Such combination of Units as set forth in this paragraph shall not require an amendment to the Declaration.

3.3 **Survey and Plot Plan.** A survey and plot plan of the Lands comprising the Condominium identifying and locating the Units, Common Elements, and improvements thereon is attached hereto as Exhibit D. 4.1.3(b) Those surfaces above the undecorated finished ceilings of each unit; and

4.1.3(c) Those surfaces below the undecorated finished floor of each unit;

and shall exclude all pipes, ducts, wires, conduits and other utilities running through any interior wall or partition for the furnishing of utility services to other units or the Common Elements.

4.1.4 Patios and Walkways. Appurtenant to each Unit are front and rear patios and a walkway as indicated on Exhibit D. The boundaries of the patios and walkways shall be the area of the unfinished concrete floor. Each patio and walkway is a Limited Common Element for the exclusive use of the Owner of the Unit to which it is appurtenant. Maintenance of the patio and walkway shall be borne by the Owner of the Unit to which the patio and walkway is appurtenant. No Unit Owner shall paint, tile, carpet, or otherwise decorate or change the appearance of any portion of his patio or walkway.

4.2 Common Elements. The Common Elements of the Condominium consist of:

4.2.1. All portions of the Condominium building contributing to the support of the building, which portions include, but are not limited to, the outside walls of the building and all fixtures on its exterior; those portions of boundary walls not a part of a Unit; floor and ceiling slabs; load-bearing columns; and load-bearing walls; and

4.2.3. The fences, parking areas and driveways.

The Common Elements shall include easements through the Units for conduits, pipes, ducts, plumbing, wiring and other facilities for the furnishing of utility services to the Units, Limited Common Elements, and Common Elements and

easements of support in every portion of a Unit which contributes to the support of improvements.

4.3 Limited Common Elements. The Limited Common Elements are as shown on Exhibit D and as described in Sections 4.1.4 and 8.2.1. Additionally, the Developer shall assign to each Unit one (1) parking space in the parking area depicted on Exhibit D, which shall be a Limited Common Element appurtenant to such Unit. There shall pass with a Unit, as an appurtenance thereto, the exclusive right to use the Limited Common Elements so appurtenant. Notwithstanding the foregoing, the Developer or, after turnover of control of the Association, the Association, shall have the right but not the obligation to re-assign parking spaces as necessary to accommodate disabled Unit Owners.

5. OWNERSHIP.

5.1 Type of Ownership. Ownership of each Condominium Parcel may be in fee simple or in any other estate in real property recognized by law and subject to this Declaration.

5.2 Association Membership. The Owners of record of Units shall be members of the Moultrie Lakes Condominium Association, Inc. as more fully set forth in Section 11.

5.3 Unit Owner's Rights. The Owner of a Unit is entitled to the exclusive possession of his Unit. The space within any of the Units shall not be further subdivided. The Unit Owner shall be entitled to use the Common Elements and Limited Common Elements in accordance with the purposes for which they are intended, but no such use shall hinder or encroach upon the lawful rights of Owners of other Units. There shall be a joint use of the Common Elements, and a joint mutual easement for that purpose is hereby created. Each Unit Owner shall take title to his Condominium Parcel subject to the non-exclusive easements specified in Section 10 and to a non-exclusive easement reserved by the Developer over and across the Common Elements for ingress and egress, drainage, and installation of utilities.

5.4 Register of Owners. The Association shall at all times maintain a register setting forth the names of all Owners of Units and all holders, insurers, and guarantors of mortgages on Units who have notified the Association in writing of their names and addresses.

5.5 Time Share Prohibited. There are no time share estates created by this Declaration of Condominium nor will any be created in the Condominium.

6. RESTRAINT UPON SEPARATION AND PARTITION OF COMMON ELEMENTS. The fee title to each Condominium Parcel shall include both the Condominium Unit and an undivided interest in the Common Elements; said undivided interest in the Common Elements is deemed to be conveyed or encumbered with its entire respective Condominium Unit, even though the description in the instrument of conveyance may refer only to the fee title to the Condominium Unit or a portion of the space within a Unit. The share in the Common Elements appurtenant to a Unit cannot be conveyed or encumbered except together with the Unit. Any attempt to separate or any action to partition the fee title to a Condominium Unit from the undivided interest in the Common Elements appurtenant to such Unit shall be null and void.

7. PERCENTAGE OF OWNERSHIP OF COMMON ELEMENTS AND LIABILITY FOR COMMON EXPENSES. Each Unit Owner in the Condominium shall own an undivided one-eighty eighth (1/88) share in the Common Elements and Common Surplus of the Condominium, and shall own an undivided one-eighty eighth (1/88) liability for the Common Expenses of the Condominium.

8. MAINTENANCE, ALTERATIONS AND IMPROVEMENTS. Responsibility for the maintenance of the Condominium Property and restrictions upon its alterations and improvements shall be as follows:

8.1 Common Elements. The Association shall operate, maintain, repair, and replace the Common Elements of the Condominium except those Limited Common Elements for which the Unit Owner is responsible for maintenance pursuant to Section 4.1.4. Such operation, maintenance, repair, and replacement shall be a Common Expense and shall be charged to the owners of Units in the Condominium.

8.2 Units. The Unit Owner shall maintain, repair, and replace at his expense:

8.2.1 His Unit, its equipment and appurtenances, including all windows and all exterior doors (including sliding glass doors); all air conditioning and heating equipment, fans, and other appliances and equipment (including pipes, wiring, ducts, fixtures and their connections required to provide water, light, power, air conditioning and heating, telephone, sewage and sanitary service to his Unit) which now or may hereafter be situated in his Unit; and air conditioning equipment serving his Unit, even if such equipment is not located within his Unit; and the portions of the patios and walkways appurtenant to his Unit as set forth in Section 4.1.4 (all of which items shall be considered Limited Common Elements and not Common Elements to be maintained by the Association);

8.2.2 Any and all walls, ceilings and floor interior surfaces, painting, decorating and furnishings, and all other accessories which such Owner places or maintains in his Unit; and

8.2.3 Plumbing and electrical fixtures and equipment located within a Unit and exclusively servicing a Unit.

The Owner shall promptly perform all maintenance and repair work within the Unit which, if omitted, would affect the Condominium or any part thereof and shall be expressly responsible for the damages and liability resulting from his failure to do so. The Owner shall promptly report to the Association any defect or need for repairs for which the Association is responsible.

