**Section 7.2 Special Assessments.** In addition to the Annual Assessments, the Association may levy in any fiscal year a Special Assessment applicable to that year and not more than the next four (4) succeeding years for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Property, including fixtures and personal property related thereto, provided any such Special Assessment shall have the consent of Owners holding two thirds of the votes, other than Developer, voting in person or by proxy at a regular meeting or special meeting called for that purpose at which a quorum of each class of membership is present. Special Assessments shall be collectible in advance in any manner established by the Board of Directors.

**Section 7.3 Emergency Assessments.** The Association may also levy an Emergency Assessment at any time by a majority vote of the Board of Directors, for the purpose of defraying, in whole or in part, the cost of any extraordinary or emergency matters, as determined by the Board of Directors in its sole discretion, that affect all the Common Property or Members of the Association, including, after depletion of any applicable reserves of this Article, any unexpected expenditures not provided by the Budget or unanticipated increases in the amounts budgeted. Any such Emergency Assessment shall be due and payable at the time and in the manner specified by the Board of Directors.

**Section 7.4 Lot Assessments.** In addition to the Annual and Special Assessments authorized above, the Board of Directors, by majority vote, may from time to time levy a Lot Assessment against a particular Lot and the Owner thereof for the purpose of defraying, in whole or in part, the cost of any repair, maintenance or restoration as provided in this Declaration; any construction, reconstruction, repair or replacement of a capital improvement upon or serving the specific Lot, including any additional special services to such Lot, the cost of which is not included in the Annual Assessment; or to reimburse the Association for any costs it incurs as a result of the Owner's failure to comply with this Declaration or any damage to the Common Property.

**Section 7.5 Commencement of Annual Assessments.**

**(a) Date of Commencement.** The Annual Assessments provided for herein shall commence with respect to each Lot on the date of conveyance of the Lot to an Owner, other than Developer. During the initial year of ownership, each Owner shall be responsible for the pro rata share of the Annual Assessments charged to each Lot prorated to the day of closing on a per diem basis. Any other Assessments shall be paid in full without proration.

**(b) Capital Contribution.** In addition, at the closing and transfer of title of each Lot to the first Owner, other than Developer or a builder constructing the Initial Improvements thereon, such Owner shall make a working capital contribution to the Association in the sum of Five Hundred and 00/100 dollars (\$500.00) per Lot. These contributions to the Association shall be used for the purpose of defraying the initial and nonrecurring capital expenses of the Association, and to provide initial working capital for the Association.

**Section 7.6 Nonpayment of Assessments and Remedies.**

(a) **Creation of Lien.** All Assessments shall be, together with any late fees, interest and costs of collection when delinquent, including reasonable attorney's fees (together, the "Assessment Charge"), a charge and continuing lien upon each Lot subject to this Declaration. This lien provided for in this Section shall be perfected by the filing of a notice of lien in the public records of the County, in favor of the Association.

(b) **Owner's Acceptance.** The Assessment Charge is also the personal obligation of the person or entity which was the Owner of such Lot at the time when the Assessment was levied and of each subsequent Owner thereof. Each Owner of a Lot, by acceptance of a deed or other transfer document therefor, whether or not it shall be so expressed in such deed or transfer document, is deemed to covenant and agree to pay to the Association the Assessment Charge established or described in this Article. The Association shall have the right and power to bring all actions against such Owner personally for the collection of such Assessment Charge as a debt and to enforce the aforesaid by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage lien on real property, and such owner is deemed to have granted to the Association a power of sale in connection with such lien. No Owner may waive or otherwise escape liability for the Assessment Charge by abandonment of his Lot or by waiving the right to use Common Property nor shall non-use of the Common Property relieve an owner of his liability for the Assessment Charge.

(c) **Late Fees, Interest.** Any Assessments not paid within ten (10) days after the due date shall be subject to a late fee as determined from time to time by the Board of Directors and may, upon resolution of the Board of Directors, bear interest at a percentage rate determined by the Board of Directors.

