remained unpaid and for a

period not to exceed 60 days for any infraction of the Association's published rules and regulations.

Section 2. Any Owner may assign his right of enjoyment to the Common Areas and facilities thereon to his tenant who resides on his Parcel, subject to the provisions of the Declaration and the Association Articles of Incorporation, Bylaws and Rules and Regulations.

Section 3. In the event any Common Areas, facilities or personal property of the Association or of Developer are damaged or destroyed by an Owner or any of his Guests, tenants, licensees, agents, employees or members of his Family as a result of negligence or intentional acts, such Owner shall authorize the Association to repair the damage. Such repairs will be performed in a good workmanlike manner in conformance with the original plans and specifications for the area involved or as the area may have been modified or altered subsequently by the Association. The amount necessary for such repairs shall be the responsibility of such Owner and shall become a Parcel Assessment.

ARTICLE V

ASSOCIATION

Section 1. The duties and powers of the Association shall be those provided for by law or set forth in this Declaration, the Association's Articles of Incorporation, the Bylaws, promulgated Rules and Regulations, together with those duties and powers which may be reasonably implied to effect the purposes of the Association. Without limiting the generality of the foregoing, the Association may take such measures and perform such services which in the judgment of the Board of Directors are necessary or desirable to enforce the covenants, conditions restrictions and limitations set forth in the Declaration: operate, maintain and administer all Common Areas and Islands and Roundabouts, signs, associated landscaping and irrigation systems within the Property, administer and enforce the easements provided for in this Declaration; and collect and disburse the assessments created in this Declaration.

Section 2. It shall be the obligation of each Owner to maintain his Parcel in a neat, clean and attractive condition. This is imperative. In the event an Owner fails to do so, the Association shall have the right to clean up the Parcel, cut weeds and

do such things as it may deem necessary and appropriate. The costs incurred by the Association for such Parcel maintenance shall be a Parcel Assessment.

Section 3. Except as provided for herein, the Association is not responsible for any exterior maintenance of Houses, including but not limited to, glass surfaces on doors, screens and screen doors, exterior doors and window fixtures, terraces, patio and deck improvements or roofs.

Section 4. The Association may employ or contract with one or more third parties for the performance of all or any portion of the Association's management, maintenance and repair activities, as the Association Board of Directors may choose. The Association shall be billed by its independent contractors, and the cost therefor shall be included within the General Assessment or Parcel Assessment, as the case may be.

Section 5. The Association may establish security procedures for the Property. Such procedures may be adopted and from time to time and changed by the Association as the Association Board of Directors chooses in its discretion. Security procedures adopted and provided by the Developer or the Association may be in conjunction with other associations representing property owners. No representation, warranty, or guarantee is made, nor assurance given, that the security systems or procedures for the Property will prevent personal injury or damage or loss of property. Neither the Developer nor the Association nor its Board of Directors or other agents shall be liable or responsible for any personal injury for any loss or damage to property which may occur within the Property, whether or not it is due to the failure of the security system and procedures adopted from time to time.

ARTICLE VI

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. All assessments and fines (referred to collectively in this Article as "charges") together with interest and costs of collection when delinquent, shall be a charge on the land and shall be a continuing lien upon the Parcel against which the charges are made, and shall also be the personal obligation of the person or entity who is the Owner of such Parcel at the time when the charges were levied, and of each subsequent Owner. Each Owner of a Parcel, by acceptance of a deed or other transfer document therefor, whether or not it shall be so expressed in such deed or transfer document, is deemed to covenant and agree to pay the Association the charges established or described in this Article and in the Association Articles of incorporation and Bylaws. No diminution or abatement of any charges shall be allowed by reason of any alleged failure of the Association to perform such function required of it, or any alleged negligent or wrongful acts of the Association, or its officers, agents and employees, or the nonuse by the Owner of any or all of the Common Areas, the obligation to pay such charges being a separate and independent covenant by each Owner.

