ASSOCIATION

Section 2.1 Members. Every Owner shall be a mandatory member of the Association. Membership shall be appurtenant to and may not be separated from the title to each Lot, and shall be

Section 3.1 Easement of Enjoyment. Subject to the limitations provided in this Declaration, every Owner is hereby granted a nonexclusive right and perpetual easement of enjoyment in and to the Common Property which easements are appurtenant and shall pass with the title to every Lot, subject to the following:

- (1) The right of the Association to take such steps as are reasonably necessary to protect the Common Property against foreclosure.
- (2) The right of Developer or the Association to grant easements and rights of way, as may be deemed appropriate for the proper development and maintenance of the Property, including, without limitation, Developer's right to reserve an easement for itself, its successors and assigns for ingress, egress, maintenance and utilities over all Common Property and including but not limited to an easements designation on plat.

this Declaration, his right of enjoyment of the Common Property and facilities to the members of his family, tenants, guests, invitees, licensees, domestic servants, or contract purchasers who occupy the Lot.

Section 3.3 Damage or Destruction. In the event any Common Property, facilities or property of the association or developer are damaged or destroyed by an Owner or any of his guests, tenants, invitees, agents, employees or members of his family as a result of negligence or misuse, the Owner shall immediately, at Owner's expense, repair the damaged area or property in a good and workmanlike manner, in accordance with the original plans and specifications of the area involved, or as the area may have been modified or altered subsequently by the Association. All costs related to such correction, repair or restoration shall be a Lot Assessment (as hereinafter defined), payable by the responsible Owner immediately upon receipt of a written invoice or statement therefor.

Section 3.5 Rules and Regulations. All Owners shall comply with the rules and regulations adopted and amended from time to time by the Board of Directors, the ARB and this Declaration. Such rules and regulations shall be for the purpose of elaboration and administration of the provisions of this Declaration and shall relate to the overall development of the Property, and shall not in any way diminish the powers of self-government of the Association.

ARTICLE IV

The Association's duties shall commence upon the completion of any improvements upon the Common Property, irrespective of which entity holds title thereto, and shall include the management, operation, maintenance, repair, servicing, replacement, and renewal of all improvements, equipment, and tangible personal property installed by Developer as a part of the Common Property. The Association shall keep the improvements located on the

Common Property, including fixtures and personal property of the Association, insured for the maximum insurable replacement value, excluding foundation and excavation costs, as determined by the Board of Directors. (c) Rules and Regulations. Developer reserves to itself, its successors and assigns, and following the conveyance of the Common Roads to the Association, grants to the Association, its successors and assigns: (a) the absolute and unrestricted right, but not the obligation, to limit, restrict or deny the ingress of any person, except Owners and Mortgagees, who, in the sole determination of Developer of the Association, does not belong or have business on the Property, or who may create or participate in a disturbance or nuisance on any part of the Property, or who is otherwise undesirable, through use of a controlled or guarded entranceway, or through such other means and upon such terms and conditions as Developer or the Association may reasonably determine; (b) the right to control and regulate all types of vehicular traffic and parking on all or any part of the Common Roads; (c) the right to require the removal of any shrub, bush, fence, wall, tree or other item of any sort which might, in the sole opinion of Developer or the Association impair or obstruct a motorist's vision on any of Common Roads or public road adjacent to the Property; (d) the right to enforce claims against any Owner responsible for damages to any Common Roads; (e) the right to enforce claims against any Owner responsible for damages to any Common Roads; and (f) the right to assign in whole or in part the rights reserved herein to any person, including, without limitation, the Association. Such rights shall be permissive and neither Developer nor the Association shall have any obligation to exercise such rights.

(d) Dedication. Developer, in its sole discretion, and without the consent or joinder of any Owner or holder of a Mortgage, shall have the right to redesignate, relocate, or close any Common Roads, or to convey title to or dedicate the Common Roads to the Association, or to any public agency or authority having jurisdiction over such roadway, without the consent or joinder of any Owner or holder of a Mortgage, so long as no Owner or Mortgagee is denied reasonable access from its Lot to a public road right-of-way by reason thereof. In the event of redesignation, relocation, or closure, the Owners' easement over such Common Roads shall be automatically terminated, and if necessary the Association shall reconvey the Common Roads to Developer.

Section 4.3 Utility Easements.

(a) **Blanket Easement.** Developer reserves for itself, its successors and assigns, a nonexclusive, perpetual, alienable blanket easement for the benefit of the Property upon, across, over, through, and under the Property for ingress, egress, installation, replacement, repair, use and maintenance of all utility and service lines and service systems, public and private, including, but not limited to, water, sewer, drainage, irrigation systems, telephones, electricity, television cable or communication lines and systems, and police powers and services supplied by the local, state and federal governments. (c) **Cable Easements.** Developer reserves for itself, its successors and assigns, and grants to the Association and its designees, a perpetual, exclusive easement for the installation, maintenance, and supply of radio and television cable over, under and across the rights of way and easement areas on any recorded plat of the Property. If the Association elects to enter into a "bulk rate contract" for cable television, cable television service shall be supplied to each Lot and each Owner shall be required to pay all costs in connection therewith.

Section 4.4 Stormwater Management System.

(a) **Blanket Easement.** The plan for the development of the Property includes the construction of a Stormwater Management System including, without limitation, retention areas, swales, conduits, and berms across the rear and side of certain Lots. Developer reserves for itself, its successors and assigns, and conveys to the Association, its designees and agents, a nonexclusive, perpetual, alienable blanket easement over, under and across the ground within the Property, including any platted easements and any easements reserved herein or otherwise, for ingress, egress, installation, replacement, repair, use and maintenance to maintain and correct the drainage of surface water. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil, construct or modify any berms placed along the rear of Lots as part of the Stormwater Management System, or to take any other similar action reasonably necessary, following which Developer or the Association shall restore the affected property to its original condition as nearly as practicable; provided, however, that Developer or the Association shall not be required to replace or repair fences, walks, structures, landscaping, or other improvements which are removed or damaged. Developer or Association shall give reasonable notice of intent to take such action to all affected Owners, unless, in the opinion of Developer or the Association, an emergency exists which precludes such notice. The right granted hereunder may be exercised at the sole option of Developer or the Association and shall not be construed to obligate Developer or the Association to take any affirmative action in connection therewith.

(b) **Maintenance Easement.** The Association is granted a perpetual, nonexclusive easement for ingress and egress over and across the Stormwater Management System as shown on the Plat of the Property for the purpose of providing the maintenance required herein. The Association is granted a perpetual non-exclusive easement for ingress and egress over and across the Stormwater Management System for the purpose of providing maintenance and erosion control to the embankments of such retention areas.