(d) **Remedies.** The Association may bring an action at law against the Owner or Owners personally obligated to pay such Assessment Charge or foreclose the lien against the Lot upon which the Assessment Charge is made in the manner provided below. The Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Lot at such foreclosure sale and to acquire and hold, lease, mortgage and convey the same. The Board of Directors, by majority vote, shall have the right to assess fines pursuant to statutory guidelines and procedures set forth in Section 720.305 Florida Statutes and may suspend the voting rights and the right to the use of the Common Property by an Owner for any period during which any Assessment against his Lot that is more than ninety (90) days past due remains unpaid.

(e) **Subordination of Lien to Mortgages.** The lien of the Assessment Charge shall be inferior and subordinate to the lien of any Mortgage, but only to the extent of the Mortgage balance outstanding as of the date the notice of an Assessment Charge is first recorded against the Lot, plus interest and reasonable costs of collection accruing thereafter. The sale or transfer of any Lot shall not affect the Assessment Charge. No sale or transfer shall relieve the transferee of such Lot from liability for any Assessments thereafter becoming due or from the lien thereof, nor the Owner responsible for such payments from such Owner's personal liability as provided herein.

**Section 7.7 Certificate of Payment.** The Treasurer of the Association or the management company authorized by the Board of Directors, upon demand of any Owner liable for an Assessment, shall furnish to such Owner a certificate in writing setting forth whether such Assessment has been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid. A reasonable charge for the services involved in preparing such certificate may be assessed by the Association or management company as applicable.

**Section 7.8 Assessments on Developer Property.** The Developer shall not be required to pay any Assessments or Special Assessments and shall not be subject to any lien for such assessments during the Development Period. During the Development Period the Developer shall pay the actual operating expenses incurred by the Association, excluding major repairs, replacements, reserves and deferred maintenance which cannot be paid by application of Assessments collected from the Owners other than the Developer. The Development Period shall be

defined as the period of time beginning with conveyance of the first Lot to an Owner other than the Developer and ending on the later to occur of the date that the Developer notifies the Association that it will no longer pay for the shortfall between Assessments collected and the total operating expenses of the Association or the date that the Class B membership ceases to exist and converts to Class A Membership. At that time, the Developer shall pay Assessments on Lots owned by the Developer and at that time, the Developer shall no longer be required to pay the unfunded actual expenses of the Association.

## ARTICLE VIII

### ARCHITECTURAL CONTROL

**Section 8.1 Architectural Review Board.** The Association shall establish an ARB which shall consist of either three (3) or five (5) members. Members of the ARB do not have to be members of the Association. For so long as Developer owns any Lot (and irrespective of whether the class B Membership has terminated), Developer shall have the sole right to appoint the members of the ARB. Thereafter, the members of the ARB shall be appointed by the Board of Directors, or, if the Board of Directors fails to so appoint an ARB, then the Board of Directors shall constitute the ARB. Any vacancies on the ARB shall be filled by appointment by the Board of Directors. A quorum shall be established by the presence of a majority of the ARB members at any ARB meeting and a majority vote by those ARB members present at an ARB meeting shall constitute the action of the ARB.

**Section 8.2 ARB Authority & Duties.** The ARB shall have the following authority:

(a) In order to assist in making the Property a community of high standards and aesthetic beauty, the ARB shall be charged with making a recommendation to the Board of Directors to approve or disapprove all proposed construction and improvements to any Lot and any alteration, addition, change or modification thereto, other than initial construction constructed, erected, or placed upon any part of the Property. Such architectural control may include all architectural aspects of any such improvement including, without limitation, size, height, site planning, setbacks, exterior design, materials, colors, open space, landscaping, and aesthetic criteria. Plans and Specifications, including landscaping and driveways for the Initial Improvements on any Lot shall be submitted to the Developer for approval. No construction, modification, alteration or improvement of any nature whatsoever, shall be undertaken on any Lot, unless and until the Developer or the ARB, as the case may be, has approved in writing the Plans and Specifications.

(b) The ARB shall be authorized to require two (2) sets of plans and specifications for any proposed improvements, hereinafter the "Proposed Improvements" which are to be reviewed by the ARB. Additionally, the ARB may require submission of samples of building materials and any other information necessary to allow a complete assessment or evaluation of any proposed construction or improvements.