8.3 Alteration and Improvement. Except as elsewhere reserved to the Developer, neither a Unit Owner nor the Association shall make any additions or alterations to or remove any portion of a Unit that is to be maintained by the Association, or do anything that would jeopardize the safety or soundness of the building or impair any easement without obtaining the written approval of the Owners of all Units in the building, the Board of Administration and, unless all of the Units held by Developer for sale in the normal course of business have been sold and closed, the Developer. A Unit Owner may not paint or otherwise decorate or change the appearance of any portion of the exterior of the Condominium building or the Condominium Property. The Association shall determine the exterior color scheme of all buildings in the Condominium and shall be responsible for the maintenance thereof.

8.4 Enforcement of Maintenance. The Association shall have the irrevocable right of access to each Unit during reasonable hours when necessary for the maintenance, repair, or replacement of any Common Elements or of any Common Elements or of any portion of a Unit to be maintained by the Association pursuant to this Declaration or as necessary to prevent damage to the Common Elements or to a Unit or Units.

The Association shall have the right to take any and all such steps as may be necessary to maintain, repair or replace such Common Elements or to prevent such damage including, but not limited to, entering the subject Unit with or without the consent of the Unit Owner and repairing or maintaining any item requiring same. Alternatively, the Association or an Owner with an interest in any Unit shall have the right to proceed in a court of equity to seek compliance with the provisions hereof. Such Unit Owner shall be responsible for all expenses incurred in remedying a violation of this section.

8.5 Limitation Upon Liability of Association. Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners or their tenants, guests or invitees for injury or damage, other than the cost of maintenance and repair, caused by any latent condition of the property to be maintained and repaired by the Association, or caused by the elements or other Owners or persons.

9. USE OF CONDOMINIUM PROPERTY. The use of the Condominium Property shall be in accordance with the following provisions:

9.1 Units.

9.1.1 Occupancy. Each of the Units shall be occupied only by the Owner or Owners, and their immediate family members, guests, and invitees.

9.1.2 Rental. The Unit may be rented, provided the occupancy is only by one (1) lessee and members of his immediate family and guests. The tenant shall have all use rights in the Condominium Property and those Common Elements otherwise readily available for use generally by Unit Owners and the Unit Owner shall not have such rights except as a guest, unless such rights are waived in writing by the tenant. Nothing in this subsection shall interfere with the access rights of the Unit Owner as landlord set forth in Chapter 83, Florida Statutes. The Association shall have the right to adopt rules to prohibit dual usage of Condominium Property and Common Elements by a Unit Owner and his lessee. No rooms may be rented and no transient tenants may be accommodated. No lease of a Unit shall release or discharge the Owner thereof of compliance with this Section or any of his other duties as a Unit Owner. Time sharing of Units is prohibited. Ownership of a Unit on a monthly or weekly time sharing program is prohibited. Subleasing of Units is prohibited. All leases shall be in writing and shall be subject to this Declaration, the Articles of Incorporation, By-Laws, and the Rules and Regulations of the Association.

9.1.3 Nuisances. No nuisances nor any use or practice that is the source of annoyance to residents or which interferes with the peaceful possession and proper use of the property by its residents shall be allowed to be committed or maintained on the Condominium Property. All parts of the Condominium Property shall be kept in a clean and sanitary condition, and no rubbish, refuse, or garbage shall be allowed to accumulate, nor any fire hazard allowed to exist.

9.1.4 Immoral Conduct. No immoral, improper, or offensive use shall be made of the Condominium Property or any part thereof, and all laws, zoning ordinances, and regulations of all governmental authorities having jurisdiction of the Condominium Property shall be observed.

9.1.5 Rules and Regulations. Reasonable rules and regulations concerning the use of the Condominium Property may be made and amended from time to time by the Association in the manner provided by its Articles of Incorporation and By-Laws. Copies of such rules and regulations and amendments thereto shall be furnished by the Association to all Unit Owners upon request.

9.1.6 Signage. No signs, advertisements, or notices of any type shall be displayed from a Unit or on Common Elements and no exterior antennas and aerials or other devices for radio or television transmissions shall be erected on the Common Property or the exterior of any Unit. This subsection shall not apply to the Developer.

9.1.7 Walkways. An Owner shall not place or cause to be placed in the walkways or in or on any other Common Areas, facilities, or Common

Elements, including stairs or stairwells, any furniture, packages, or objects of any kind. Such areas shall be used for no other reason than for normal transit through them.

9.1.8 Parking. No automobile parking space may be used for any purpose other than parking automobiles which are in operating condition. No other vehicles or objects, including, but not limited to, trucks, motorcycles, recreational vehicles, motor homes, trailers, and boats, will be parked or placed upon such portions of the Condominium Property unless permitted by the Board of Administration. No recreational vehicle parking space may be used for any purpose other than parking recreational vehicles which are in operating condition. Overnight camping in these recreational vehicles is prohibited. No parking space or garage shall be used by any other person other than an occupant of the Condominium who is an actual resident or by a guest or visitor and by such guest or visitor only when such guest or visitor is, in fact, visiting and upon the premises.