(c) **Maintenance.** Except as specifically set forth herein to the contrary, the Association is responsible for the maintenance, operation, and repair of the Stormwater Management System. Such maintenance shall include the exercise of practices which allow the Stormwater Management System to provide drainage, water storage, conveyance, or other capabilities in accordance with all the permits, statutes, rules, and regulations pertaining to surface water management, drainage, and

water quality promulgated by the St. Johns River Water Management District, Florida Department of Environmental Protection, and all other local, state and federal authorities having jurisdiction. The association shall be responsible for the routine removal and disposal of trash which may accumulate within the Stormwater Management System. The Association shall maintain and control the water level and quality of the Stormwater Management System and the bottoms of any retention lakes or drainage easements which retain or hold stormwater on a regular basis. The Association shall have the power, right, obligation and responsibility, as may be required by any applicable governmental entity, to control and eradicate plants, fowl, reptiles, animals, fish, and fungi in and on any portion of the retention lakes or drainage easements. The Association shall maintain all shoreline vegetation and the grade and contour of all embankments to the water's edge (as it may rise and fall from time to time), to keep the grass, plantings, and other lateral support of the embankments in a clean and safe manner and to prevent erosion; and to maintain grass at 3" height at all times. The Association shall be obligated to accept an assignment of any and all Stormwater Management System permits and the Association shall execute any minutes or other documents required to cause the permits to be transferred to the Association from the Developer, and accepting complete responsibility for any and all Stormwater Management System permits for the Property.

(d) **Improvements.** In the event that Developer, an entity designated by Developer, or the Association shall construct any bridges, docks, bulkheads or other Improvements which may extend over onto the retention area within the Stormwater Management System or construct any similar Improvements to support or enhance the Stormwater management System, the Association shall maintain all such Improvements in good repair and condition. No Owner, except Developer, its designees, or the Association shall be permitted to construct any Improvements, permanent or temporary, on, over or under any portion of the Stormwater Management System without the written consent of the Association and the approval of the ARB, which consent or approval may be withheld for any reason. Any improvements to the Stormwater Management System permitted by the Association and installed by the Owner shall be maintained by such Owner in accordance with the maintenance provisions of this Declaration.

(e) **Compliance with Stormwater Management System Permits.** Stormwater Management System Permits have been issued authorizing construction and operation of the Stormwater Management System to serve the Property. No alteration to any part of the Stormwater Management System, including but not limited to, lakes, swales, and pipes, will be allowed without the written consent of Developer or the permit issuing governmental body. All clearing, grading and other construction activities must comply with the terms and conditions of the permits. Specifically, the Owners of Lots requiring rear lot water treatment are required to install rear lot water treatment at the time of residence construction in accordance with the terms and conditions of said permits and said Owners or their heirs, successors or assigns shall be responsible for the continuing compliance with said permit. (f) **Use and Access.** Developer and the Association shall have the right to adopt rules and regulations from time to time in connection with the use of the surface waters of any portion of the Stormwater management System, and shall have the right to deny such use to any person who, in the opinion of Developer or the Association, may create or participate in a disturbance or nuisance on any part of the Stormwater management System. The use of such surface waters by the Owners shall be subject to and limited by the rules and regulations of Developer and the Association, all permits issued by governmental authorities, and any rights granted to other persons pursuant to the rules and regulations of Developer and the Association. The Owners shall have access to the Stormwater Management System only over that portion of the Common Property designated for such purpose by Developer or the Association. Neither Developer, nor

the Association shall have any liability whatsoever to Owners, guests, tenants, or invitees related to the use or access of or to the stormwater retention areas, including but not limited to any personal injury, loss or damage accruing therefrom. Each Owner, for itself and its guests, tenants or invitees, hereby and by acceptance of a Deed to, or use of, any Lot releases Developer and the Association from any liability in connection with any usage of the stormwater retention areas.

NEITHER DEVELOPER, THE ASSOCIATION, NOR ANY OF THEIR SUCCESSORS, ASSIGNS, OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE WATER QUALITY OR LEVEL IN ANY LAKE, POND, RETENTION AREA, CANAL, CREEK, OAKS AREA, STREAM OR OTHER WATER BODY WITHIN OR ADJACENT TO THE PROPERTY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR ENTITY AS REFERRED HEREIN. The purpose of this Buffer is to detain and treat stormwater prior to drainage offsite; therefore, the area must be maintained with a dense vegetative cover. Developer is planting the Buffer with a species of native marsh grass (*Spartina bakerii*) subsequent to completion of Developer's development obligations. Subsequent to this initial planting, only native species of vegetation may be planted in the Buffer. Filling and placement of impervious surface are prohibited within the Buffer. No development activities, clearing or alteration of any kind shall be allowed in the Upland Buffer area.

The wetland areas along CR210 (Lots 42-46) and the southerly boundary of the subdivision property (Lots 33-37) are considered to be Historically Isolated wetlands which are not connected/contiguous and to which no Wetland Setback applies. In general, development activities requiring a foundation are restricted in the Wetland Setback area although gazebos, filling, grading, fencing, and other such vertical and horizontal development are permitted subject to the requirements of the St. Johns County Land Development Code. All owners are advised to refer to the appropriate provisions of the St. Johns County Land Development Code before beginning any land development activity within the Wetland Setback area.

Section 4.6 Developer's Rights. The Owners of Lots subject to easements shown on any plat of the Property shall acquire no right, title, or interest in any of the cables, conduits, pipes, mains, lines, or other equipment or facilities placed on, over, or under the easement area. The Owners of Lots subject to any easements shall not construct any improvements on the easement areas, alter the flow or drainage, or landscape such areas with hedges, trees, or other landscape items that might interfere with the exercise of the easement rights. Any owner who constructs any improvements or landscaping on such easement areas shall remove the improvements or landscape items upon written request of the Developer, the Association, or the grantee of the easement.

Reconfigured Lots, for so long as only one single family Residence is located thereon, shall be subject to a single Annual Assessment. The initial Annual Assessment shall be Two Thousand and no/100 (\$2,000.00) Dollars.

Section 6.2 Special Assessments. In addition to the Annual Assessments, the Association may levy in any fiscal year a Special Assessment applicable to that year and not more than the next four (4) succeeding years for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Property, including fixtures and personal property related thereto, provided any such Special Assessment shall have the consent of Owners holding two thirds of the votes, other than Developer, voting in person or by proxy at a regular meeting or special meeting called for that purpose at which a quorum of each class of membership is present.

Section 6.5 Commencement of Annual Assessments.

(a) **Date of Commencement.** The Annual Assessments provided for herein shall commence with respect to each Lot on the date of conveyance of the Lot to an Owner, other than

Developer. The initial Annual Assessment on any Lot subject to Assessment shall be collected at the time title to such Lot is conveyed to Owner. During the initial year of ownership, each Owner shall be responsible for the pro rata share of the Annual Assessments charged to each Lot prorated to the day of closing on a per diem basis. Any other Assessments shall be paid in full without proration.

(b) **Capital Contribution.** In addition, at the closing and transfer of title of each Lot to the first Owner, other than Developer or a builder constructing the Initial Improvements thereon, such Owner shall make a working capital contribution to the Association in the sum of Two Thousand and 00/100 dollars (\$2,000.00) per Lot. These contributions to the Association shall be used for the purpose of defraying the initial and nonrecurring capital expenses of the Association, and to provided initial working capital for the Association. Such contribution shall not be considered for the Association of Annual Assessments.

Section 6.6 Nonpayment of Assessments and Remedies.

(a) **Creation of Lien.** All Assessments shall be together with any late fees, interest and costs of collection when delinquent, including reasonable attorney's fees (together, the "Assessment Charge"), a charge and continuing lien upon each Lot subject to this Declaration. This lien provided for in this Section shall be perfected by the filing of a notice of lien in the public records of the County, in favor of the Association.