Section 2. Each Parcel within the Property is subject to an Annual General Assessment by the Association for the improvement, maintenance and operation of the Property, including the management and administration of the Association and the furnishing of services as set forth in this Declaration. Such General Assessments must be allocated equally on a per Parcel basis. As further described in this Article, the Board of Directors of the Association by a majority vote shall set the Annual General Assessments at a level sufficient to meet the Association's obligations. The Association Board of Directors shall have the right, power and authority, during any fiscal year, to increase the Annual General Assessment for the purpose of meeting its expenses and operating costs on a current basis. The Association Board of Directors shall set the date or dates that the Assessments shall become due, and may provide for collection of Assessments annually or in monthly, quarterly or semi-annual installments; provided, however, that upon a default in the payment of any one or more installments, the entire balance of the yearly Assessment may be accelerated at the option of the Association Board of Directors and be declared due and payable in full.

Section 3

(a) In addition to Annual General Assessments authorized above, the Association may levy in any assessment year a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, provided that such assessments shall have been properly authorized pursuant to the terms of the Association Articles of Incorporation and Bylaws.

(b) In addition, the Association may levy an Emergency Assessment at any time by a majority vote of the Association Board of Directors, for the purpose of defraying, in whole or in part, the cost of any unusual or emergency matters that affect the Common Areas, and such Emergency Assessment shall be due and payable at the time and in the manner specified by the Association Board of Directors.

Section 4. In addition to the Assessments authorized above, the Association may levy in any assessment year a Parcel Assessment against a particular Parcel for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the specific Parcel, or any other maintenance or special services provided to such Parcel or its Owner, the cost of which is not included in the General Assessment.

Section 5. The initial Assessment on any Parcel subject to assessment shall be collected at the time title to such Parcel is conveyed to the Owner by the Developer. During the initial year of ownership, each Owner shall be responsible for the prorata share of the General or Special Assessments charged to that Owner's Parcel, prorated to the date of closing based upon a thirty-day month.

Section 6.

(a) Any charges not paid within fifteen (15) days after the due date shall be subject to a late fee as determined from time to time by the Association Board of Directors and shall bear interest at a rate of eighteen percent (18%) per annum until paid.

(b) All charges against any Parcel pursuant to this Declaration, together with such late fee, interest thereon, and cost of collection thereof (including reasonable attorney's fees, whether suit is filed or not), shall become a

lien on such Parcel. The Association may bring an action at law against the Owner personally obligated to pay the same, foreclose the lien against the Parcel, or both. Costs and reasonable attorney's fees incurred in any such action shall be awarded to the prevailing party. The lien provided for in this Section shall be in favor of the Association. The Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Parcel foreclosed at such foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

(c) Each Owner, by acquisition of an interest in a Parcel, hereby expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid by all methods available for the enforcement of such liens, including foreclosures, by an action brought in the name of the Association, in a like manner as a mortgage lien on real property, and such Owner hereby expressly grants to the Association a power of sale in connection with such lien. No Owner may waive or otherwise escape liability for the charges provided for herein by abandonment of his Parcel.

Section 7. The Treasurer of the Association, upon demand of any Owner liable for charges and for a reasonable charge, shall furnish to such Owner a certificate in writing signed by such Treasurer, setting forth whether such charges have been made.

Section 8. Budget.

(a) The fiscal year of the Association shall consist of a twelve-month period commencing on January 1 of each year and terminating on December 31 of the year.

(b) Developer shall determine the Association budget for the fiscal year in which a Parcel is first assessed its fractional share of the Annual General Assessment.

(c) Pursuant to the Association Articles of Incorporation and Bylaws, the Association Board of Directors shall adopt a budget for each succeeding year containing an estimate of the total amount which they consider necessary to pay the cost of all expenses to be incurred by the Association, to carry out its responsibilities and obligations including, without limitation, the cost of wages, materials, insurance premiums, services, supplies and other expenses needed to render the services specified hereunder. Such budget shall also include such reasonable amounts as

the Association Board of Directors consider necessary to provide working capital and to provide for a general operating reserve and reserves for contingencies and replacements. The Association Board of Directors shall send each of its Members a copy of the budget, in a reasonably itemized form which sets forth the amount of the Assessments payable by each of its Members. Each budget shall constitute the basis for determining each Owner's General Assessment as provided herein.

