Said Committee shall consist of a minimum of three (3) persons, all of whom shall be required

to own property in the Property. Such plans and specifications shall be submitted in writing and for approval, over the signature of the Owner or his duly authorized agent, on a form which may be prepared by and shall be satisfactory to the Committee and receipted therefore. The approval of said plans and specifications may be withheld, not only because of their noncompliance, with any of the specific restriction contained in this and other clauses hereof, but also by reason of the reasonable dissatisfaction of the Committee or its agent with the grading plan, location of the structure on the building site, the engineering, color scheme, finish, design, proportion, architecture, shape, height, style or appropriateness of the proposed structure or altered structure, the materials used therein, the kind, pitch or type of roof proposed to be placed thereon, or because of its reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the Committee or its agent, would render the proposed structure inharmonious or out-of-keeping with the general plan of improvement of the Subdivision or with the structures erected on other building sites in the immediate vicinity of the building site on which said structure is proposed to be erected.

1.02. The Committee shall be authorized to establish further reasonable rules and regulations for approval of plans as required by this Article and for approval or interpretation of other matters and things requiring the approval or interpretation of the Committee as otherwise set forth in these restrictions.

1.03. The approval of the Committee for use on any Lot of any plans or specifications submitted for approval, as herein specified, shall not be deemed to be a waiver by the Committee of its right to object to any of the features or elements embodied in such plans or specifications if and when the same features or elements are embodied in any subsequent plans and specifications submitted for approval as herein provided, for use on other Lots.

1.04. If, after such plans and specifications have been approved, any building, fence, wall or other structure or thing shall be altered, erected, placed or maintained upon the Lot otherwise than as approved by the Committee, such alteration, erection and maintenance shall be deemed to have been undertaken without the approval of the Committee ever having been obtained as required by these restrictions.

1.05. Any agent or officer of the Association or the Committee may from time to time at any reasonable hour or hours in the presence of the occupant thereof enter and inspect any property subject to these restrictions as to its maintenance or improvement in compliance with the provisions hereof; and the Committee and/or any agent thereof shall not thereby be deemed guilty of any manner of trespass for such entry or inspection.

1.06. For the purpose of making a search upon, or guaranteeing or insuring title to, or any lien on and/or interest in, any of said Lots and for the purpose of protecting purchasers and encumbrances for value and in good faith as against the performance or nonperformance of any of the acts in the restrictions authorized, permitted or to be approved by the Committee, the records of the Committee shall be prima facie evidence as to all matters shown by such records; and the issuance of a certificate of completion

and compliance by the Committee showing that the plans and specifications for the improvements or other matters herein provided for or authorized have been approved, and that said improvements have been made in accordance therewith, or of a certificate as to any matters relating to the Committee shall be prima facie evidence and shall fully justify and protect any title company or persons certifying, guaranteeing or insuring said title, or any lien thereof and/or any interest therein, and shall also fully protect any purchaser or encumbrances in good faith and for value in acting thereon, as to all matters within the jurisdiction of the Committee. In any event, after the expiration of two (2) years from the date of the completion of construction for any structure, work, improvement or alteration, said structure, work, improvement or alteration shall, in favor of purchasers and encumbrances in good faith and for value, be deemed to be in compliance with all the provisions hereof, unless actual notice executed by the Committee of such non-completion and/or noncompliance shall appear of record in the office of the Clerk of the Circuit Court of St. Johns County, Florida, or legal proceedings shall have been instituted to enforce compliance with these restrictions.

1.07. In the event the Committee or its duly authorized agent fails to take official action with respect to approval or disapproval of any such design or designs or location or any other matter or thing referred to herein, within thirty (30) days after being submitted and receipted for in writing, then such approval will not be required, provided that the design and location on the Lot conform to and are in harmony with the existing structures on the Lots in this Subdivision. In any event, either with or without the approval of the Committee or its agent, the size and setback requirements of residences shall conform with the requirements contained in these restrictions.