(b) **Owner's Acceptance.** The Assessment Charge is also the personal obligation of the person or entity which was the Owner of such Lot at the time when the Assessment was levied and of each subsequent Owner thereof. Each Owner of a Lot, by acceptance of a deed or other transfer document therefor, whether or not it shall be so expressed in such deed or transfer document, is deemed to covenant and agree to pay to the Association the Assessment Charge established or described in this Article. Each Owner, by his Association the right and power to bring all actions against such Owner personally for the collection of such Assessment Charge as a debt and to enforce the aforesaid by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage lien on real property, and such owner is deemed to have granted to the Association a power of sale in connection with such lien. No Owner may waive or otherwise escape liability for the Assessment Charge by abandonment of his Lot.

(c) **Late Fees, Interest.** Any Assessments not paid within ten (10) days after the due date shall be subject to a late fee as determined from time to time by the Board of Directors and may, upon resolution of the Board of Directors, bear interest at a percentage rate determined by such Directors.

(d) **Remedies.** The Association may bring an action at law against the Owner or Owners personally obligated to pay such Assessment charge or foreclose the lien against the Lot upon which the Assessment Charge is made in the manner provided below. The Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Lot at such foreclosure sale and to acquire and hold, lease, mortgage and convey the same. The Board of Directors, by majority vote, shall have the right to assess fines and to suspend the voting rights and the right to the use of the Common Property by an Owner for any period during which any Assessment against his Lot that is more than thirty (30) days past due remains unpaid, and for a period not to exceed sixty (60) days for any infraction of the other provision of its rules and regulations or of this Declaration.

(e) **Subordination of Lien to Mortgages.** The lien of the Assessment Charge shall be inferior and subordinate to the lien of any Mortgage, but only to the extent of the Mortgage balance outstanding as of the date the notice of an Assessment Charge is first recorded against the Lot, plus interest and reasonable costs of collection accruing thereafter. The sale or transfer of any Lot shall not affect the Assessment Charge; however, the sale or transfer of any Lot pursuant to foreclosure of a Mortgage or deed in lieu of foreclosure shall extinguish the lien of an Assessment Charge as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve the transferee of such Lot from liability for any Assessments thereafter becoming due or from the lien thereof, nor the Owner responsible for such payments from such Owner's personal liability as provided herein.

Section 6.7 Certificate of Payment. The Treasurer of the Association or the management company authorized by the Board of Directors, upon demand of any Owner liable for an Assessment, shall furnish to such Owner a certificate in writing setting forth whether such Assessment has been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid. A reasonable charge for the services involved in preparing such certificate may be assessed by the Association or management company as applicable.

Section 6.8 Budget.

(a) **Fiscal Year.** The fiscal year of the Association shall consist of the twelve (12) month period commencing on January 1 of each year.

(b) **Initial Budget.** Developer shall establish the budget for the fiscal year in which a Lot is first conveyed to an Owner other than Developer.

(c) **Preparation and Approval of Annual Budget.** Commencing December 1 of the year in which a Lot is first conveyed to an Owner who is not Developer, and on or before December 1 of each year thereafter, the Board of Directors shall adopt a budget for the coming year containing an estimate of the total amount in which it considers necessary to pay the cost of all expenses to be incurred by the Association, including, without limitation, the cost of wages, materials, insurance premiums, services, supplies and other expenses for the rendering to the Owners of all services required or permitted hereunder. Such budget shall also include such reasonable amounts as the Board of Directors considers necessary to provide working capital for the Association and to provide for a general operating reserve and reserves for contingencies and replacements. The Board of Directors shall send to each owner a copy of the budget, in a reasonably itemized form which set forth the amount of the Annual Assessments payable by each Owner, on or before December 15 preceding the fiscal year to which the budget applies. Such budget shall constitute the basis for determining each Owner's Annual Assessment as provided above. The Assessments shall be determined by dividing the amount of the Budget by the number of Lots subject to the Declaration.

(d) **Reserves.** The Association may, in its discretion, maintain reserves for (i) working capital, (ii) contingencies, (iii) replacements, and (iv) the performance of such other coordinating or discretionary functions not contrary to the terms of this Declaration which the Board of Directors may from time to time approve, which shall be collected as part of the Annual Assessment as provided above. The amount and manner of collection of reserves shall be as determined by the Board of Directors, in its sole discretion. Extraordinary expenditures not originally included in the annual budget which may become necessary during the year shall be charged first against such reserves. Except in the event of an emergency, reserves accumulated for one purpose may not be expended for any other purpose unless approved by the Members of the Association holding the majority of the votes. If the reserves are inadequate for any reason, including nonpayment of any Owner's Assessment, the Board of Directors may, at any time, levy a Special Assessment in accordance with the provisions of this article, which may be payable in a lump sum or in installments as the Board of Directors may determine. In the event there is a balance of reserves at the end of any fiscal year and the Board of Directors so determines, any excess reserves may be taken into account in establishing the next year's budget and may be applied to defray general expenses incurred thereunder.

(e) **Effect of Failure to Prepare or Adopt Budget.** The failure or delay of the Board of Directors to prepare or adopt an annual budget or adjusted budget for any fiscal year shall not constitute a waiver or release in any manner of an Owner's obligation to pay his Annual Assessment, as herein provided whenever the same shall be determined. In the absence of any annual Association budget or adjusted budget, each Owner shall continue to pay the Annual Assessment at the rate established for the previous fiscal year in the manner such payment was previously due, until notified otherwise.

(f) **Accounts.** Except as otherwise provided herein, all sums collected by the Board of Directors with respect to Assessments against the Owners may be commingled in a single fund.

Section 6.9 Exempt Property. In the event the Common Property is taxed separately from the Lots, the Association shall include such taxes as part of the Annual Assessment. In the event the Common Property is taxed as a component of the value of the Lot owned by each Owner, it shall be the obligation of such owner to promptly pay such taxes prior to their becoming a lien on the Property.

ARTICLE VII

ARCHITECTURAL CONTROL

Section 7.0 Purpose. The Association through the ARB shall have the right to exercise architectural control over all improvements constructed, erected, or placed upon any part of the Property, to assist in making the Property a community of high standards and aesthetic beauty. Such architectural control may include all architectural aspects of any such improvement including, without limitation, size, height, site planning, setbacks, exterior design, materials, colors, open space, landscaping, waterscaping, and aesthetic criteria. For so long as Developer owns any Lot (and irrespective of whether the class B Membership has terminated), Developer shall have the sole right to appoint the members of the ARB. Thereafter, the members of the ARB shall be appointed by the Board of Directors as designated in the Bylaws, or, if the Board of Directors fails to so appoint ARB, then the Board of Directors shall constitute the ARB.

Section 7.1 Trees and Natural Fauna. In order to preserve the natural beauty and aesthetic design of the development, and to promote the value of the development, the Property is hereby made subject to the following restrictions in this Article VII and every parcel owner agrees to be bound hereby.

No trees larger than eight (8) inches in diameter at breast height will be cut, mutilated or removed to construct or improve platted Lots unless approved by the ARB. Every reasonable effort shall be exercised to preserve existing healthy live oaks, laurel oaks, magnolias, American holly, red cedars, dogwoods and crape myrtle trees. Building pads will be designed around trees and natural areas of importance and must conform to St. Johns County tree ordinance requirements. Owners are encouraged to incorporate natural landscaping such as native trees (live oak, pine, cedar, magnolia), shrubs, and Palmettos into their landscaping plans.

Section 7.2 Construction Subject to Architectural Control.