9.1.9 Pets. No more than two (2) pets shall be allowed to be kept in any Unit. The weight of any pet may not exceed thirty-five (35) pounds. No pet shall be allowed that is dangerous or a nuisance to other Unit Owners. All pets must be kept on a leash while outside the Owner's Unit. Each pet owner shall be responsible for cleaning up after his pet in the Common Areas.

9.1.10 Lighting. No external lighting shall be installed on the Common Property or any Unit without the prior approval of the Board of Administration. No lighting shall be installed which alters the residential character of the Condominium.

9.2 Common Elements and Limited Common Elements. The Common Elements and Limited Common Elements shall be used only for the purpose for which they are intended.

9.3 Nuisances. No nuisance shall be allowed on the Condominium Property nor shall any use or practice which is the source of annoyance to Unit Owners or which interferes with the peaceful possession and residential use of the property by its Owners be permitted. All parts of the Condominium Property shall be kept in clean and sanitary condition and no rubbish, refuse, or garbage shall be allowed to accumulate or any fire hazard allowed to exist. No Unit Owner shall permit any use of his Unit or of the Common Elements which will increase the rate of insurance upon the Condominium Property.

9.4 Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the Condominium Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The party having responsibility for the maintenance and repair of any portion of the Condominium Property shall also be responsible for meeting the requirements of governmental bodies applicable to the maintenance, modification, or repair of that portion of the Condominium Property.

9.5 Additions, Alterations, or Improvements by Association. Whenever in the judgment of the Board of Administration the Condominium Property shall require additions, alterations, or improvements (in addition to the usual items of maintenance), and the making of such additions, alterations, or improvements shall have been approved in writing by a majority of the Unit Owners and the Developer (if the Developer holds one or more Units for sale in the ordinary course of business), the Board of Administration shall proceed with such additions, alterations, or improvements and shall specially assess all Unit Owners for the cost thereof as a Common Expense. The acquisition of property by the Association and material alterations or substantial additions to such property or the Common Elements by the Association shall not be deemed to constitute a material alteration or modification of the appurtenances to the Units.

9.6 Developer's Use of Condominium Property. Until the Developer has closed the sales of all of the Units of this Condominium, neither the Unit Owners nor the Association, nor the use of the Condominium Property by any person or entity, shall interfere with the sales of all Units. The Developer may make such use of the unsold Units and Common Areas as may facilitate such completion and sale, including, but not limited to, maintenance of a sales office, showing of the property, and the display of signs.

9.7 Right of Entry into Unit in Emergencies. In case of an emergency originating in or threatening any Unit, regardless of whether or not the Owner is present at the time of such emergency, the Association shall have an immediate right to enter such Unit for the purpose of remedying or abating the cause of such emergency. To facilitate entry in the event of any such emergency, the Association may require the Owner of each Unit to provide the Association with a key to such Unit.

9.8 Right of Entry for Maintenance of Common Elements. Whenever it is necessary to enter any Unit for the purpose of performing any maintenance, or repair to any portion of the Common Elements, the Owner of each Unit shall permit an agent of the Association to enter such Unit for such purposes, provided that such entry shall be made only at reasonable times and with reasonable advance notice.

10. EASEMENTS. Each of the following easements is a covenant running with the Land of the Condominium and, notwithstanding any of the other provisions of this Declaration, may not be substantially amended or revoked in such a way as to unreasonably interfere with their proper and united use and purpose, and shall survive the termination of the Condominium and the exclusion of any Lands from the Condominium:

10.1 Utilities. As may be required for Utility Services in order to adequately serve the Condominium Property.

10.2 Support. Of support for the benefit of all other Units and Common Elements in the building. Such easement shall burden every portion of a Unit contributing to the support of the Condominium Building or an adjacent Unit.

10.3 Perpetual Non-Exclusive Easement in Common Elements. Over the Common Elements in favor of all of the Owners of Units in the Condominium for their use and the use of their guests for all proper and normal purposes, and for the furnishing of services and facilities for the enjoyment of said Owners. Such easement shall be perpetual and non-exclusive.

10.4 Air Space. For the exclusive use of the air space occupied by a Condominium Unit as it exists at any particular time and as the Unit may lawfully be altered.

10.5 Easements for Encroachments. For encroachments by the perimeter walls, ceilings, and floor surrounding each Unit.

10.6 Easement for Overhangs. For overhanging troughs, gutters, or down spouts and the discharge therefrom of rainwater and the subsequent flow thereof over the Condominium Units or any of them.

10.7 Easements for Access and Utilities. The easements for ingress, egress and utilities depicted on the survey attached as Exhibit D.

In addition to the foregoing easements, the Developer hereby reserves for itself and its assigns a non-exclusive easement for pedestrian and vehicular access and for installation of utilities over and across the walks, drives, streets and parking areas within the Condominium Property and a non-exclusive easement to drain surface water runoff into any future pond within the Condominium Property. Such easements shall be for the benefit of the Condominium Property.

Notwithstanding anything to the contrary contained in this Declaration, the provisions of this section shall not be subject to any amendment until the Developer has sold all of the Units in the Condominium held for sale by Developer in the normal course of business.

11. ASSOCIATION. In order to provide for the proficient and effective administration of the Condominium by the Owners of Units, a non-profit corporation known and designated as Moultrie Lakes Condominium Association, Inc., has been organized under the laws of the State of Florida. This corporation shall operate and manage the Condominium and undertake and perform all acts and duties incident thereto in accordance with the terms, provisions, and conditions of this Declaration of Condominium and the Association's By-Laws and Rules and Regulations as promulgated by the Association from time to time.

11.1 Restraint Upon Assignment of Shares in Assets. The shares of members in the funds and assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as an appurtenance to a Unit.