(c) The ARB shall be authorized to set up a fee schedule charging reasonable fees for the processing and evaluation of submissions to the ARB. The fees are to be paid to the Association along with the submission to the ARB.

(d) The ARB shall have the authority to recommend amendments to the architectural criteria to the Developer or the Board of Directors. Upon adoption of any such amendment, a complete copy of such amendment shall be provided to each member of the Association.

The architectural criteria and any amendments thereto shall not be recorded in the public record and failure to provide a copy of same or an amendment to same shall not be a condition precedent to the effectiveness or validity of the architectural criteria or an amendment thereto.

**Section 8.3 Variance.** The ARB and Developer, as applicable, may authorize variance from compliance with any of the architectural provisions of this Declaration, when circumstances such as

topography, natural obstructions, hardships or aesthetic or environmental consideration require the same. Such a variance shall be evidenced by a document signed by at least a majority of the members of the ARB for a Proposed Improvement or by Developer for Initial Improvements, as applicable. If such a variance is granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Lot and the particular provisions of this Declaration covered by the variance, nor shall it affect in any way the Owners' obligation to comply with all governmental laws and regulations, including but not limited to, zoning ordinances, and set back lines or requirements imposed by any governmental or municipal authority. Any variance given pursuant to this paragraph shall be given in recordable fashion and recorded in the public records of the County.

**Section 8.4 Enforcement.** The Board of Directors shall have the authority and standing on behalf of the Association to enforce, in courts of competent jurisdiction, the decisions of the ARB.

**Section 8.5 Remedy for Violations.** In the event any Proposed Improvement is constructed without first obtaining the approval of the ARB or Developer, as applicable, or is not constructed in strict compliance with any approval given or deemed given by the ARB or Developer, as applicable, or the provisions of this Article are otherwise violated, the Board of Directors shall have the specific right to injunctive relief to require the Owner to stop, remove, and alter any improvements in order to comply with the requirements hereof, or the Board of Directors may pursue any other remedy available to it. In connection with this enforcement section, the Board of Directors or Developer shall have the right to enter into any Lot or Residence and make any inspection necessary to determine that the provisions of this Declaration have been complied with. The failure of the ARB, the Board of Directors or Developer to object to any proposed Improvement prior to its completion shall not constitute a waiver of the right of the Association or the Developer to enforce this Article. The foregoing rights shall be in addition to any other remedy set forth herein for violations of this Declaration.

**Section 8.6 Reservation of Rights to Release Restrictions.** In each instance where a structure has been erected, or construction thereof has substantially advanced, in such manner that some portion of the structure encroaches on any lot line, setback line, or easement area, Developer reserves for itself, its successors, assigns and designees, the right to release such Lot from the encroachment and to grant an exception to permit the encroachment without the consent or joinder of any person, irrespective of who owns the burdened Lot or easement areas, so long as Developer, in the exercise of its sole discretion, determines that the release or exception will not materially or adversely affect the value of the adjacent Lot and the overall appearance of the Property. This reserved right shall automatically pass to the Association when Developer no longer owns any portion of the Property. Upon granting of an exception to an Owner, the exception shall be binding upon all subsequent Owners of the affected Lots and shall be recorded in the public records of the County.

**Section 8.7 No Liability.** Notwithstanding anything contained herein to the contrary, the ARB and Developer shall merely have the right, but not the obligation, to exercise architectural control, and shall not be liable to any owner, its successors, assigns, personal representatives, or heirs, due to the exercise or non-exercise of such control or the approval or disapproval of any Proposed Improvement. Furthermore, the approval of any plans and specifications or any Proposed Improvements shall not be deemed to be a determination or warranty that such plans and specifications or Proposed Improvements are complete, do not contain defects, or in fact meet any standards, guidelines, or criteria of the ARB or Developer, or are in fact architecturally or aesthetically appropriate, or comply with any applicable governmental requirements, and neither the ARB, the Association, nor Developer shall be liable for any defect or deficiency in such plans and specifications or Proposed Improvements, or any injury to persons or property resulting therefrom.

**Section 8.8 Compensation.** The Board of Directors shall have the authority to pay reasonable compensation to the members of the ARB.