(a) **ARB Approval.** Plans and Specifications, including landscaping and driveways, for the Initial Improvements on any Lot shall be submitted to the Developer for approval. No construction, modification, alteration or improvement of any nature whatsoever, shall be undertaken on any Lot, unless and until the Developer and ARB has approved in writing the Plans and Specifications. After completion of the Initial Improvements, no construction, modification, alteration or improvement, except for interior alterations not affecting the external structure or appearance of any Residence, shall be undertaken on any Lot unless and until a plan of such construction, modification, alteration or improvement shall have been approved in writing by the ARB. Developer shall be entitled to a final inspection and approval of all installed improvements.

(b) **Improvements Subject to Approval.** Construction, modifications and improvements subject to approval by the ARB specifically include, but are not limited to, painting or other alteration of the exterior appearance of a Residence (including doors, windows and roof), installation of antennae, satellite dishes or receivers, solar panels or other devices, construction of docks, fountains, swimming pools, whirlpools, or other pools, garages (side entry and courtyard only), construction of privacy walls or other fences, addition of awnings, signs (whether located on the Lot or in windows of the Residence), gates, flower boxes, shelves, statues, or other outdoor ornamentation patterned or brightly colored window coverings, any alteration of the landscaping or topography of the Property, including, without limitation, any cutting or removal of trees, planting or removal of plants and creation or alteration of lakes, elevation of the building pads, all fill, swales, drainage, tree wells, or similar features of the Property and all other modifications, alterations or improvements visible from any road or other Lots. All of the foregoing (excluding the Initial

Improvements) are jointly referred to herein as "Proposed Improvements".

Section 7.3 Procedures.

(a) **Application.** It shall be the responsibility of each Owner to supply four (4) sets of the documents described herein to the ARB, or to Developer as to the Initial Improvements. The ARB or Developer, as applicable, shall approve or disapprove the documents properly submitted to it in writing within thirty (30) days of such submission. Any requests shall be deemed approved if the ARB or Developer, as applicable, fails to issue a written approval or disapproval within thirty (30) days of their proper submission. The documents, materials and items to be submitted for approval shall include two (2) sets of the following: (i) the construction plans and specifications, if any, including all proposed landscaping; (ii) tree survey showing the location of trees eight inches and above shall be shown by separate symbol according to common name and size; (iii) an elevation or rendering of all Proposed Improvements, if any; (iv) samples of materials or paint colors; and (v) such items as the ARB or Developer may deem appropriate, including a foundation survey, if necessary. The application for review of the Plans and Specifications for the Initial Improvements shall be accompanied by a review fee in the amount of Three Hundred Fifty and No/100 Dollars (\$350.00), payable to the Association. The review fee for Initial Improvements may be adjusted from time to time, in the sole discretion of the ARB. The review fee shall be nonrefundable in any event, whether or not the application submitted by an Owner is approved. With respect to all other Plans and Specification, other than for the Initial Improvements, a review fee shall be established and charged totaling \$150.00 per application. If a review fee is charged, it shall be nonrefundable in any event, whether or not the application submitted by an Owner is approved. Plans will have a tree survey submitted encompassing all trees 8" in diameter or greater.

(b) **Basis for Decision.** Approval shall be granted or denied by the ARB, or Developer based upon compliance with the provisions of this Declaration, and any guidelines established pursuant thereto, the quality of workmanship and materials, the harmony of external design with its surrounds, the effect of the construction on the appearance from surrounding Lots, and all other factors, guidelines and standards promulgated from time to time including purely aesthetic considerations, which, in the sole opinion of the ARB or Developer, will affect the desirability or suitability of the construction.

In connection with its approval or disapproval of an application, the ARB or Developer shall evaluate each application for total effect. The evaluation relates to matters of judgment and taste which can not be reduced to a simple list of measurable criteria. It is possible, therefore, that an application may meet individual criteria and still not receive approval, if in the sole judgment of the ARB or Developer, its overall aesthetic impact is unacceptable. The approval of an application shall not be construed as creating any obligation on the part of the ARB or Developer to approve applications involving similar designs for different Lots nor shall the ARB imply, warrant or otherwise assure adherence to county, state or national building codes.

(c) **Uniform Procedures.** The ARB may establish uniform procedures for the review of applications, including the assessment of review fees as established from time to time, the requirement of a security deposit, the time and place of meetings, compliance bond to ensure the full and timely compliance by applicant with the conditions imposed by the ARB. No submission for approval shall be considered by the ARB unless and until such submission, in compliance with the provisions of this Article have been accepted and approved by the ARB. Developer may establish separate guidelines for the submission of the plans and specifications for the Initial Improvements.

(d) **Notification.** Approval or disapproval of applications to the ARB shall be given to the applicant in writing within thirty (30) days of receipt thereof by the ARB and subsequent to St. Johns County approval in accordance with the procedures adopted by the ARB. The ARB shall indicate its approval by stamping the plans with its seal and the date of approval. If the ARB disapproves the requested Proposed Improvement, it shall provide written notice of such disapproval to the Owner. Disapproval by the ARB may be appealed to the Board of Directors of the Association, and the determinations of the Board of Directors shall be dispositive. If the ARB does not act within the sixty (60) days period (unless an extension is agreed to) from receipt of the plans and specifications in the acceptable form, the plans and specifications for the Proposed

Improvements shall be deemed to have been approved. No construction (other than Initial Construction) or any Lot or within the Property shall be commenced, and no Residence shall be modified, except in accordance with such approved plans and specifications. The ARB and St. Johns County specifically reserve the right to inspect all improvements within thirty (30) days from the date of completion. Homeowners shall be given thirty (30) days thereafter to complete, remedy and/or repair any required modifications made by the ARB.

(e) **Landscaping.** A landscaping plan for each Lot must be submitted to and approved by Developer together with the plans for the Initial Improvements. All plant material shall be of Florida Grade Number One or better. Turf shall be established by sodding, and no seeding or sprigging shall be permitted.

Subsequent to approval by Developer of the landscaping plans submitted to hereto, the Owner shall be obligated to complete the landscaping of the Lot in accordance with such plans prior to occupancy of the Residence by the Owner or other occupant. In the event the landscaping is not completed as provided herein, the Association shall have the right to enter upon the Lot and complete the landscaping in accordance with the approved plans, in the same manner as exterior maintenance may be performed by the Association pursuant to Section 3.4 of this Declaration. The Association shall be entitled to a lien against the Lot in an amount equal to one hundred and twenty percent (120%) of the cost to complete the landscaping which shall be collected as provided in Section 6.4 hereof. ARB could require replacement of trees approved for removal for construction.

(f) **Variance.** The ARB and Developer, as applicable, may authorize variance from compliance with any of the architectural provisions of this Declaration, when circumstances such as topography, natural obstructions, hardships or aesthetic or environmental consideration require the same. Such a variance shall be evidenced by a document signed by at least a majority of the members of the ARB for a Proposed Improvement or by Developer for Initial Improvements, as applicable. If such a variance is granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Lot and the particular provisions of this Declaration covered by the variance, nor shall it affect in any way the Owners' obligation to comply with all governmental laws and regulations, including but not limited to, zoning ordinances, and set back lines or requirements imposed by any governmental or municipal authority. Any variance given pursuant to this paragraph shall be given in recordable fashion and recorded in the public records of the County.