1.08. Any act, decision or other thing which is required to be done or which may be done in accordance with the provisions of these restrictions by the Committee may be done by the duly appointed agent or agents of the Committee, which authority may be further delegated.

1.09. Local Building Code. This Article shall not be deemed to excuse any Owner from compliance with local building and construction codes, ordinances, and/or regulations, and improvements constructed shall conform to the requirements of such laws, codes, ordinances, and regulations, nor shall the ADC's approval create any presumptions that an Owner's plans comply with applicable laws, codes, ordinances, and regulations, nor that the work will serve its purpose as intended by the Owner.

1.10. Fill and Grade. No fill shall be added to or removed from any Lot that would change or interfere with the drainage of storm water nor shall the Owner of any Lot do anything to change or interfere with the drainage of storm water; no change shall be made with respect to the original grade and contour of swales unless first approved in writing by the ADC. The approval of the St. Johns River Water Management District may also be required.

ARTICLE VI MAINTENANCE AND UPKEEP

AUTHORITY FOR FEES

1.01. Each and every of said Lots which has been sold, leased or conveyed by the Declarant, except Lots dedicated, re-served, taken or sold for public improvements or use, shall be subject to the per Lot maintenance fees as hereinafter provided. The entity responsible for the collection of the fees and for the disbursement of and accounting for funds is the Association. The operation of the Association shall be governed by the by-laws of the Association, as they may be amended from time to time, a copy of which can be inspected at the principal office of the Association at 3290 Kings Road South, St. Augustine, Florida, 32086 or such other address as designated by the Association. The By-Laws may be amended in the manner provided for therein, but no amendment to said By-Laws shall be adopted which would affect or impair the validity or priority of any mortgage covering or encumbering any Lot or which would change Section 3.01 herein pertaining to the amount and fixing of fees.

2.01. Every Owner of any of said Lots, whether he has acquired the ownership by purchase, gift, conveyance or transfer by operation of law, or otherwise, shall be a member of the Association and shall be bound by the Articles of Incorporation and By-Laws of the Association as they may exist from time to time. All maintenance and upkeep fees shall not be increased without the prior written consent of the Association as set forth herein.

FEES

3.01. The initial monthly fees to be paid to the Association for maintenance and upkeep as is further described herein upon each and every of said Lots subject thereto, whether vacant lots or improved lots, was \$50.00 per month. Effective January 1, 2009, such fees were increased to \$60.00 per month and may be increased or decreased from time to time as approved by the requisite number of members as specified herein. Said fees shall be due and payable in advance on or before the first day of each and every month for that current month. Initial fees for a partial month may be collected in advance on a prorated basis. The Association may, but shall not be required to, provide for a reasonable and legal rate of interest to accrue on any of said overdue installments and may change the rate of interest from time to time. Thereafter, said fees may be increased or decreased by approval of the requisite number of members of the Association as specified herein except that the said monthly charge or fee per Lot shall not be raised more than twenty-five percent (25%) of the then existing fee during anyone (1) calendar year. Said fees may not be raised to a sum more than double the initial fees without the joint consent of the Owners of record of not less than fifty-one percent (51%) in number of all the Lot Owners subject thereto who actually vote for or against said increase including the Owners of those Lots covered by other restrictions containing similar provisions affecting other Lots shown on the plats of the Property, or any other named Subdivision as Subdivision is defined in Article I, Section 1.13, whether recorded now or in the future, and if said fees are decreased or extinguished by the Association membership, the service

provided by the Association may be decreased or extinguished so that the Association shall not be required to pay more for the service hereinafter enumerated than is collected by said fees. In regard to said joint consent, the Owner of each Lot shall be entitled to one (1) vote for each Lot owned by him and each Lot shall not be entitled to more than one (1) vote.

3.02. In the event any sales taxes or other taxes are required to be paid or collected on said fees by any governmental authority, said taxes shall be added to the fees due from time to time.