11.2 Membership. The Developer and all record Owners of all Units in the Condominium shall be members of the Association, and no other persons or entities shall be entitled to membership except for subscribers to the Articles of Incorporation. There shall be one (1) membership for each Unit and, if there is more than one (1) record Owner per Unit, then such membership shall be divided among such Owners in the same manner and proportion as their ownership in the Unit. Membership shall be established by acquisition of ownership of fee title to, or fee interest in, a Condominium Parcel, whether by conveyance, devise, judicial decree, or otherwise, subject to the provisions of this Declaration, and by the recordation in the public records of St. Johns County, Florida, of the deed or other instrument establishing the acquisition and designating the parcel affected thereby. The new Owner designated in such deed or other instrument shall thereupon become a member of the Association and the membership of the prior Owner as to the parcel designated shall be terminated.

11.3 Voting. On all matters as to which the membership shall be entitled to vote, there shall be only one (1) vote for each Unit. Where a Unit is owned by a corporation, partnership or other legal entity or by more than one (1) person, all the Owners thereof shall be collectively entitled to the vote assigned to such Unit and such Owners shall, in writing, designate an individual who shall be entitled to cast the vote on behalf of the Owners of such Unit until such authorization is changed in writing. The term "Owner" as used herein shall be deemed to include the Developer.

12. INSURANCE. At the expense of the owners of Units in the Condominium, the Association shall procure and maintain casualty and liability insurance on the Condominium and insurance or fidelity bonding of all persons who contract or disburse funds of the Association. Such insurance shall be governed by the following provisions:

12.1 Authority to Purchase. All such insurance policies shall be purchased by the Association for the benefit of the Association and the Unit Owners in the Condominium and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates or mortgagee endorsements to the mortgagees of Unit Owners.

12.2 Insurance Trustee. The Association may name as an insured, on behalf of the Association, the Association's authorized representative (the "Insurance Trustee"), who shall have exclusive authority to negotiate losses under any policy providing property or liability insurance and to perform other functions as are necessary to accomplish this purpose.

Each Unit Owner, by acceptance of a deed conveying a Unit in the Condominium, hereby appoints the Association or any Insurance Trustee designated by the Association as attorney-in-fact for the purpose of purchasing and maintaining such insurance, collecting and disposing of the proceeds thereof, negotiating losses and executing releases of liability, executing all documentation, and the performance of all other acts necessary to accomplish such purpose.

12.3 Coverage.

12.3.1 Casualty. All buildings and improvements comprising the Condominium are to be insured in an amount equal to the maximum insurable replacement value, excluding land, foundation and excavation costs, as determined annually by the Board of Administration, and all such insurance must be obtained, if possible, from the same company. Such coverage shall, at a minimum, provide protection against:

12.3.1(a) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement.

12.3.1(b) Flood disaster insurance, if the Condominium is located in an area which has been officially identified by the Secretary of Housing and Urban Development as having special flood hazards and for which flood insurance has been made available under the National Flood Insurance Program (NFIP). Such policy shall, at minimum, provide coverage in an amount equal to the lesser of.

12.3.1 (b)(i) The maximum coverage available under the NFIP for all buildings and other insurable property within the Condominium to the extent that such buildings and other insurable property are within an area having special flood hazards; or

12.3.1 (b)(ii) One hundred percent (100%) of the current "replacement cost" of all such buildings and other insurable property within such area.

Such policy shall be in a form which meets the criteria set forth in the most current guidelines on the subject issued by the Federal Insurance Administration.

12.3.1(c) Such other risks as from time to time shall be customarily covered with respect to condominiums similar in construction, location and use, including, but not limited to, vandalism and malicious mischief and all perils normally covered by the "all-risk" endorsement.

12.3.1(d) If available, the policy shall include a construction cost endorsement (such as a demolition cost endorsement, a contingent liability from operation of building laws endorsement, and an increased cost of construction endorsement) if the Condominium is subject to a construction code provision that would become operative and require changes to undamaged portions of the building, thereby imposing significant costs in the event of partial destruction of the Condominium by an insured hazard. The deductible may not exceed \$5,000.00 except for damage caused by wind storm, in which event the deductible may be greater.

In addition, such policies shall include an "agreed amount endorsement" and, if available, an "inflation guard endorsement".

12.3.2 Officers and Agents. The Association shall maintain adequate insurance or fidelity bonding of all persons who contract or disburse funds of the Association, including without limitation those individuals authorized to sign checks on behalf of the Association and the president, secretary and treasurer of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time.

12.4 Premiums. Premiums for insurance policies purchased by the Association pursuant to this section shall be paid by the Association and shall be a Common Expense.

12.5 Proceeds. All insurance policies purchased by the Association under this Section shall be for the benefit of the Association and the owners and mortgagees of Units in the Condominium, and shall provide that all proceeds covering casualty losses shall be paid to the Association or to the Insurance Trustee designated by the Association as provided herein.

12.5.1 Common Elements. Proceeds on account of Common Elements shall be held in as many undivided shares as there are Units in the Condominium, the shares of each Unit Owner being the same as his share in the Common Elements, as same are hereinabove stated.

12.5.2 Units. Proceeds on account of Units shall be held in the following undivided shares:

12.5.2(a) Partial Destruction. When the building is to be restored, for the Owners of damaged Units in proportion to the cost of repairing the damage suffered by each Unit Owner.

12.5.2(b) Total Destruction. When the building is not to be restored, for the Owners of all Units in the damaged building in proportion to their share of the Common Elements appurtenant to their Unit.

12.6 Association as Agent. The Association is hereby irrevocably appointed agent for each Unit Owner to adjust all claims arising under insurance policies purchased by the Association.

12.7 Unit Owner's Obligations. Each Unit Owner shall, at his expense, purchase public liability insurance to protect himself against claims due to accidents within his Unit and casualty insurance on the floor coverings, wall coverings, ceiling coverings, and contents of said Unit.

All such insurance policies issued to individual Unit Owners shall provide that the coverage afforded by such policies is in excess over the amount recoverable under any other policy covering the same loss without rights of subrogation against the Association.