(d) The failure or delay of the Association Board of Directors to prepare or adopt the annual budget or adjusted budget for any fiscal year shall not constitute a waiver or release in any manner of any Owner's obligation to pay his Assessment as herein provided, whenever the same shall be determined. In the absence of an annual budget or adjusted budget, each Owner shall continue to pay the Assessment at the then existing rate established for the previous fiscal period in the manner such payment was previously due until notified otherwise.

Section 9. The following property subject to this Declaration shall be exempted from the Assessments and liens created herein:

(a) All properties dedicated to and accepted by a governmental body, agency or authority;

(b) All Common Areas, including but not limited to, Wetlands and Wetlands Buffer;

(c) All properties owned by any charitable or nonprofit organization exempt from taxation under the laws of the State of Florida, except any such property occupied as a residence; and

(d) All properties owned by the Developer so long as such property is not being occupied for business or residential purposes. The Developer may assign this exemption right to any entity which acquires two or more Parcels for construction and resale purposes. Such an assignment shall have no effect on the Developer's exemption hereunder.

Section 10. In the event the Common Areas owned by the Association are taxed separately from the Parcels deeded to Owners, the association shall include such taxes as a part of the budget. In the event the Common Areas owned by the Association are taxed as a component of the value of the Parcel owned by each Owner, it shall be the obligation of each Owner to timely pay such taxes.

Section 11. At Closing, Owners shall make a contribution to the working capital of the Association in the amount of Four Hundred and No/100 Dollars (\$400.00). The working capital contribution will be placed in the general fund of the Association and may be used to fund deficits in the annual budget.

ARTICLE VII

ARCHITECTURAL CONTROL

Section 1. In order to preserve the beauty and aesthetic design of the Development and to promote the value of the Development, the Property is hereby made subject to the following restrictions in this Article VII, and every Parcel Owner agrees to be bound hereby.

Section 2. The Developer shall establish the Design Review Board (the "DRB"), which shall consist of up to three (3) members who may or may not be members of the Board of Directors, provided that prior to the termination of Developer's right to appoint and remove officers and directors of the Association, Developer reserves the right to appoint a majority of the members of the DRB, which appointees do not have to be Owners. Each DRB member shall be appointed for a one (1) year term commencing with the fiscal year of the Association and may be removed, with or without cause, by the Board of Directors at any time by written notice, with successors appointed to fill such vacancy for the remainder of the term of the former member, provided that only Developer shall have the right to remove DRB members which Developer has appointed. The DRB shall meet at least monthly at such places as may be designated by the Chairman of the DRB. One (1) member shall constitute a quorum for the transaction of business, and the affirmative vote of the majority of those present in person or by proxy shall constitute the action of the DRB on any matter before it. The DRB is authorized to retain the services of consulting architects, landscape architects, urban designers, engineers, inspectors, contractors and/or attorneys in order to advise and assist the DRB in performing its functions as set forth herein.

Section 3. No construction, modification, alteration or other improvement of any nature whatsoever, except for interior alterations not affecting the external structure or appearance of any House, shall be undertaken on any Parcel unless and until a plan of such construction or alteration shall have been approved in writing by the DRB. Modifications subject to DRB approval specifically include, but are not limited to, painting or other alteration of a House (including doors, windows and roof); installation of solar panels or other devices; construction of fountains, swimming pools, whirlpools or other pools; construction of fences; additions of

awnings, shutters, gates, flower boxes, shelves, statutes or other outdoor ornamentation; installation of patterned or brightly colored internal window treatments; any alterations of the landscaping or topography of the Parcel, including without limitation planting or removal of trees in excess of six (6) inches in diameter at three (3) feet height; planting or removal of plants; creation or alteration of lakes, marshes, hammocks, lagoons or similar features of the Property; and all other modification, alterations or improvements visible from Common Areas or other Parcels. This Article shall not apply to any portion of the Property while it is being utilized by a governmental entity or being developed by the Developer.

Section 4.

(a) The DRB shall establish design and construction standards for all construction, other improvements and landscaping to which this Article applies, and uniform procedures for the review of the applications submitted to it. The standards and procedures shall be published in writing and made available to all Owners and Builders. It shall be the responsibility of each Owner to obtain a copy of the standards and procedures prior to commencement of the design process of the House or other improvements, and to deliver a copy thereof to the Owner's building architect, contractor, and/or landscape designer, as the case may be.