3.03. The Association shall not make a profit from the collection of said fees or from the furnishing of the services hereinafter enumerated and all of said fees shall be appropriated and spent for the things hereinafter enumerated, except that the Association shall apply a reasonable portion thereof to be retained as reserves for various contingencies. Said fees shall not be spent or used for any development costs of the Declarant, or for the maintenance and upkeep of any Lots owned by the Declarant prior to the first sale, conveyance or lease of said Lots by the Declarant. The Association shall account to the Lot Owners as to the method of spending of said funds at least once each and every calendar year commencing with the year 1989. Said accounting shall be made in conformity with generally accepted accounting principles applied on a consistent basis and if said accounting is certified by a Certified Public Accountant, then the accounting shall be conclusively presumed to be accurate as set forth therein.

3.04 The Association may not commingle the sums collected hereunder with those collected under other similar provisions of other recorded restrictions affecting other lands shown on the plats of the Property, which funds are intended thereby to be used for similar purposes.

3.05. The Association may provide for the imposition of a reasonable late charge on any monthly fee not received by the Association within fifteen (15) days of its due date. The late charge shall not exceed the greater of five percent of the overdue fee or \$25, pursuant to Chapter 720, Florida Statutes, as may be amended from time to time. Any sums received on the account of a homeowner shall be applied first toward any accrued finance charges, then to any accrued late charges, then toward any other outstanding charges, including without limitation attorneys' fees and collection costs, with the remainder applied to accrued monthly fees.

3.06. SUSPENSION OF VOTING RIGHTS: Voting rights and voting interests of any lot owner, whether individual, estate, corporation, partnership, limited liability company, trust, or any other type of ownership, may be suspended by the Association for non-payment of any monetary obligation required by that lot owner who is delinquent ninety (90) days or more pursuant to Chapter 720, Florida Statutes, as amended from time to time.

Any lot owner who has failed to pay any of the fees or other monetary obligations required to be paid to the Corporation for a period of ninety (90) days or more may have the right to use any of the common properties suspended, with the exception of use for

purposes of ingress and egress to their respective lot, until such time as all fees and related costs to collect thereof are paid to the Corporation in full.

Any lot owner who has been given notice of delinquency of payment of fees required to be paid to the Corporation and who has failed to make such payments to the Corporation for a period of ninety (90) days or more may have their respective voting rights suspended pursuant to Florida Statutes Chapter 720 as amended from time to time. Such suspension shall remain in effect until such time as full payment of all fees and related costs to collect thereof are paid to the Corporation in full. Additionally, during the period of suspension of voting rights, the respective delinquent lot will cease to be included in total voting membership required for any meeting quorums required to conduct business by the Corporation or approve any amendments of Restrictions or By-Laws.

LIENS

4.01. Each such fee and interest thereon and reasonable court costs and legal fees expended in the collection thereof shall from the date it is due, or expended, constitute a lien on the lot or property with respect to which it is due. The Association may take such action as it deems necessary to collect overdue fees by personal action or by enforcing and foreclosing said lien and the Association may negotiate disputed claims or liens and settle or compromise said claims. The Association shall be entitled to bid at any sale held pursuant to a suit to foreclose said lien and to apply as a cash credit against its bid, all sums due the Association covered by the lien foreclosed. In case of such foreclosure, the Lot Owner shall be required to pay a reasonable rental for the Lot, and the plaintiff in such foreclosure shall be entitled to the appointment of a receiver to collect same. The Association may file for record in the Office of the Clerk of the Circuit Court of St. Johns County, Florida, on and after sixty (60) days after a fee is overdue, the amount of said overdue fee, together with the interest and costs thereon and a description of the Lot and the name of the Owner thereof and such additional information, as may be desirable, and upon payment in full thereof, the Association shall execute a proper recordable release of said lien.