12.8 Qualifications of Insurance Carrier. The Association shall use generally acceptable insurance carriers. Only those carriers meeting the specific requirements regarding the qualifications of insurance carriers as set forth in the Federal National Mortgage Association Conventional Home Mortgage Selling Contract Supplement and the FHLMC Sellers Guide shall be used.

12.9 Escrow for Insurance Premiums. Any Institutional First Mortgagee holding a mortgage upon a Unit in the Condominium shall have the right to cause the Association to create and maintain an escrow account for the purpose of assuring the availability of funds with which to pay premium or premiums due from time to time on casualty insurance policy or policies which the

Association is required to keep in existence, it being understood that the Association shall deposit in an escrow depository satisfactory to such Institutional First Mortgagee or Institutional First Mortgagees a monthly sum equal to one-twelfth (1/12th) of the annual amount of such insurance expense, and to contribute such other sum as may be required therefor, so that there shall be on deposit in said escrow account, at least one (1) month prior to the due date for payment of such premium or premiums, a sum which will be sufficient to make full payment therefor.

Should the Association fail to pay such premiums when due, or should the Association fail to comply with other insurance requirements imposed by the Institutional Mortgagee who first held a first mortgage encumbering a Condominium Parcel, then said Institutional Mortgagee shall have the right at its option to order and advance such sums as are required to maintain or procure such insurance, and to the extent of the monies so advanced, plus interest thereon at the highest legal rate. Said Mortgagee shall be subrogated to the Assessments and lien rights of the Association as against individual Unit Owners for the payment of such items of Common Expense.

If two (2) or more Institutional Mortgagees hold any mortgage or mortgages upon any Condominium Parcel, the exercise of the rights above described or manner of exercising said rights shall vest in the Institutional Mortgagee owning and holding the first recorded mortgage encumbering a Condominium Parcel, and the decision of such Institutional Mortgagee shall be controlling.

13. CONDEMNATION AND TOTAL OR PARTIAL LOSS OR DESTRUCTION.

13.1 Condemnation Award. The Association shall represent the Unit Owners in the condemnation proceedings or in negotiations, settlements, and agreements with the condemning authority for acquisition of the Common Elements, or part thereof, by the condemning authority. Each Unit Owner hereby appoints the Association as attorney-in-fact for such purpose. In the event of a taking or acquisition of part of all of the Common Elements by a Condominium authority, the award or proceeds of settlement shall be payable to the Association, or any trustee, to be held in trust for Unit Owners and their first mortgage holders as their interests may appear.

13.2 Reconstruction or Repair after Casualty or Condemnation.

13.2.1 Residential Buildings.

13.2.1(a) Substantial Loss. Substantial loss, damage, or destruction as the term is herein used shall mean any loss, damage, or destruction sustained which renders more than fifty percent (50%) of the Units in the Condominium uninhabitable.

If substantial loss, damage, or destruction shall be sustained, the Condominium shall be terminated unless the owners of two-thirds (2/3) of the owners of Units in the damaged building or buildings, a majority of the owners of the Units in the other buildings, if any, and a majority of the holders of first mortgages on Units in the Condominium agree in writing that the damaged property shall be repaired or reconstructed, or unless repair or reconstruction is required as a condition of payment under any policy of casualty insurance covering such loss.

13.2.1(b) Less than Substantial Loss. In the event damage sustained to the improvements is less than substantial as defined above, such damage shall be repaired unless all of the Unit Owners and first mortgage holders agree to terminate the Condominium in accordance with the procedure set forth in Section 18. Any repair and restoration on account of physical damage shall

restore the improvements to substantially the same condition as existed prior to the casualty, must be substantially in accordance with the plans and specifications for the construction of the original building, and shall be commenced and completed as expeditiously as reasonably possible. In no event shall any reconstruction or repair change the relative locations and approximate dimensions of the Common Elements and of any Unit unless an appropriate amendment be made to this Declaration.

The Board of Administration may determine that it is in the best interests of the Association to pay the insurance proceeds into a construction fund to be administered by its Directors. The Board of Administration shall not be required to cause such insurance proceeds to be made available to the Association prior to completion of any necessary restoration, repairs, or reconstruction, unless arrangements are made by the Association to satisfactorily assure that such restoration, repairs, and reconstruction shall be completed. Such assurances may consist of, without limitation, obtaining a construction loan from other sources obtaining a binding contract with a contractor or contractors to perform the necessary restoration, repairs and reconstructions or the furnishing of performance and payment bonds.

The first mortgagees which are named as payees upon the draft issued by the insurance carrier shall endorse the draft and deliver the same to the Association;

Where physical damage has been sustained to the Condominium improvements and the insurance proceeds have not been paid into a construction loan fund as provided in this section, and where a restoration, repair, or reconstruction has not been commenced, an Institutional Mortgagee who has commenced foreclosure proceedings upon a mortgage encumbering a Unit shall be entitled to receive that portion of the insurance proceeds apportioned to said Unit in the same share as the share in the Common Elements appurtenant to said Unit.

13.2.2 Common Elements. Damage to the Common Elements shall be repaired unless the Condominium is to be terminated as provided in this section and Section 18.

13.3 Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if at any time during the reconstruction and repair the funds for payment of the costs thereof are insufficient, the Unit Owners who own the damaged Units may be charged for the cost of reconstruction and repair. In the case of damage to the Common Elements of the Condominium, all Owners of Units in the Condominium may be assessed in sufficient amounts to provide funds to pay the estimated costs. Charges for damage to Units shall be in proportion to the cost of reconstruction and repair of each Unit Owner's respective damaged Unit. Assessments on account of damage to the Common Elements shall be in proportion to the Owner's share in the Common Elements.