**Section 8.9 Initial Construction.** All proposed initial construction shall be submitted to the

Developer in writing. Submissions shall be in made as provided in Section 8.2(b). The proposed construction shall be evaluated giving due consideration to the overall development scheme and the architectural criteria. Developer shall have the right to approve or disapprove such proposed construction in its sole discretion.

**Section 8.10 Exclusive Authority.** The ultimate, sole and exclusive right to approve or disapprove proposed construction shall belong to the Developer and/ or the Association.

## **ARTICLE IX**

### **USE OF PROPERTY**

**Section 9.1 Protective Covenants.** In order to keep the Property a desirable place to live for all Owners, the following protective covenants are made a part of this Declaration. Without limiting any of the provisions or requirements of Article VIII, the specific references to the ARB approval set forth in this article or elsewhere in this Declaration shall not be construed as a limitation of the requirements of this article.

(a) **Lot Resubdivision.** No Lot shall be further subdivided, replatted or separated into smaller Lots by any Owner. Provided however, this restriction shall not prohibit corrective deeds or similar corrective instruments. Developer shall have the right to modify subdivision plats of the property if all owners of Lots which are included within the portion of the plat so modified consent to such modification, which consent shall not be unreasonably withheld or delayed.

(b) **Residential Use.** Each Lot shall be used, improved and devoted exclusively to single family residential use, and for no commercial purpose. No time-share ownership of Lots is permitted without Developer's approval. Nothing herein shall be deemed to prevent the Owner from leasing a Residence, subject to all of the provisions of the Declaration, Articles, and Bylaws nor from preventing Developer from converting the use of a Lot to be used as a road for ingress and egress from an adjacent Lot. Any and all Residential Leases shall not be less than one (1) year in term. The foregoing restriction shall not operate to prevent Developer or its designees from using one or more Residences for a model home or sales center during the development and sale of the Property. No other business or commercial use may be made of any part of the Property. Provided, however, an occupant of a Residence who maintains a personal or professional library, keeps personal or professional books or accounts, conducts personal business (provided that such use does not involve customers, clients, employees, licenses or invitees regularly visiting the Residence), or makes professional telephone calls or correspondence in or from a Residence is engaging in a residential use and shall not be deemed to be in violation of this Section by reason thereof.

(c) **Nuisances; Other Improper Use.** No nuisance shall be permitted to exist on any Lot or Common Property so as to be detrimental to any other Lot in the vicinity thereof or to its occupants, or to the Common Property. Any activity on a Lot which interferes with television, cable, or radio reception on another Lot shall be deemed a nuisance and a prohibited activity. No immoral, offensive, or unlawful use shall be made of the Property or any part thereof. All laws, zoning ordinances, orders, rules, regulations, or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the Owner or the Association, whichever shall have the obligation to maintain or repair such portion of the Property. If a dispute or question arises as to what may be or become a nuisance, the issue shall be determined by the Board of Directors.

(d) **Work Hours.** All work done by contractors, subcontractors and domestic workers must be done during daylight hours.

(e) **Access.** Owners shall allow the Board of Directors or the agents and employees of the Association to enter any Lot for the purpose of maintenance, inspection, repair, replacement of the improvements within the Lot, or in case of emergency, for any lawful purpose, or to determine compliance with this Declaration.

**(f) Pets.** No animals, livestock or poultry of any kind shall be raised bred or kept on any Lot, except that dogs, cats or other household pets in reasonable numbers may be kept provided they are not kept, bred or maintained for any commercial use and do not create safety, health or nuisance problems. The Association further reserves the right, but not the obligation, to demand that an Owner permanently remove from property all pets which create disturbances or annoyances that constitute nuisances in the sole discretion of the Board of Directors.

**(g) Signs.** No sign, advertisement or notice of any type or nature whatsoever including, without limitation, "For Sale" and "For Lease" signs, shall be erected or displayed upon any Lot, Residence, Common Property or in any window, unless express prior written approval of the size, shape, content, appearance and location has been obtained from the Board of Directors and the ARB, which approval may be arbitrarily withheld, except standard 18" x 24" typical painted real estate signs shall be allowed without prior approval. Notwithstanding the foregoing, Developer, and those persons or entities specifically designated by Developer, shall be permitted to post and display advertising signs on the Property for the marketing, sale or rental of Lots.