(g) **Enforcement.** The Board of Directors shall have the authority and standing on behalf of the Association to enforce, in courts of competent jurisdiction, the decisions of the ARB.

Section 7.4 Architectural Planning Criteria. The following Architectural Planning Criteria shall apply to any Proposed Improvements on the Property. Any requirements contained in the following provisions requiring approval by the Declarant shall not be construed to in any manner limit the Declarant's reviewed rights as generally set forth in Sections 1 and 2 of this Article. The following list is not comprehensive and may be modified as deemed necessary and reasonable by the Declarant.

The Declarant may specify minimum initial expenditures (but not less than \$10,000) for landscaping of Lots, which may vary on the basis of use and location. (r) **Window Coverings.** Reflective window coverings and heat mats are expressly prohibited, and only neutral, solid colored window coverings shall be permitted on any Residence. The ARB or Developer, as applicable, may prohibit window treatments which are not reasonably compatible with the aesthetic standards of the Property.

(s) **Mailboxes.** No mailboxes, paperbox or other receptacle of any kind for any use in the delivery of mail, newspapers, magazines, packages, or similar materials shall be erected on any Lot without the approval of the Developer or ARB, as applicable, as to style and location. The ARB may elect to require group mailboxes.

(t) **Drainage.** All owners will be responsible for maintaining positive drainage from their lots. Drainage shall be restricted to the designated drainage easement and shall not be permitted to drain into adjacent lots. All drainage design and lot grading shall be conducted in accordance with the applicable St. Johns County and St. Johns River Water Management District permits and lot grading plans. Owners shall not interfere with the flow of water in accordance with said permits and drainage plans.

(u) **Energy Conservation.** Solar energy and other energy conservation devices are not prohibited or discouraged, but the design and appearance of such devices will be closely scrutinized and controlled by the ARB or Developer, as applicable, to assure consistency with the

aesthetic standards of the Property. No wind turbines or solar roof panels visible from the Common Roads shall be permitted.

(v) **Interference with Roads or Easements.** Without limiting or qualifying the other provisions of this Declaration, nothing shall be erected, constructed, planted, or otherwise placed in such a position so as to create a hazard or block the vision of motorists upon any Common Roads or any public roads within or adjacent to the Property. No modification, alteration, or improvement shall interfere with the easements or other rights set forth in this Declaration.

(w) **Trees.** The cutting, mutilation or removal of protected trees as outlined in Article VII, 7.1 hereof which is in violation of ARB approval shall be subject to the penalty imposed by the ARB. ARB shall have the right to require tree wells, ground swells or drainage systems to preserve large specimen trees.

7.5 Remedy for Violations. In the event any Proposed Improvement is constructed without first obtaining the approval of the ARB or Developer, as applicable, or is not constructed in strict compliance with any approval given or deemed given by the ARB or Developer, as applicable, or the provisions of this Article are otherwise violated, the ARB, as the authorized representative of the Association, shall have the specific right to injunctive relief to require the Owner to stop, remove, and alter any improvements in order to comply with the requirements hereof, or the ARB may pursue any other remedy available to it. In connection with this enforcement section, the ARB and Developer shall have the right to enter into any Lot or Residence and make any inspection necessary to determine that the provisions of this Declaration have been complied with. The failure of the ARB or Developer to object to any proposed Improvement prior to its completion shall not constitute a waiver of the ARB's or Developer's right to enforce this Article. The foregoing rights shall be in addition to any other remedy set forth herein for violations of this Declaration.

7.6 Reservation of Rights to Release Restrictions. In each instance where a structure has been erected, or construction thereof has substantially advanced, in such manner that some portion of the structure encroaches on any Lot line, setback line, or easement area, Developer reserves for itself, its successors, assigns and designees, the right to release such Lot from the encroachment and to grant an exception to permit the encroachment without the consent or joinder of any person, irrespective of who owns the burdened Lot or easement areas, so long as Developer, in the exercise of its sole discretion, determines that the release or exception will not materially or adversely affect the value of the adjacent Lot and the overall appearance of the Property. This reserved right shall automatically pass to the Association when Developer no longer owns any portion of the Property. Upon granting of an exception to an Owner, the exception shall be binding upon all subsequent Owners of the affected Lots and shall be recorded in the public records of the County.

7.7 No Liability. Notwithstanding anything contained herein to the contrary, the ARB and Developer shall merely have the right, but not the obligation, to exercise architectural control, and shall not be liable to any owner, its successors, assigns, personal representatives, or heirs, due to the exercise or non-exercise of such control or the approval or disapproval of any Proposed Improvement. Furthermore, the approval of any plans and specifications or any Proposed Improvements shall not be deemed to be a determination or warranty that such plans and specifications or Proposed Improvements are complete, do not contain defects, or in fact meet any standards, guidelines, or criteria of the ARB or Developer, or are in fact architecturally or aesthetically appropriate, or comply with any applicable governmental requirements, and neither the ARB, the Association, nor Developer shall be liable for any defect or deficiency in such plans and specifications or Proposed Improvements, or any injury to persons or property resulting therefrom.

ARTICLE VIII

USE OF PROPERTY

Section 8.1 Protective Covenants. In order to keep the Property a desirable place to live for all owners, the following protective covenants are made a part of this Declaration. Without limiting any

of the provisions or requirements of Article VII, the specific references to the ARB approval set forth in this article or elsewhere in this Declaration shall not be construed as a limitation of the requirements of this article.

(a) **Lot Resubdivision.** No Lot shall be further subdivided, replatted or separated into smaller Lots by any Owner. Provided however, this restriction shall not prohibit corrective deeds or similar corrective instruments. Developer shall have the right to modify subdivision plats of the property if all owners of Lots which are included within the portion of the plat so modified consent to such modification, which consent shall not be unreasonably withheld or delayed.

(b) **Residential Use.** Each Lot shall be used, improved and devoted exclusively to single family residential use, and for no commercial purpose. No time-share ownership of Lots is permitted without Developer's approval. Nothing herein shall be deemed to prevent the Owner from leasing a Residence, subject to all of the provisions of the declaration, Articles, and Bylaws nor from preventing Developer from converting the use of platted lot to be used as a road for ingress and egress from an adjacent Lot of land. Any and all Residential Leases shall not be less than one (1) year in term. The foregoing restriction shall not operate to prevent Developer or its designees from using one or more Residences for a model home or sales center during the development and sale of the Property. No other business or commercial use may be made of any part of the Property. Provided, however, an occupant of a Residence who maintains a personal or professional library, keeps person or professional books or accounts, conducts personal business (provided that such use does not involve customers, clients, employees, licenses or invitees regularly visiting the Residence), or makes professional telephone calls or correspondence in or from a Residence is engaging in a residential use and shall not be deemed to be in violation of this Section by reason thereof.

(c) **Nuisances; Other Improper Use.** No nuisance shall be permitted to exist on any Lot or Common Property so as to be detrimental to any other Lot in the vicinity thereof or to its occupants, or to the Common Property. Any activity on a Lot which interferes with television, cable, or radio reception on another Lot shall be deemed a nuisance and a prohibited activity. No immoral, offensive, or unlawful use shall be made of the property or any part thereof. All laws, zoning ordinances, orders, rules, regulations, or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the Owner or the Association, whichever shall have the obligation to maintain or repair such portion of the Property. If a dispute or question arises as to what may be or become a nuisance, the issue shall be determined by the Board of Directors.