14. COMMON EXPENSES, COMMON SURPLUS, AND ASSESSMENTS. The making and collecting of assessments against Unit Owners for Common Expenses of the Condominium shall be the obligation of the Board of Administration pursuant to the By-Laws and subject to the following provisions:

14.1 Share of the Common Expenses and Common Surplus. The Common Expenses of the Condominium to be borne by each Unit Owner shall be a proportionate share of the total operating expenses and costs of the Condominium. Each Unit Owner shall be responsible for

a portion of the Common Expenses and costs, and such share shall be in the percentage of the undivided share in the Common Elements appurtenant to said Condominium Parcel as set forth in Section 7 above.

Any Condominium Common Surplus of the Condominium shall be owned by each of the Unit Owners in the same proportion as their percentage liability for Common Expenses.

14.2 Determination. The Board of Administration shall propose annual budgets, including a Common Expense budget, in advance for each fiscal year. These budgets shall contain estimates of the cost of performing the functions of the Association and of the cost of operating the Condominium. The Common Expense of the Condominium shall include, without limitation, the estimated amounts necessary for maintenance and operation of the Common Elements and Limited Common Elements of the Condominium, Utility Services, replacement reserves, casualty insurance, liability insurance, and administration salaries. The failure of the Board of Administration to include any item in the annual budget shall not preclude it from levying an additional Assessment in any calendar year for which the budget has been projected. In determining the Common Expenses, the Board of Administration may provide for an operating reserve not to exceed fifteen percent (15%) of the total projected Common Expenses for the year.

Any meeting at which a proposed annual budget will be considered by the Board or Unit Owners shall be open to all Unit Owners. At least fourteen (14) days prior to such a meeting, the Board shall hand deliver to each Unit Owner, or mail to each Unit Owner at the address last furnished to the Association by the Unit Owner, a notice of such meeting and a copy of the proposed annual budget. An officer or manager of the Association, or other person providing notice of such meeting, shall execute an affidavit evidencing compliance with such notice requirement and such affidavit shall be filed among the official records of the Association.

After adoption of the budgets and determination of the annual Assessments per Unit as provided in the By-Laws, the Association shall assess such sums by promptly notifying all Owners by delivering or mailing notice thereof to the voting member representing each Unit at such member's most recent address as shown by the books and records of the Association. One-twelfth (1/12) of the annual Assessments shall be due and payable in advance to the Association on the first day of each month.

14.3 Special Assessments. Special Assessments may be made by the Board of Administration from time to time to meet other needs or requirements of the Association in the operation and management of the Condominium and to provide for emergencies, repairs, or replacement of Condominium Property and infrequently recurring items of maintenance. However, any Special Assessments which are not connected with an actual operating, managerial, or maintenance expense of the Condominium shall not be levied pursuant to this Section without the prior approval of the members owning a majority of the Units in the Condominium.

14.4 Non-Waiver. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by abandonment of the Unit for which the Assessment is made.

14.5 Interest, Late Fees and Application of Payments. The record Owner of each Unit shall be personally liable, jointly and severally, to the Association for payment of all Assessments, whether regular or special, and for all costs of collecting delinquent Assessments. Assessments and installments on such Assessments paid on or before thirty (30) days after the date when due shall not bear interest but all sums not paid on or before thirty (30) days after the date when due shall bear interest at the highest rate allowed by the laws of the State of Florida from the date when due until paid. In addition, a late fee not to exceed the greater of \$25.00 or five percent (5%) of the Assessment installment shall be charged and collected when any Assessment installment is not paid on or before thirty (30) days after the date when due. All payments upon account shall be first applied to interest, late fees, costs and attorneys' fees incurred in collection, and then to the Assessment payment first due.

14.6 Lien for Assessments. The Association shall have a lien on each Condominium Parcel for any unpaid Assessments and all interest and late charges due thereon and the costs of collecting such charges. Additionally, reasonable attorneys' fees at all levels of the proceedings incident to the collection of such Assessment or the enforcement of such lien shall be payable by the unit Owner and secured by such lien.

14.7 Collection and Foreclosure. The Board of Administration may take such action as it deems necessary to collect Assessments, including bringing an action for damages against the Unit Owner or by enforcing and foreclosing its lien, and may settle and compromise same if in the best interests of the Association. The Association's lien for Assessments described in Section 14.6 shall be enforced and foreclosed in the manner provided for by the Condominium Act. The Association shall be entitled to bid at any sale held pursuant to a lawsuit to foreclose an Assessment lien and to apply as a cash credit against its bid all sums due the Association covered by the lien enforced.

14.8 Assignment of Claim and Lien Rights. The Association shall have the right to assign its claim to, and lien rights for, the recovery of any unpaid Assessments to the Developer, any Unit Owner or group of Unit Owners, or any third party.

14.9 Certificate of Unpaid Assessments. Any Unit Owner and any holder of a mortgage on a Unit shall have the right to require from the Association a certificate showing the amount of unpaid Assessments against that Unit. Any person other than the Owner who relies upon such certificate shall be protected thereby.

14.10 Developer's Obligation to pay Assessments. As provided by Section 718.116(9)(a)(2), Florida Statutes, the Developer shall be excused from payment of the Common Expenses and Assessments related thereto on Condominium Units it owns until December 31, 2008, or the date by which ninety percent (90%) of the Units have been conveyed by the Developer, whichever occurs first ("the Guarantee Period"). The Developer may extend the Guarantee Period for two additional one-year periods. During the Guarantee Period the Developer guarantees that the monthly Assessments shall not exceed \$212.00 and obligates itself to pay any amount of Common Expenses incurred during the Guarantee Period and not produced by the Assessments at the guaranteed level receivable from other Unit Owners.

15. COMPLIANCE AND DEFAULT. Each Unit Owner shall be governed by and shall comply with the terms of this Declaration of Condominium, the Articles and By-Laws of the Association, and the Rules and Regulations adopted pursuant thereto, as they may be amended from time to time (collectively "the Governing Documents") and the Condominium Act, as they may be amended from time to time. Failure of Unit Owners to comply therewith shall entitle the Association or other Unit Owners to relief as set forth in this section in addition to the remedies provided by the Condominium Act.