**(h) Parking.** All vehicles shall be parked and stored within the garages or paved driveways on a Lot. No boats or recreational vehicles may be stored or parked within the Property unless surrounded completely such that they cannot be seen. Only automobiles bearing current license and registration tags, as required pursuant to state law, shall be permitted to be parked on any of the Property except wholly within a garage. All parking within the Property shall be in accordance with rules and regulations adopted by the Association. No parking is allowed on the street rights-of-way, park areas, or other Common Property.

**(i) Visibility at Street Intersections.** No obstruction to visibility at intersections shall be permitted. The ARB and Developer shall have the right to adopt additional restrictions concerning the height and type of trees and shrubs within any of the Lots.

**(j) Clotheslines.** No clotheslines or other clothes-drying facility shall be permitted on the Common Property or other portions of the Property where it would be visible from any Common Property or other portions of the Property where it would be visible from any Common Road or any other Lot.

**(k) Garbage and Trash Containers.** All garbage and trash containers must be placed and maintained in accordance with rules and regulations adopted by the County. No garbage or trash shall be placed elsewhere and no portion of the Property shall be used for dumping refuse. All garbage and trash containers shall be kept within an enclosed area in a location approved by the ARB.

**(l) Window Air Conditioners and Antenna.** No window air conditioning unit, satellite dishes, or antenna shall be installed in or at any Residence without the prior approval of the ARB or the Developer. Further, any antennas, satellite dishes or other similar devices approved by the ARB or the Developer shall comply with any applicable governmental laws, statutes or regulations.

**(m) Temporary Structures.** No structure of a temporary character, including, without limitation, any trailer, tent, shack, barn, shed, or other outbuilding, shall be permitted on any Lot at any time, except temporary structures maintained for the purpose of construction and marketing of the Lots.

**(n) Hazardous Materials.** No hazardous or toxic materials or pollutants shall be maintained, stored, discharged, released, or disposed of in or under the Property except in strict compliance with applicable statutes, rules and regulations. Fuel or gas storage tanks or other flammable, combustible, or explosive fluids, materials, or substances for ordinary household use may be stored or used in the Property only in strict compliance with manufacturers' directions and applicable safety laws and codes, and shall be stored in containers specifically designed for such purposes.

**(o) Removal of Trees.** In order to preserve the environment and migratory bird

populations, no trees which remain on a Lot at the time of completion of the Initial Construction thereon shall be felled, removed, or cut down unless such tree represents a hazard to the Residence or other improvements on the Lot, or to persons occupying or utilizing the Property, without the consent and approval of the ARB, the obtaining of any and all governmental approvals as may be required by governmental authorities having jurisdiction over the Property.

**(p) Garages and Detached Structures.** Garage doors shall be kept closed except when automobiles are entering or leaving the garage. No garage shall at any time be used as a residence or converted to become part of a Residence, except if another garage is constructed in compliance with the provisions hereof. Provided, however, a garage may be used by Developer as a sales office during the marketing of the Property. There shall be no detached buildings constructed on any Lot without the prior consent of the Developer.

**(q) Soliciting.** No soliciting will be allowed at any time within the Property.

**(r) Fences, Lighting and Mailboxes.** No fences shall be allowed except as approved by the Developer or the ARB. All mailboxes shall be approved by the Developer or the ARB. No lighting shall be allowed which alters the residential nature of the Property.

**(s) Sidewalks.** Any Owner of a Lot developing a Residence on such Lot shall construct any sidewalk on or in front of such Lot, in accordance with the subdivision construction plans submitted to and approved by the County. Such sidewalk shall be completed prior to the issuance of a certificate of occupancy for such Lot.

**(t) Exterior Maintenance.**

(i) The exterior of all residences shall be maintained such that all residences have a clean, well cared for appearance.