4.02. Assessments for common expenses, including monthly assessments, special assessments, ("Assessments"), and charges and installments thereof ("Charges"), with interest thereon and costs and expenses of collection, including reasonable attorney's fees, other expenses of collection, and costs incurred in attempting to collect said Assessments or Charges before suit or after the filing of suit, at the trial level, appellate level or otherwise, are hereby declared to be a continuing lien upon the Lot against which such Assessments or Charges are made. Each Assessment or Charge against a Lot, together with interest thereon at the highest rate allowed by law, late fees, and costs and expenses of collection thereof, including attorney's fees shall be the personal obligation of the person, persons or entity owning the Lot assessed or charged, and shall be the joint and several liability of all Owners of the Lot. It is the intention of this provision that Assessment or Charge liability is joint and several, and is both the personal obligation of the person or entity owning the Lot when the Assessment or Charge became due, and the

obligation of any successors in interest as a covenant running with the land. Said lien shall be effective from the date of recordation of the public records of St. Johns County, Florida. The lien shall set forth the amounts due the Association as of the date the statement is signed and shall be acknowledged by an officer or agent of the Association. The lien shall secure additional amounts that become due, as well as interest, late fees, attorney's fees and other costs and expenses of collection. Upon recordation, the lien shall relate back to the date of recording the original Declaration. Upon full payment of all sums secured by the lien and costs and fees accrued, the party making payment shall be entitled to a recordable satisfaction of lien. If any first mortgagee obtains title to a Lot as a result of a foreclosure of the first mortgage or a deed (or assignment) is given in lieu of foreclosure of a first mortgage of record, such acquirer of title shall be liable for the share of Assessments or Charges pertaining to such Lot or chargeable to the former Owner, and which became due prior to the acquisition of title as a result of the foreclosure or deed in lieu of foreclosure of said first mortgage of record as provided in Section 720.3085, Florida Statutes (2011), as amended from time to time.

4.03. Any person who acquires an interest in a Lot except through foreclosure of an institutional first mortgage of record, (or deed in lieu thereof) including purchasers at judicial sales, shall not be entitled to occupancy of the Lot until such time as all unpaid fees due and owing by the former Lot Owner have been paid.

4.04. The Association shall have the right to assign its claim and lien rights for the recovery of any unpaid fee to any Lot Owner or group of Lot Owners or to any third party.

4.05. The purchasers or lessees of Lots by the acceptance of deeds or leases therefore, whether from the Declarant or subsequent owners or lessees of such Lots, or by the signing of contracts or agreements to purchase the same, shall become personally obligated to pay such fees including interest upon Lots purchased or agreed to be purchased by them, and if payment is not made as provided for herein, said fees shall constitute a lien on the said Lot as otherwise provided for herein, and the Association shall have and retain the right or power to bring all actions for the collection of such fees and interest and the enforcement of the lien securing the same. Such right and power shall continue in the Association and its assigns and such obligation is to run with the land so that the successors or Owners of record of any portion of said property, and the holder or holders of contracts or agreements for the purchase thereof, shall in turn become liable for the payment of such fees and interest which shall have become due during their Ownership thereof.

UNSOLD OR REPOSSESSED LOTS

5.01 The Declarant or its successors and assigns, shall not be obligated to pay to the Association any fees upon any of said Lots owned by the Declarant which are subject thereto, prior to the first sale, conveyance or lease of said Lots by the Declarant, but shall be obligated to pay any such fees for any Lot or Lots acquired from successive Owners of said Lots.

USE OF FEES

6.01. The Association shall apply, without limitation except as set forth in the Association's governing documents, the proceeds received from such fees toward the payment of the cost of any of the following matters and things in any part of the Property whether within units partially or fully restricted by other restrictions recorded or intended to be recorded or recorded in the future in the Public Records of St. Johns County, Florida, affecting properties located in the Subdivision/Property namely:

A. Maintain the streets and street lighting on the road rights-of-way;

B. Maintain the Common Areas and amenities and provide personnel for same.

6.02. The enumeration of the matters and things for which the proceeds may be applied shall not require that the Association actually spend the said proceeds on all of said matters and things or during the year that said fees are collected and the Association shall apportion the monies between said matters and things and at such times as it may determine in its sole judgment to be reasonably exercised.