15.1 Remedies for Violations. In the event that a Unit Owner or occupant violates or breaches any provisions of the Governing Documents or the Condominium Act, as they may be amended from time to time, the Association, the members thereof, an Institutional First Mortgagee, or any of them severally shall have the right to proceed at law for damages or in equity to compel compliance with the terms of those documents to prevent the violation or breach of any of them, or for such relief as may be appropriate. This right shall be in addition to the other remedies set forth in this Declaration.

15.2 Fines. The Association may levy reasonable fines as permitted by the Florida Condominium Act for failure of Owner of a Unit or its occupant, licensee, or invitee to comply with any provision of the Declaration, the By-Laws or the reasonable rules of the Association, as they may be amended from time to time.

15.3 Costs and Attorneys' Fees. In any proceeding arising out of a Unit Owner's failure to comply with or violation of the terms of the Governing Documents or the Condominium

Act, as they may amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees, as may be awarded by the court at all levels of the proceedings.

15.4 No Waiver of Rights. The failure of the Association or any Unit Owner to enforce a covenant, restriction, or other provision of the Governing Documents or the Condominium Act as they may be amended from time to time shall not constitute a waiver of the right to do so thereafter. No breach of any of the provisions contained herein shall defeat or adversely affect the lien of any first mortgage at any time made in good faith and for a valuable consideration upon said property, or any part thereof. Notwithstanding the foregoing, the rights and remedies herein granted to the Developer, the Association, and the Owner or Owners of any Condominium Parcel may be enforced against the Owner of the part of said Condominium Parcel subject to such mortgage notwithstanding such mortgage. The purchaser at any sale upon foreclosure shall be bound by all of the provisions of the Governing Documents and the Condominium Act, as they may be amended from time to time.

16. AMENDMENT OF DECLARATION. Except as elsewhere provided otherwise, this Declaration of Condominium may be amended in the following manner:

16.1 Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered and, if required by Section 17, shall be sent to holders, insurers, or guarantors of first mortgages in accordance with that section.

16.2 Resolution of Adoption. A resolution adopting a proposed amendment may be proposed by either the Board of Administration or by the members of the Association. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval, in writing, providing such approval is delivered to the Secretary at or prior to the meeting. Except where elsewhere provided, such approvals must be by no less two-thirds percent (2/3%) of the votes of the entire membership of the Board of Administration and by not less than two-thirds percent (2/3%) of the votes of the entire membership of the Association.

16.3 Resolution of Adoption for Errors or Omissions Not Materially Adversely Affecting Property Rights of the Unit Owners. A resolution adopting a proposed amendment may be proposed by either the Board of Administration or by members of the Association whenever it appears that there is an omission or error in this Declaration of Condominium or any exhibit or amendment to this Declaration. Approval of such resolution must be by no less than fifty percent (50%) of the votes of the entire membership of the Board of Administration and by no less than fifty percent (50%) of the votes of the entire membership of the Association.

Any amendment adopted pursuant to the provisions of paragraph 18.7 shall not materially adversely affect the property rights of Unit Owners.

16.4 Amendment by Developer. Notwithstanding anything to the contrary contained in the Declaration, the Developer expressly reserves the right to amend the Declaration so as to correct any error in any legal descriptions contained herein. The Developer may amend this Declaration by filing an amended legal description or descriptions as an amendment to the Declaration among the public records of St. Johns County, Florida, which amendment or amendments shall expressly describe that legal description which is being corrected (by reference to the exhibit containing said legal description or otherwise), in addition to the corrected legal description. Such amendments need be executed and acknowledged only by the Developer and need not be approved by the Association, Unit Owners, lienors, or mortgagees of Units of the Condominium, whether or not elsewhere required for amendments.

16.5 Unanimous Consent by Unit Owners and Mortgagees. All Unit Owners so affected and their Institutional Mortgagees must consent to any amendment which:

16.5.1 Changes any Unit, its appurtenances, or an Owner's share in the Common Elements, or which increases the Owner's share of the Common Expenses except as hereinabove provided;

16.5.2 Operates to materially affect the rights or interests of any Institutional First Mortgage under its mortgage or this Declaration; or

16.5.3 Would be prohibited by FNMA or FHLMC.

Such consent of the Unit Owners and Institutional First Mortgagees may not be unreasonably withheld.

16.6 Consent by Developer. Any amendment which affects any of the rights, privileges, powers, or options of the Developer shall require the approval of the Developer.

16.7 Execution and Recording. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted, which certificate shall be executed by the officers of the Association with the formalities of a deed. The amendment shall be effective when such certificate and a copy of the amendment are recorded among the Public Records of St. Johns County, Florida.

16.8 Amendment of this Section. Notwithstanding anything to the contrary contained in this Declaration, this section concerning amendment cannot be amended without the consent of eighty percent (80%) of the Unit Owners and all Institutional First Mortgagees.

