In the event of default by the Mortgagor under any term or condition of this mortgage, the note secured by the same, or the Construction Loan Agreement pertaining to all of said subdivision, then and in such event the 57 mortgages shall, upon filing of a certificate to the effect by the mortgagee, be deemed ipso facto one mortgage securing a total indebtedness of the 57 notes, and said one mortgage shall be deemed to be one lien. The 57 mortgages (this mortgage and the 56 other mortgages) shall constitute one construction fund for multi-unit buildings consisting of 57 units. The proceeds of each promissory note secured by the respective mortgages shall be combined into and shall constitute said one construction fund and shall be disbursed in accordance with the Construction Loan Agreement of even date, which agreement by reference is made a part hereof. Upon a sale or conveyance of any interest in and to all of the encumbered property, the principal sum secured hereby and the principal sums secured by the other 56 mortgages, shall, at the Mortgagee's option, become immediately due and payable, and any such sale or conveyance shall be deemed to be a default by the Mortgagor under the terms of this mortgage. However, at such date as the Mortgagor completes said subdivision improvements to the satisfaction of Mortgagee, and the manager's housing unit is purchased by the aforesaid homeowners association and a deed therefor is filed of public record, and providing the Mortgagor has consented in writing of record thereto, this clause shall be null and void and any conveyance or deed thereafter shall be governed by the other clauses hereinbefore and hereinafter set forth.

2. At such date as the subdivision above referred to has been fully completed in accordance with the original specifications as submitted to the Mortgagee, and all certificates of occupancy have been issued, and providing this mortgage, the note secured hereby, the other notes and mortgages referred to herein, and the Construction Loan Agreement shall not be in default of any term or condition, and the Mortgagor has submitted proper evidence of payment in full to all mechanics and materialmen and fitters, the principal sum shall enter into the sphere of public record, and when the security for this mortgage shall be last released from execution or attachment, it shall be subject as released to the original mortgage without the remaining balance of the principal sum.

3. The Mortgagor, the manager, the homeowners association, the manager's housing unit, the developer, the original owner, the original occupants, and the manager's housing unit, will abide all covenants and restrictions of the original Declaration of Covenants and Restrictions and the voluntary Declaration of Covenants and Restrictions and By-Laws of the homeowners association, and shall, with respect to the premises described herein, any failure to do so which is not cured within 30 days after notice given to the Mortgagee by the Mortgagor, and the homeowners association, shall constitute a default under said agreement, resulting in the right of the Mortgagee to foreclose and sell the property.

Nothing herein contained shall be construed as releasing the party liable for such delinquent assessment from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.
- (l) Election of Remedies - Institution of a suit at law to attempt to effect collection of the payment of any delinquent assessment shall not be deemed to be an election by the Association which will prevent its member seeking enforcement of the collection of any sums remaining owing to it by foreclosing nor shall pro-

ceeding by foreclosure to attempt to effect such collection, shall be deemed to be an election precluding the institution of a suit at law to attempt to effect collection of any sum then remaining owing to the Association.

If any mortgagee gives the Association written notice of the existence of its mortgage, including the book and page where the original mortgage appears in the Public Records of St. Johns County, Florida, and request the Association to notify mortgagee in the event of default in payment of any assessments levied against the mortgaged lot, then and in such event, the Association shall comply with such request, and so notify mortgagee each time the owner of the mortgaged lot is more than thirty (30) days late in payment of any assessment.