6.03. No Lot owner, parcel owner, or lessee shall be excused from the payment of the fees provided for herein because of his or her failure to use any of the said facilities to be maintained. The Board of Directors may waive assessments due on any Lot for such time as the Lot is not accessible by a paved road. Any such waiver of assessments shall terminate upon the completion of construction of a paved road providing with ingress to and egress from the Lot. Further, the Board of Directors may waive assessments as to the Undeveloped Lots until the completion of all infrastructure improvements (i.e., including, but not limited to, roads, water, drainage) applicable to the Undeveloped Lots and a final certificate of occupancy (also known as "Asbuilt Construction Letter of Credit") has been obtained for such infrastructure improvements.

6.04. The Association may assign its rights, duties, and obligations under this section, including its right to collect said fees and to have same secured by a lien and its obligation to perform the services required hereunder, by recording an appropriate assignment document in the Official Records of St. Johns County, Florida, making said assignment.

6.05. Reference herein to the fees shall include the fees, interest, and late charges set forth and shall also include such reasonable collection expenses, court costs and attorneys' fees as may be expended in the collection of said fees.

**ARTICLE VII
MISCELLANEOUS
ADDITIONAL RESTRICTIONS**

1.01 The Association may, in its sole judgment, to be reasonably exercised, make reasonable modifications, amendments, or additions to these restrictions applicable to the said Lots, provided, however, that any such additional restrictive covenants or modifications or amendments thereto shall not affect the lien of any mortgage then encumbering any of the said Lots and shall not affect the rights and powers of any mortgagees under said mortgages and provided further that any additional restrictions, covenants or modifications, or amendments shall not change Article VI, Section 3.01 herein pertaining to the amount and fixing of fees without approval of fifty-one percent (51%) of eligible members of the Association.

1.02 Any amendment to the Declaration which alters the Surface Water or Stormwater Management System(s), beyond maintenance in its original condition, including the water management portions of the common areas, must have the prior approval of the St. Johns River Water Management District.

1.03 After transition of control of the Board from the Declarant to the Members, this Declaration may be amended in the following manner:

(a) A proposed amendment may be proposed by the President of the Association, a majority of the Board, or by petition of twenty percent (20%) of the Members.

(b) The subject matter of a proposed amendment must be included in the notice of any meeting at which a proposed amendment is to be considered.

(c) The amendment so proposed must be approved by at least fifty-one percent (51%) of the voting interests of the Association, present and voting in person or by proxy, at a duly convened meeting of the Association membership at which a quorum is present.

(d) An amendment shall be evidenced by a certificate of the Association that must include recording data identifying the Declaration and be executed in the form required for execution of a deed. An amendment of the Declaration is effective when properly recorded in the public records of St. Johns County, Florida.

DURATION OF RESTRICTIONS

2.01. These covenants and restrictions are to run with the land and shall be binding upon the undersigned and upon all the parties and all persons claiming under them until December 31, 2012, at which time said covenants and restrictions shall automatically be extended for successive periods of ten (10) years, unless by vote of fifty-one percent

(51%) of the then Owners of all of the Lots or tracts in the Property, present and voting in person or by proxy, at a duly convened meeting of the Association membership at which a quorum is present, it is agreed to change said covenants in whole or in part.

REMEDIES FOR VIOLATIONS

3.01 In the event of a violation or breach of any of these restrictions, By-Laws or Rules and Regulations of the Association by any person or concern claiming by, through or under the Association, or by virtue of any judicial proceedings, any member of the Association, or any of them jointly or severally shall have the right to proceed at law or in equity to compel a compliance with the terms hereof or to prevent the violation or breach of any of them. The failure to enforce any right, reservation, restriction or condition contained in the Declaration of Restrictions, By-Laws or Rules and Regulations, however long continued, shall not be deemed a waiver of the right to do so thereafter as to the same breach or as to a breach occurring prior or subsequent thereto and shall not bar or affect its enforcement.