17. NOTICE TO MORTGAGEES. The Association shall provide a holder, insurer, or guarantor of Institutional First Mortgage who has registered its name with the Association as provided in this Declaration, upon written request of such holder, insurer, or guarantor (such request to state the name and address of such holder, insurer, or guarantor and the Unit number), at least one copy of the annual financial statement or report of the Association, and timely notice of the following:

17.1 Any proposed amendment of the Condominium documents affecting a change in:

17.1.1 The boundaries of any Unit or the exclusive easement rights appertaining thereto;

17.1.2 The interest in the Common Elements or Limited Common Elements appertaining to any Unit or the liability for Common Expenses appertaining thereto,

17.1.3 The number of votes in the Association appertaining to any Unit; or

17.1.4 The purposes to which any Unit of the Common Elements are restricted;

17.2 Any proposed termination of the Condominium;

17.3 Any condemnation loss or any casualty loss which affects a material portion of the Condominium or which affects any Unit on which there is an Institutional First Mortgage;

17.4 Any delinquency in the payment of Assessments or charges owed by an Owner of a Unit subject to the mortgage of such eligible holder, insurer, or guarantor, where such delinquency has continued for a period of sixty (60) days;

17.5 Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; and

17.6 Any proposed action that would require the consent of a specified percentage of Institutional First Mortgagees.

18. TERMINATION. The Condominium may only be terminated in the following manners in addition to the manner provided in the Condominium Act:

18.1 Substantial Loss. In the event that it is determined as provided in Section 13 that any Condominium building shall not be reconstructed because of substantial loss, the condominium plan of ownership for the Condominium will be thereby terminated without the necessity of agreement or approval by the membership.

18.2 Agreement. The Condominium may be terminated by the approval, in writing, by a vote of all of the members of the Association and all holders of first mortgages on Units.

18.3 Certificate. The termination of the Condominiums in either of the foregoing manners shall be evidenced by a written instrument of the Association, executed by all members and certified by the President and Secretary as to the facts effecting the termination, which certificate shall become effective upon being recorded in the Public Records of St. Johns County, Florida.

18.4 Shares of Owners After Termination. After termination of the Condominium, Unit Owners shall own the Condominium Property and all assets of the Association as tenants in common in undivided shares, and their respective mortgagees and lienors shall have mortgages and liens upon the respective undivided shares of the Unit Owners.

18.5 Sale of Property. Immediately after the required vote of consent to terminate, each and every Unit Owner shall immediately convey by warranty deed to the Association all of said Unit Owner's right, title and interest to each Unit and to the Common Property, provided the Association's officers and employees handling funds have been adequately bonded. The Association or any member shall have the right to enforce such conveyance by specific performance. The Board of Administration shall then sell all of the property at public or private sale upon terms approved in writing by all of the Institutional First Mortgagees. Upon the sale of the property, the costs, fees, and charges for affecting such sale, the cost of liquidation, and costs incurred in connection with the management and operation of the Condominium Property up to and including the time when distribution is made to the Unit Owners shall be paid out of the proceeds of said sale. The remaining balance (the "net proceeds of sale") shall be distributed to the Unit Owners as follows:

18.5.1 Determination of Distributive Share. The Distributive Share of each Unit Owner in the net proceeds of sale, subject to the provisions of this section, shall be a fraction the numerator of which shall be one and the denominator of which shall be the total number of all Units in the Condominium on the date of termination.

18.5.2 Payment of Liens. Upon determination of each Unit Owner's Distributive Share, the Association shall pay out of each Unit Owner's Distributive Share all mortgages, assessments, and other liens encumbering said Unit in accordance with their priority, and upon such payment all mortgagees, the Association, and lienors shall execute and record satisfactions or releases of their liens against said Unit or Units, regardless of whether the same are paid in full.

18.5.3 Payment to Unit Owners. Thereupon, the Directors shall proceed to liquidate and dissolve the Association and distribute the remaining portion of each Distributive Share, if any, to the Owner or Owners entitled thereto.

18.5.4 Allocation of Shares. If more than one person has an interest in a Unit, the Association shall pay the remaining Distributive Share allocable to the said Unit to the various Owners of such Unit, excepting that if there is a dispute as to the validity, priority, or amount of mortgages or liens encumbering a Unit, then payment shall be made to the Owner or Owners and the owners and holders of the mortgages encumbering said Unit.

18.6 Effect of Termination. After the certificate described in Section 18.3 has been recorded, all Owners have conveyed their interests in the Condominiums to the Association, and the Association has conveyed all of the property to a purchaser, the title to said property shall thereafter be free and clear of all restrictions, reservations, covenants, conditions, and easements set forth in this Declaration and the purchaser and subsequent grantees of any of said property shall receive title to said lands free and clear thereof.

18.7 Amendments. Notwithstanding anything to the contrary contained in this Declaration, this section concerning termination cannot be amended without the consent of two-thirds (2/3) of the Unit Owners.

19. RESPONSIBILITY OF UNIT OWNERS. The Owner of each Unit shall be governed by and shall comply with the provisions of the Governing Documents and the Condominium Act, as they may be amended from time to time.

In any action brought against a Unit Owner by the Association for damages or injunctive relief due to such Unit Owner's failure to comply with the documents stated above, the Association shall also be entitled to recover its costs, reasonable attorneys' fees, and expenses incurred by it in connection with the prosecution of such action at all levels of the proceedings.

20. PURPOSE. The provisions of this Declaration of Condominium shall be liberally construed to effectuate its purposes of creating a uniform plan for the operation of a residential condominium in accordance with Chapter 718, Florida Statutes, as may be amended from time to time.

21. CONSTRUCTION.

21.1 Severability and Invalidity. The invalidity, in whole or in part, of any covenant or restriction, or any section, subsection, sentence, clause, phrase or word, or other provision of this Declaration of Condominium and the Articles of Incorporation, the By-Laws, or the Rules and Regulations of the Association shall not affect the validity of the remaining portions which shall remain in full force and effect.

In the event any court shall hereafter determine that any provisions of this Declaration of Condominium, as originally drafted or as amended, violates the rule against perpetuities or any other rule of law because of the duration of the period involved, the period specified in the Declaration shall not thereby become invalid but, instead, shall be reduced to the maximum period allowed under such rule of law, and for such purpose measuring lives shall be those of the incorporators of the Association.

21.2 Headings. The headings herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Declaration not the interest of any provisions herein.

21.3 Gender. The use of the masculine gender in the Declaration shall be deemed to refer to the feminine or neuter gender, and the use of the singular or plural shall be taken to mean the other whenever the context may require.