(d) **Work Hours.** All work done by contractors, subcontractors and domestic workers must be done during daylight hours.

(e) **Insurance.** Nothing shall be done or kept in any Residence, Lot or in the Common Property which will increase the rate of insurance for the Property or any other Lot, or the contents thereof, without the prior written consent of the Association. No Owner shall permit anything to be done or kept in his Residence, on his Lot or in the Common Property which will result in the cancellation of insurance on the Property or any other Lot, or the contents thereof, or which would be in violation of any law.

(f) **Access.** Owners shall allow the Board of Directors or the agents and employees of the Association to enter any Lot for the purpose of maintenance, inspection, repair, replacement of the improvements within the Lot, or in case of emergency, for any lawful purpose, or to determine compliance with this Declaration.

(g) **Pets.** No animals, livestock or poultry of any kind shall be raised bred or kept on any Lot, except that dogs, cats or other household pets in reasonable numbers may be kept provided they are not kept, bred or maintained for any commercial use and do not create safety, health or nuisance problems. The Association further reserves the right, but no obligation, to demand that an Owner permanently remove from property all pets which create disturbances or annoyances that constitute nuisances in the sole discretion of the Board of Directors.

(h) **Signs.** No sign, advertisement or notice of any type or nature whatsoever including,

without limitation, "For Sale" and "For Lease" signs shall be erected or displayed upon any Lot, Residence, Common Property or from any window, unless express prior written approval of the size, shape, content, appearance and location has been obtained from the Board of Directors and the ARB, which approval may be arbitrarily withheld, except standard 18" x 24" typical painted real estate signs shall be allowed without prior approval. Notwithstanding the foregoing, Developer, and those persons or entities specifically designated by Developer, shall be permitted to post and display advertising signs on the Property for the marketing, sale or rental of Lots.

(i) **Parking.** All vehicles shall be parked and stored within the garages. No boats or recreational vehicles may be stored or parked within the Property unless surrounded completely from view. Only automobiles bearing current license and registration tags, as required pursuant to state law, shall be permitted to be parked on any of the Property except wholly within a garage. All parking within the Property shall be in accordance with rules and regulations adopted by the Association. No parking is allowed on the street rights-of-way, park areas, or other common areas.

(j) **Visibility at Street Intersections.** No obstruction to visibility at intersections shall be permitted. The ARB and Developer shall have the right to adopt additional restrictions concerning the height and type of trees and shrubs within any of the Lots.

(k) **Clotheslines.** No clotheslines or other clothes-drying facility shall be permitted on the Common Property or other portions of the Property where it would be visible from any Common Property or other portions of the Property where it would be visible from any Common Road or any other Lot.

(l) **Garbage and Trash Containers.** All garbage and trash containers must be placed and maintained in accordance with rules and regulations adopted by St. Johns County. No garbage or trash shall be placed elsewhere and no portion of the Property shall be used for dumping refuse. All garbage and trash containers shall be kept within an enclosed area in a location approved by the ARB.

(m) **Window Air Conditioners.** No window air conditioning unit shall be installed in any of the Residences without the prior approval of the ARB.

(n) **Temporary Structures.** No structure of a temporary character, including, without limitation, any trailer, tent, shack, barn, shed, or other outbuilding, shall be permitted on any Lot at any time, except temporary structures maintained for the purpose of construction and marketing of the Lots.

(o) **Oil and Mining Operations.** No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot or on the Property.

(p) **Hazardous Materials.** No hazardous or toxic materials or pollutants shall be maintained, stored, discharged, released, or disposed of in or under the Property except in strict compliance with applicable statutes, rules and regulations. Fuel or gas storage tanks or other flammable, combustible, or explosive fluids, materials, or substances for ordinary household use may be stored or used in the Property only in strict compliance with manufacturers' directions and applicable safety laws and codes, and shall be stored in containers specifically designed for such purposes.

(q) **Removal of Trees.** In order to preserve the environment and migratory bird populations, no trees which remain on a Lot at the time of completion of the Initial Construction thereon shall be felled, removed, or cut down unless such tree represents a hazard to the Residence or other improvements on the Lot, or to persons occupying or utilizing the Property without the consent and approval of the ARB and the obtaining of any and all governmental approvals as may be required by governmental authorities having jurisdiction over the Property. Any requested approval neither approved or denied within thirty (30) days of written request to the ARB shall be deemed

approved.

(r) **Garages.** Garage doors shall be kept closed except when automobiles are entering or leaving the garage. No garage shall at any time be used as a residence or converted to become part of a Residence, except if another garage is constructed in compliance with the provisions hereof. Provided, however, a garage may be used by Developer as a sales office during the marketing of the Property.

(s) **Soliciting.** No soliciting will be allowed at any time within the Property.

Section 8.2 Amendments and Modifications. The Board of Directors may from time to time adopt and amend rules and regulations governing the details of the operation, use, maintenance and control of the Residences, Lots, Common Property, and any facilities or services made available to the Owners. A copy of the rules and regulations adopted from time to time as herein provided shall be available to each Owner.

Section 8.3 Compliance.

(a) **Owner's Responsibility.** It shall be the responsibility of all Owners, family members of Owners, and their authorized guests and tenants to conform with and abide by the rules and regulations in regard to the use of the Residences, Lots and Common Property which may be adopted in writing from time to time by the Board of Directors or the ARB, and to see that all persons using the Owner's Lot(s) do likewise.

(b) **Violation.** Upon violation of any of the rules or regulations adopted as herein provided, or upon violations of any of the provisions of this Declaration by an Owner, or his family, tenants, or guest, the Association may levy fines as determined by the Board of Directors. To enforce the rules and regulations and the provisions of this Declaration, the Association or any Owner may bring an action for specific performance, declaratory decree or injunction, and the successful prevailing party may recover its costs and attorneys' fees in such suit.

Section 8.4 Personal Services. Employees of the Association shall not be required to attend to any personal matters or business of Owners, nor shall they be permitted to leave the Property on any private business of Owners. The uses and functions of such employees shall be governed by the Board of Directors of the Association. In the event personal services are provided to Owners by any of the employees of the Association, the Association will not assume any responsibility or be liable for, in any manner, the quality of such services or work provided, not do they warrant such services or work. In addition, the Association shall not be liable for any injury to persons or damage to property resulting from any act or omission by those performing such personal work or services for Owners.

ARTICLE IX

INSURANCE

Section 9.1 Types of Coverage.

(a) **Insurance of Common Property.** The Board of Directors shall obtain liability insurance on the Common Areas (including the Common Roads) and, if additional Common Property with significant insurable improvements are added to the Property, the Board of Directors may obtain casualty insurance and increase the amounts of liability insurance, all as is consistent with prudent business judgment, including the following:

(i) Hazard insurance on the Common Property and any improvements constructed thereon, with extended coverage, vandalism, malicious mischief and windstorm endorsements in an amount not less than that necessary to comply with the coinsurance percentage stipulated in the policy, and in any event not less than 80% of the insurable value (based upon replacement cost) of the improvements

constructed on the Common Property.

(ii) Public liability insurance in such limits as the Board of Directors may from time to time determine, insuring against any liability arising out of, or incident to, the ownership and use of the Common Property or adjoining the Property. Such insurance shall be issued on a comprehensive liability basis and shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an owner because of negligent acts of the Association, the Board of Directors or other Owners. The Board of Directors shall review such limits once a year.