(ii) The Lots shall be maintained in a neat, clean, orderly and attractive manner. Weeds and underbrush shall be removed and all grass plants, trees, bushes, flower beds and other similar landscaping shall be mowed, edged, pruned and maintained so as to maintain the overall beauty of the Property. No trash, garbage, rubbish or refuse shall accumulate on any Lot.

(iii) Any driveways, sidewalks and other similar paved surfaces on any Lot shall be maintained in an appropriate manner.

(iv) Should the Board of Directors in its sole discretion deem that any condition on any Lot exists which detracts from the appearance of the Property or causes a safety risk, the Board of Directors, its agents, employees or contractors shall have the right to enter upon any Lot for the purpose of correcting any such deficiency or condition and shall be entitled to assess the cost to the Owner. The costs of such maintenance shall be assessed against such Lot and this assessment shall not be considered to be a part of the annual or special assessments. The costs of this maintenance shall be a lien against the Lot and shall be payable along with any interest, attorney fees and costs of collection as provided in Article VII.

**(u) Conservation Easements**

(i) **Conservation Easement Areas.** Pursuant to the provisions of Section 704.06, Florida Statutes, Developer hereby voluntarily grants and conveys to the St. Johns River Water Management District (the "SJRWMD") a conservation easement in perpetuity over the Conservation Easement Areas (the "Conservation Easement"). Developer fully warrants title to said Conservation Easement Areas, and will warrant and defend the same against the lawful claims of all persons whomsoever. Developer grants this Conservation Easement as a condition of permit number 40-109-135212-1 issued by the SJRWMD, to prevent secondary impacts and to offset adverse impacts to natural resources, fish and wildlife, and wetland functions.

(ii) **Purpose.** The purpose of this Conservation Easement is to assure that the Conservation Easement Areas will be retained forever in their existing natural

condition and to prevent any use of the Conservation Easement Areas that will impair or interfere with the environmental value of these areas.

(iii) Prohibited Uses. Any activity in or use of the Conservation Easement Areas inconsistent with the purpose of this Conservation Easement is prohibited. Without limiting the generality of the foregoing, the following activities and uses are expressly prohibited:

(A) Construction or placing buildings, roads, signs, billboards or other advertising, utilities or other structures on or above the ground.

(B) Dumping or placing soil or other substance or material as landfill or dumping or placing of trash, waste or unsightly or offensive materials.

(C) Removing, destroying or trimming trees, shrubs, or other vegetation.

(D) Excavating, dredging or removing loam, peat, gravel, soil, rock or other material substances in such a manner as to affect the surface.

(E) Surface use, except for purposes that permit the land or water area to remain predominantly in its natural condition.

(F) Activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation.

(G) Acts or uses detrimental to such retention of land or water areas.

(H) Acts or uses detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archaeological, or cultural significance.

(iv) Responsibilities. The Developer, its successors and assigns, shall be responsible for the periodic removal of trash and other debris which may accumulate in the Conservation Easement Areas.

(v) Reserved Rights. Developer reserves unto itself, and its successors and assigns, all rights accruing from its ownership of the Conservation Easement Areas, including the right to engage in or permit or invite others to engage in all uses of the Conservation Easement Areas, that are not expressly prohibited herein and are not inconsistent with the purpose of this Conservation Easement.

(vi) Rights of SJRWMD. To accomplish the purposes stated herein, the Developer conveys the following rights to the SJRWMD:

(A) To enter upon and inspect the Conservation Easement Areas in a reasonable manner and at reasonable times to determine if Developer or its successors and assigns are complying with the covenants and prohibitions contained in this Conservation Easement.

(B) To proceed at law or in equity to enforce the provisions of this Conservation Easement and the covenants set forth herein, to prevent the occurrence of any of the prohibited activities set forth herein, and require the restoration of areas or features of the Conservation Easement Areas that may be damaged by any activity inconsistent with this Conservation Easement.