(b) The plans to be submitted to the DRB for approval shall include (i) two (2) copies of the construction plans and specifications, including all proposed landscaping, (ii) an elevation or rendering of all improvements, (iii) such other items as the DRB may deem appropriate. One (1) copy of such plans, specifications and related data so submitted shall be retained in the records of the DRB, and the other copy shall be returned to the Owner marked "Approved" or "Disapproved".

(c) Approval shall be granted or denied by the DRB based upon compliance with the provisions of this Declaration, the quality of workmanship and materials, harmony of external design with surrounding structures, the DRB's design and construction standards in effect from time to time, the effect of the improvements on the appearance from surrounding areas, and all other factors, including purely esthetic considerations which, in the sole opinion of the DRB, will affect the desirability or suitability of the construction. The DRB shall have the sole discretion to determine whether plans and specifications submitted for approval are acceptable. Following approval of any plans and specifications by the DRB representatives of the DRB shall have the right during reasonable hours to enter upon and inspect any Parcel and House, or other improvements, with respect to its construction as underway to determine whether or not the plans and specifications

therefor have been approved and are being complied with. In the event the DRB shall determine that such plans and specifications have not been approved or are not being complied with, the DRB in its own name, or in the name of the Association, or any Owner, shall be entitled to enjoin further construction and to require the removal or correction of any work in place which does not comply with approved plans and specifications.

(d) Approval or disapproval of the applications shall be given to the applicant in writing by the DRB in accordance with its procedures. In the event that the approval or disapproval is not forthcoming within forty-five (45) days after complete submittal has been made to the DRB fully in accord with its published procedures or specific requests, unless an extension is agreed to by the applicant, the application shall be deemed approved and the construction of the improvements applied for may be commenced, provided that all such construction is in accordance with the submitted plans, and provided further that such plans conform in all respects to the other terms and provisions of this Declaration, and the DRB's design and construction standards.

(e) After approval by the DRB, the proposed improvements must be substantially commenced within twelve (12) months, or approval must once again be obtained from the DRB as provided herein. Once commenced, the construction must proceed diligently.

Section 5. Any Owner may appeal an adverse decision of the DRB to the Board of Directors, who may reverse or modify the decision of the DRB by the majority vote of the Directors.

Section 6. No approval of plans and specifications and no publication of architectural standards shall be construed as representing or implying that such plans, specifications or standards will, if followed, result in properly designed improvements. Such approvals and standards shall in no event be construed as representing or guaranteeing that any House or other improvement built in accordance therewith will be built in accordance with applicable building codes or other governmental requirements or in a good and workmanlike manner. Neither Developer, the Association nor the DRB shall be responsible or liable for any defects in any plans or specifications submitted, revised or approved pursuant to the terms of this Article, nor any defects in construction undertaken pursuant to such plans and specifications.

ARTICLE VIII

USE OF PROPERTY

Section 1. In order to preserve the Property as a desirable place to live for all Owners, the following protective covenants are made a part of this Declaration:

(a) Nothing shall be erected, constructed, planted or otherwise place on a parcel in such position so as to create a hazard upon or block the vision of motorists upon any of the Common Roads. No modification, alteration or improvement shall interfere with those easements or other rights set forth in this Declaration.

(b) All Houses constructed on Parcels shall have full stucco, brick or hardee board lap siding and architectural shingles, shall have a minimum of 1,600 square feet of heated and air conditioned living space, as well as a two (2) car garage. All garages must have doors, which shall be maintained in useful condition and shall be kept closed when not in use. Carports will not be permitted. Fences shall be six foot (6') shadowbox fencing to be erected only as far as the rear of the house. Roof pitch no less than 5/12.

(c) Each House shall be located on the Parcel in the following manner:

1. not nearer than twenty-five feet (25') from the front Parcel line;
2. not nearer than ten feet (10') from the rear Parcel line;
3. not nearer than ten feet (10') to any side Parcel line;
4. no building shall be located closer than 10 feet from any existing building on the same Parcel, nor closer than 20 feet from any existing building on any adjoining Parcel. the Declarant shall be empowered to issue a variance in regard to the above measurements as it may deem prudent, and the Declarant may assign such power.