(b) **Insurance on Lots.** It shall be the responsibility of each Owner to obtain, at his own expense, liability insurance with respect to the Ownership and use of his Lot, including his Residence, and the Association shall not be responsible for obtaining such insurance or have any liability whatsoever in connection therewith. It shall be the responsibility of each owner to obtain and maintain fire insurance and insurance against the perils customarily covered by an extended coverage endorsement in an amount equal to not less than the full replacement cost of the Residence and shall submit evidence of such insurance coverage together with evidence of payment of the most recent premium therefor to the Association, upon request. Hazard insurance on the Common Property and any improvements constructed thereon, with extended coverage, vandalism, malicious mischief and windstorm endorsements in an amount not less than that necessary to comply with the coinsurance percentage stipulated in the policy, and in any event not less than 80% of the insurable value (based upon replacement cost) of the improvements constructed on the Common Property.

(c) **Group Insurance.** Nothing set forth herein shall prevent the Association, upon majority vote of the Class A Members and the assent of the Class B Member, if any, from obtaining a group or master insurance policy, and if so approved and obtained, the Association shall charge the premium for the individual Lots as a Lot Assessment. All policies of insurance obtained by Owners or the Association which cover the Residences and Lots shall contain (i) waivers of subrogation, (ii) waivers of any reduction of pro rata liability of the insurer as a result of any insurance carried by any other Owner, (iii) waivers of invalidity arising from any acts of the insured, and (iv) provisions that such policies may not be canceled or substantially modified without ten (10) days prior written notice of all insured.

(d) **Director and Officer Liability Insurance.** The Board of Directors may obtain as a matter of common expense, payable from the Annual Assessments, liability insurance against personal loss for actions taken by members of the Board of Directors and officers of the Association in the performance of their duties. Such insurance shall be of the type and amount determined by the Board of Directors, in its discretion.

(e) **Other Coverage.** The Board of Directors shall obtain and maintain worker's compensation insurance, if and to the extent necessary to meet the requirements of law, and such other insurance as the Board of Directors may determine or as may be requested from time to time by a majority of the Owners. The Board of Directors may from time to time increase or decrease the types and amounts of insurance coverage as may be necessary or convenient to comply with requirement of Mortgagees or based upon the cost and availability of such coverage.

Section 9.2 Repair and Reconstruction After Fire or Other Casualty.

(a) **Common Property.** In the event of damage to or destruction of all or any of the improvements on the Common Property as a result of fire or other casualty, the Board of Directors shall arrange for and supervise their prompt repair and restoration substantially in accordance with the plans and specifications under which the improvements were originally constructed, or any modification thereof approved by the Board of Directors and the ARB. The Board of Directors shall proceed towards reconstruction of such improvements as quickly as practicable under the circumstances and shall obtain funds for such reconstruction from the insurance proceeds and any Special Assessments that may be necessary after exhaustion of reserves for the repair and replacement of such improvements.

(b) **Residences.** Any Owner whose Residence is destroyed or damaged by fire or other casualty shall immediately proceed to build and restore his Residence to the conditions existing immediately prior to such damage or destruction, unless other plans are approved in accordance with the provisions of Article VIII above. Provided, however, if the damage is so extensive that the owner determines not to rebuild the Residence, the owner may remove all remaining improvements and debris and sod the Lot. In such event, all landscaping obligations on the part of Owner shall remain in effect.

ARTICLE X

ASSOCIATION LIABILITY

Section 10.1 Disclaimer of Liability. Notwithstanding anything contained herein, in Articles, or bylaws of the Association, or any other document governing or binding the Association (jointly referred to herein as "Association Documents"), the provisions hereof shall not be construed to mean that the Developer or the Association shall be liable or responsible for in any manner as a guarantor or insurer of, the health, safety nor welfare of any Owner, occupant or user of any portion of the Property, including, without limitation, Owners, residents, their families, guests, invitees, agents, servants, contractors or subcontractors, nor for any property of such persons.

Section 10.2 Specific Provisions. Without limiting the generality of the foregoing:

(a) It is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern and regulate the use of the Property have been written and are to be interpreted and enforced for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof.

(b) Neither Developer nor the Association is empowered nor have they been created to act as an entity which enforces or insures compliance with the laws of the United States of America, State of Florida, County, or any other jurisdiction or prevents tortious or criminal activities.

(c) The provision of the Association Documents setting forth the uses of Assessments which may relate to health, safety, and welfare shall be attributed and implied only as limitations on the usage of such funds and not as creating an obligation of the Association or Developer to protect the health, safety or welfare of any persons.

Section 10.3 Owner Covenant. Each Owner, his heirs, successors and assigns (by virtue of his acceptance of title of his Lot) and each other person or entity having an interest in or a lien upon or making use of, any portion of the Property (by virtue of accepting such interest or lien making use thereof) shall be bound by this Article and shall be deemed to automatically waive all rights, claims, demands, and causes of action against the Association or Developer arising from or connected with any manner for which the liability of the Association or Developer has been described in this Article.

ARTICLE XI

PROPERTY SUBJECT TO DECLARATION AND ANNEXATION

Section 11.1 Existing Property. The Property which initially is and shall be held, transferred, sold, conveyed, encumbered, and occupied subject to this Declaration consists of that land described in the Recitals above and as further attached hereto on Exhibit A, which is by reference incorporated herein..

ARTICLE XII

GENERAL PROVISIONS

Section 12.1 Duration. This Declaration, as amended and supplemented from time to time, shall run with and bind the Property and shall inure to the benefit of and be binding upon Developer, the Association, the Owners, and their respective legal representatives, heirs, successors or assigns, for a

term of forty (40) years from the date this Declaration is recorded in the public records of the County, after which time all of said provisions shall be extended automatically for successive periods of ten (10) years each unless an instrument or instruments signed by the then Owners of seventy five percent (75%) of the Lots subject to this Declaration agreeing to terminate all of said provisions as of a specified date. Unless this Declaration is terminated as provided above, the Association shall rerecord this Declaration or other notice of its terms at intervals necessary under Florida law to preserve its effect.

Section 12.2 Condemnation. In the event all or part of the Common Property or the Common Roads shall be taken or condemned by any authority having the power of eminent domain, all compensation and damages shall be paid to the Association. The board of Directors shall have the right to act on behalf of the Association with respect to the negotiation an litigation of the taking or condemnation affecting such Property. The Owners holding seventy five percent (75%) of the votes agree to distribute the proceeds of any condemnation or taking by eminent domain, and if the owners shall not so agree, such proceed shall be added to the funds of the Association.

Section 12.3 Notices. Any notice required to be sent to the Owner of any Lot under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, or hand delivered to the Lot and to the last known address of the person who appears as Owner of such Lot on the records of the Association at the time of such mailing, if different.

Section 12.4 Enforcement. In addition to the enforcement provisions previously set forth in this Declaration, the provisions of this Declaration may be enforced by any owner, by the Association, or by Developer (as long as it owns any interest in the Property) against any person, firm, corporation, trust, or other entity which violates or attempts to violate any of the covenants or restrictions hereof, by prosecuting any proceeding at law or in equity for the recovery of damages, for the purpose of preventing or enjoying all or any such violations or attempted violations, or for the enforcement of any lien created by this Declaration.