3.02 In addition to the remedies provided in Section 3.01, the Association may suspend, for a reasonable period of time, the rights of an Owner or an Owner's tenants, guests, or invitees, or both, to use Common Property and facilities, and may levy reasonable fines, not to exceed \$100.00 per violation and not to exceed \$2,500.00 in the aggregate, against any Owner or any tenant, guest, or invitee, in accordance with the procedure set forth in Section 720.305, Florida Statutes, as amended from time to time.

- (a) A fine or suspension may not be imposed without notice of at least 14 days to the person sought to be fined or suspended and opportunity for a hearing before a committee of at least three members appointed by the board who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an officer, director, or employee. If the committee, by majority vote, does not approve a proposed fine or suspension, it may not be imposed.
- (b) The requirements of this subsection do not apply to the imposition of suspensions or fines upon any Member because of the failure of the Member to pay assessments or other charges when due if such action is authorized by the Association's governing documents. Any such suspension, however, must be approved at a properly noticed Board meeting. Upon Board approval of a suspension, the Association must notify the Lot Owner and, if applicable, the occupant, licensee, tenant, or invitee by mail or hand delivery.
- (c) Suspension of Common Area use rights shall not impair the right of an Owner or tenant of a Parcel to have vehicular and pedestrian ingress to and egress from the Parcel, including, but not limited to, the right to park.

3.03 Pursuant to Chapter 720, Florida Statutes, as amended from time to time, the Board may suspend the right of any Member to vote if the Member is more than ninety (90) days delinquent in the payment of any monetary obligation due to the Association until the obligation is paid in full.

3.04 The Association is authorized to record a lien against an Owner's Lot pursuant to Chapter 720, Florida Statutes, as amended from time to time.

SEVERABILITY

4.01. Invalidation or removal of any of these covenants by judgment, decree, court order, statute, ordinance, or amendment by the Declarant, its successor, and assigns, shall in no way affect any of the other provisions which shall remain in full force and effect.

MISCELLANEOUS

5.01 The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the Surface Water or Stormwater Management System(s) and construction waterward of the jurisdictional lines shown on the Plat of the Property.

INDEMNIFICATION

6.01 Indemnification.

(a) The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association) by reason of the fact that they are or were a director, officer, or committee member of the Association, against expenses (including attorneys' fees and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably believed to be in or not opposed to the best interest of the Association, and , with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for gross negligence, misfeasance or malfeasance in the performance of their duty to the Association unless and only to the extent the court in which such action or suit was brought shall determine upon application, that despite the adjudication of liability, but in view of the circumstances of the case, such person is fairly and reasonably entitled to indemnify for such expenses which such court shall deem proper. The termination of any action, suit or proceeding by judgment, order settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption the person did not act in good faith and in a manner they reasonably believed to be in or not opposed to

the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe their conduct was unlawful.

(b) To the extent a director, officer or committee member of the Association is successful on the merits or otherwise in defense of any action, suit or proceeding referred to in this Article or in defense of any claim, issue or matter therein, they shall be indemnified against expenses (including attorneys' fees and appellate attorneys' fees) actually and reasonably incurred by them in connection therewith.

(c) Any indemnification under this Article (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer or committee member is proper in the circumstances because they met the applicable standard of conduct set forth in this Article. Such determination shall be made (i) by the Board by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (ii) if such quorum is not obtainable, or, even if obtainable, if a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion.

(d) Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board. This is subject to the director, officer, or committee member making arrangement to repay such amount unless it shall ultimately be determined that they are entitled to be indemnified by the Association as authorized in this Article.

(e) The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any law, agreement, vote of Members or otherwise, both as to action in their official capacity while holding such office or otherwise, and shall continue as to a person who has ceased to be a director, officer or committee member and shall inure to the benefit of the heirs, executors and administrators of such person.

IN WITNESS WHEREOF, the Association has caused these presents to be executed this
16th day of December, 2012.