(d) All garbage receptacles, fuel tanks, gas and electric meters, air conditioning equipment, and materials, supplies, and equipment which are stored outside must be placed or stored in such a way to conceal them from view from

Common Roads and adjacent properties. Any such visual barrier may consist of either fencing or landscaping and planting which is approved by the DRB in accordance with the terms of this Article.

(e) Each Parcel not owned by Developer shall be used, improved and devoted exclusively to residential use by one Family. No use of Parcels which will require any occupational license shall be permitted. An owner may not lease his home for a term of less than six (6) consecutive months. Nothing herein shall be deemed to prevent the Owner from leasing his home for a term of not less than six (6) consecutive months, subject to the provisions of the Association Articles, Bylaws and rules and regulations and this Declaration, as they may be amended from time to time. The Board of Directors may evict tenants upon reasonable notice for a major violation, or repeated minor violations, of the provisions of the Association Articles, Bylaws and rules and regulations or this Declaration.

(f) No nuisance shall be permitted to exist or operate on any Parcel or Common Area so as to be detrimental to any other Parcel in the vicinity thereof, or to its occupants, or to the Common Areas.

(g) No immoral, improper, offensive or unlawful use shall be made of the Property or any part thereof. All laws, zoning ordinances, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the Owner or the Association, whichever shall have the obligation to maintain and repair such portion of the Property. No waste will be committed in the Common Areas.

(h) Nothing shall be done or kept on any Parcel or in the Common Areas which will increase the rate of insurance for the Property or any other Parcel, or the contents thereof, without the prior written consent of the Association. No Owner shall permit anything to be done or kept on his Parcel or in the Common Areas which will result in the cancellation of insurance on the Property or any other Parcel, of the contents thereof, or which will be in violation of the law.

(i) Owners shall allow the Board of Directors or the agents and employees of the Association to enter any Parcel for the purpose of maintenance, inspection, repair, replacement of the improvements within the yards or, in the case of emergency, for any purpose, or to determine compliance with this Declaration.

(j) Pets of the customary household variety, such as cats, dogs, pet birds and fish may be kept by an Owner of his Parcel, but only if such pets do not cause a disturbance or annoyance on the Property and are not raised for any commercial use. All pets must be held or kept leashed at all times if they are in the Common Areas, and pet owners shall immediately collect and properly dispose of the waste and litter of their pets. The Association reserves the right to limit those parts of the Common Areas where pets may be walked and to make reasonable rules and regulations restricting the number and type of pets that may be kept on any Parcel. The Association reserves the right to demand that an Owner remove such pet from the Property if such pet is found to be a nuisance or is in violation of this Declaration.

(k) Except as may be required by legal proceedings, no sign, advertisement or notice of any type or nature whatsoever may be erected or displayed upon any Parcel, House, Common Area or Yard or from any window, unless express prior written approval of the size, shape, content and location has been obtained from the Board of Directors which approval may be withheld in its discretion. Notwithstanding the foregoing, the Developer shall be permitted to post and display advertising signs on the Property and the Association Board of Directors may erect reasonable and appropriate signs on any portion of the Common Areas.

(l) No obstruction or visibility of street intersections shall be permitted. The DRB shall have the right to adopt additional restrictions concerning the height and type of trees and shrubs within any of the Parcels.

(m) No clothesline, or other clothes drying facility, shall be permitted in the Common Areas, Yards or any area of the Property wherein the same may be visible from any Common Road or any other Parcel.

(n) All garbage and trash containers must be placed and maintained in accordance with Association rules and regulations. No garbage or trash shall be placed anywhere except as aforesaid and no portion of the Property shall be used for dumping refuse.

(o) No exterior radio or television antenna, satellite dish or other receiver or transmitting device larger than one meter in diameter or any similar exterior or structure or apparatus may be erected or maintained on any Parcel. All such devices are to be adequately screened from view by passing motorists and neighbors.

(p) Air conditioning units shall be shielded and hidden so that they are not readily visible from the Common Areas or adjacent Parcels. No window air conditioning units shall be installed in any House.