In addition to all other remedies, the Board of Directors shall have the authority, in its sole discretion, to impose a fine or fines upon any Owner for failure of the owner, his family, guests or invitees, tenants, or occupants, to comply with this covenant, restriction, rule, or regulation contained in this Declaration, the Articles, or the Bylaws, provided the following procedures are adhered to:

(a) The Association shall notify the Owner or occupant of the infraction(s) and the date and time of the next Board of Directors' meeting.

(b) At such meeting, the Board of Directors shall be presented with the infraction(s) and shall give the Owner or occupant the opportunity to present reasons why penalties should not be imposed. A written decision of the Board of Directors shall be provided to the Owner or occupant within twenty-one (21) days after the date of the meeting.

(c) The Board of Directors may impose fines against the applicable Lot of up to Fifty Dollars (\$50.00) per incident. The maximum permitted fine may be increased from time to time by the Board of Directors, as it in its discretion may deem necessary or convenient.

(d) Each incident which is grounds for a fine shall be the basis for a separate fine. In case of continuing violations, each continuation after notice is given shall be deemed a separate incident.

(e) Fines shall be paid within thirty (30) days after the receipt of notice of their imposition.

(f) All monies received from fines shall be allocated as directed by the Board of Directors.

(g) The imposition of a fine shall not be an exclusive remedy and shall exist in addition to all other rights and remedies to which the Association may otherwise be entitled, including without limitation the right to impose a Lot Assessment; however, any fine paid by Owner or occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to

recover by law from such Owner or occupant.

The remedies contained in this section shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of Developer, the Association, or any Owner, or their respective successors or assigns, to enforce any covenant, restriction, obligation, right, power, privilege, authority, or reservation herein contained, however long continued, shall not be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto. **The St. Johns River management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, and repair of the Storm Water or Surface Water Management System.**

Section 12.5 Interpretation. Unless the context expressly requires otherwise, the use of the singular includes the plural and vice versa; the use of all genders; the use of the terms "including" or "include" is without limitation; and the use of the terms "will", "must", and "should" shall have the same effect as the use of the term "shall". wherever any time period is expressed in days, if such time period ends on a Saturday, Sunday, or legal holiday, it shall be extended to the next succeeding calendar day that is not a Saturday, Sunday or legal holiday. The terms "Lot" and "Property" mean all or any portion applicable to the context, and include all improvements, fixtures, trees, vegetation, and other property from time to time situated thereon, and the benefit of all appurtenant easements. The terms of this Declaration shall be liberally construed in favor of the party seeking to enforce its provisions to effectuate their purpose of protecting and enhancing the value, marketability, and desirability of the Property by providing a uniform and consistent plan for the development and enjoyment thereof. Headings and other textual divisions are for convenience only and are not to be used to interpret, construe, apply, or enforce any substantive provisions. The provisions of this subparagraph apply also to the interpretation, construction, application, and enforcement of all the Association Documents.

Section 12.6 Invalidity. The invalidity of any part of this Declaration shall not impair or affect in any manner the validity, enforceability or effect of the balance of the Declaration, which shall remain in full force and effect.

Section 12.7 Litigation. No judicial or administrative proceedings shall be commenced or prosecuted by the Association unless the same is approved by a vote of the Owners holding seventy-five percent (75%) of the votes in the Association, either in person or by proxy at a duly called meeting, or by written consent without meeting in a manner permitted by law by Owners holding seventy-five percent (75%) of votes in the Association. This section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, foreclosure of lien), (b) imposition of Assessments as provided herein, (c) proceedings involving challenges, to any taxation, or (d) counter claims brought by the Association in proceedings instituted against it. Notwithstanding the provisions of this Section, this Section shall not be amended unless such Amendment is approved by Developer or is approved by the percentage vote pursuant to the same procedures as are necessary to institute proceedings and provided above.

Section 12.8 Amendment. This Declaration may be amended at any time by an instrument signed by the President or Vice President and Secretary or Assistant Secretary of the Association, certifying that such amendment has been adopted by Owners holding seventy-five percent (75%) of the voted in the Association, either in person or by proxy at a duly called meeting, or by written consent without meeting in a manner permitted by law by Owners holding seventy-five percent (75%) of the votes in the Association, which amendment shall become effective upon its filing in the public records of the County; provided, however, that:

(a) As long as Developer is an Owner of any Lot, no amendment shall become effective without the written consent of Developer.

(b) Developer specifically reserves the absolute and unconditional right so long as it owns any of the Property to amend this Declaration without the consent or joinder of any party (i) to conform to the requirements of any holder of a mortgage or (ii) to conform to the requirements of title insurance companies, (iii) to conform to the requirements of any governmental entity having

control over or jurisdiction over the Property, (iv) to clarify the provisions hereof, or (v) in such other manner as developer deems necessary and convenient.

(c) Any amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Property, must have prior approval of the St. Johns River Water Management District.

Section 12.9 Rights of Mortgagees. All Mortgagees shall have the following rights:

(a) During normal business hours, and upon reasonable notice and in a reasonable manner, to inspect current copies of the Association Documents and the books, records and financial statements of the Association.

(b) Upon written request to the Secretary of the Association, to receive copies of the annual financial statements for the immediately preceding fiscal year of the Association, provided, however, the Association may make a reasonable, uniform charge to defray its costs incurred in providing such copies.

(c) To designate a representative to attend all meetings of the Members of the Association who shall be entitled to a reasonable opportunity to be heard in connection with any business brought before such meeting, but in no event shall be entitled to vote thereon.

(d) By written notice to the Secretary of the Association, and upon payment to the Association of any reasonable, uniform annual fee established from time to time by the Association to defray its costs, to receive: (i) any notice that is required to be given to the Class A Members under any provision of the Association Documents; (ii) written notice of any condemnation or casualty loss affecting a material portion of the Property or any Lot encumbered by its Mortgage; (iii) any sixty (60) day delinquency in the payment of Assessment Charges imposed upon any Lot encumbered by its Mortgage; (iv) the lapse, cancellation, or material modification of any insurance coverage or fidelity bond maintained by the Association; and (v) any proposed action requiring the consent of a specified percentage of Mortgagees.

Section 12.10 Legal Fees and Costs. The prevailing party in any dispute arising out of the subject matter of this Declaration or its subsequent performance shall be entitled to reimbursement of its costs and attorney's fees, whether incurred before or at trial, on appeal, in bankruptcy, in post-judgment collection, or in any dispute resolution proceeding, and whether or not a lawsuit is commenced.

Section 12.12 Action Without Meeting. Any action required to be taken hereunder by vote or assent of the Members may be taken in the absence of a meeting by obtaining the written approval of the requisite percentage of all of the votes in the Association. Any action so approved shall have the same effect as though taken at a meeting of the Members, and such approval shall be duly filed in the minute book of the Association.

Section 12.12 Law to Govern. This Declaration shall be construed in accordance with the laws of the State of Florida, both substantive and remedial.

ARTICLE 13

ADDITIONAL SPECIAL PROVISIONS

Section 13.5 Natural Foliage and Trees. All lots along CR210 are subject to a 50 foot building setback from the right of way line of CR210. No building foundations may be located within this setback although accessory structures are permitted.

Section 13.6 Conflict and Enforcement. If in the event these deed restrictions conflict with any existing St. John County Building Code Ordinance and/or jurisdictional obligation, or the Payasada Estates PUD, the more restrictive of the two shall apply.