(vii) SJRWMD's Discretion. SJRWMD may enforce the terms of this Conservation Easement at its discretion, but if Developer breaches any term of this Conservation Easement and SJRWMD does not exercise its rights under this Conservation

Easement, SJRWMD's forbearance shall not be construed to be a waiver by SJRWMD of such term, or of any subsequent breach of the same, or any other term of this Conservation Easement, or of any of the SJRWMD's rights under this Conservation Easement. No delay or omission by the SJRWMD in the exercise of any right or remedy upon any breach by Developer shall impair such right or remedy or be construed as a waiver. SJRWMD shall not be obligated to Developer, or to any other person or entity, to enforce the provisions of this Conservation Easement.

(viii) SJRWMD's Liability. Developer will assume all liability for any injury or damage to the person or property of third parties which may occur in the Conservation Easement Areas arising from Developer's ownership of the Conservation Easement Areas. Neither Developer, nor any person or entity claiming by or through Developer, shall hold SJRWMD liable for any damage or injury to person or personal property which may occur in the Conservation Easement Areas.

(ix) Acts Beyond Developer's Control. Nothing contained in this Conservation Easement shall be construed to entitle SJRWMD to bring any action against Developer for any injury to or change in the Conservation Easement Areas resulting from natural causes beyond Developer's control, including, without limitation, fire, flood, storm and earth movement, or from any necessary action taken by Developer under emergency conditions to prevent, abate or mitigate significant injury to the Conservation Easement Areas or to persons resulting from such causes.

(x) Amendment. The provisions of this Conservation Easement may not be amended without the prior written approval of the SJRWMD.

(xi) Successors. The covenants, terms, conditions and restrictions of this Conservation Easement shall be binding upon, and inure to the benefit of the parties hereto and their respective personal representatives, heirs, successors and assigns and shall continue as a servitude running in perpetuity with the Conservation Easement Areas.

**Section 9.2 Amendments and Modifications of Rules.** The Board of Directors may from time to time adopt and amend rules and regulations governing the details of the operation, use, maintenance and control of the Residences, Lots, Common Property, and any facilities or services made available to the Owners. A copy of the rules and regulations adopted from time to time as herein provided shall be available to each Owner.

### **Section 9.3 Compliance.**

(a) Owner's Responsibility. It shall be the responsibility of all Owners, family members of Owners, and their authorized guests and tenants to conform with and abide by the rules and regulations in regard to the use of the Residences, Lots and Common Property which may be adopted in writing from time to time by the Board of Directors or the ARB, and to see that all persons using the Owner's Lot(s) do likewise.

(b) Violation. Upon violation of any of the rules or regulations adopted as herein provided, or upon violation of any of the provisions of this Declaration by an Owner, or his family, tenants, or guests, the Association may levy fines as determined by the Board of Directors. To enforce the rules and regulations and the provisions of this Declaration, the Association or any Owner may bring an action for specific performance, declaratory decree or injunction, and the successful prevailing party may recover its costs and attorneys' fees in such suit.

**Section 9.4 Personal Services.** Employees of the Association shall not be required to attend to any personal matters or business of Owners, nor shall they be permitted to leave the Property on any private business of Owners. The uses and functions of such employees shall be governed by the Board of Directors of the Association. In the event personal services are provided to Owners by any of the employees of the Association, the Association will not assume any responsibility or be liable

for, in any manner, the quality of such services or work provided, not do they warrant such services or work. In addition, the Association shall not be liable for any injury to persons or damage to property resulting from any act or omission by those performing such personal work or services for Owners.

## ARTICLE X

### INSURANCE

#### Section 10.1 Types of Coverage.

(a) **Insurance of Common Property.** The Board of Directors shall obtain liability insurance on the Common Property (including the Common Roads) and, if additional Common Property with significant insurable improvements are added to the Property, the Board of Directors may obtain casualty insurance and increase the amounts of liability insurance, all as is consistent with prudent business judgment, including the following:

(i) Hazard insurance on the Common Property and any improvements constructed thereon, with extended coverage, vandalism, malicious mischief and windstorm endorsements in an amount not less than that necessary to comply with the coinsurance percentage stipulated in the policy, and in any event not less than 80% of the insurable value (based upon replacement cost) of the improvements constructed on the Common Property.

(ii) Public liability insurance in such limits as the Board of Directors may from time to time determine, insuring against any liability arising out of, or incident to, the ownership and use of the Common Property or adjoining the Property. Such insurance shall be issued on a comprehensive liability basis and shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association, the Board of Directors or other Owners. The Board of Directors shall review such limits once a year.

(b) **Insurance on Lots.** It shall be the responsibility of each Owner to obtain, at his own expense, liability insurance with respect to the ownership and use of his Lot, including his Residence, and the Association shall not be responsible for obtaining such insurance or have any liability whatsoever in connection therewith. It shall be the responsibility of each owner to obtain and maintain fire insurance and insurance against the perils customarily covered by an extended coverage endorsement in an amount equal to not less than the full replacement cost of the Residence and shall submit evidence of such insurance coverage together with evidence of payment of the most recent premium therefor to the Association, upon request. Hazard insurance on the Common Property and any improvements constructed thereon, with extended coverage, vandalism, malicious mischief and windstorm endorsements in an amount not less than that necessary to comply with the coinsurance percentage stipulated in the policy, and in any event not less than 80% of the insurable value (based upon replacement cost) of the improvements constructed on the Common Property.

(c) **Group Insurance.** Nothing set forth herein shall prevent the Association, upon majority vote of the Class A Members and the assent of the Class B Member, if any, from obtaining a group or master insurance policy, and if so approved and obtained, the Association shall charge the premium for the individual Lots as a Lot Assessment. All policies of insurance obtained by Owners or the Association which cover the Residences and Lots shall contain (i) waivers of subrogation, (ii) waivers of any reduction of pro rata liability of the insurer as a result of any insurance carried by any other Owner, (iii) waivers of invalidity arising from any acts of the insured, and (iv) provisions that such policies may not be canceled or substantially modified without ten (10) days prior written notice of all insured.

(d) **Director and Officer Liability Insurance.** The Board of Directors may obtain as a matter of common expense, payable from the Annual Assessments, liability insurance against personal loss for actions taken by members of the Board of Directors and officers of the Association

in the performance of their duties. Such insurance shall be of the type and amount determined by the Board of Directors, in its discretion.

(e) **Other Coverage.** The Board of Directors shall obtain and maintain worker's compensation insurance, if and to the extent necessary to meet the requirements of law, and such other insurance as the Board of Directors may determine or as may be requested from time to time by a majority of the Owners. The Board of Directors may from time to time increase or decrease the types and amounts of insurance coverage as may be necessary or convenient to comply with requirement of Mortgagees or based upon the cost and availability of such coverage.

## **Section 10.2 Repair and Reconstruction After Fire or Other Casualty.**

### **ASSOCIATION LIABILITY**

**Section 11.1 Disclaimer of Liability.** Notwithstanding anything contained herein, in the Articles, or the Bylaws of the Association, or any other document governing or binding the Association (jointly referred to herein as "Association Documents"), the provisions hereof shall not be construed to mean that the Developer or the Association shall be liable or responsible for in any manner as a guarantor or insurer of, the health, safety nor welfare of any Owner, occupant or user of any portion of the Property, including, without limitation, Owners, residents, their families, guests, invitees, agents, servants, contractors or subcontractors, nor for any property of such persons.

**Section 11.2 Specific Provisions.** Without limiting the generality of the foregoing:

- 1) It is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern and regulate the use of the Property have been written and are to be interpreted and enforced for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof.
- 2) Neither Developer nor the Association is empowered nor have they been created to act as an entity which enforces or insures compliance with the laws of the United States of America, State of Florida, County, or any other jurisdiction, or prevents tortious or criminal activities.
- 3) The provision of the Association Documents setting forth the uses of Assessments which may relate to health, safety, and welfare shall be attributed and implied only as limitations on the usage of such funds and not as creating an obligation of the Association or Developer to protect the health, safety or welfare of any persons.

**Section 11.3 Owner Covenant.** Each Owner, his heirs, successors and assigns (by virtue of his acceptance of title of his Lot) and each other person or entity having an interest in or a lien upon or making use of, any portion of the Property (by virtue of accepting such interest or lien making use thereof) shall be bound by this Article and shall be deemed to automatically waive all rights, claims, demands, and causes of action against the Association or Developer arising from or connected with any manner for which the liability of the Association or Developer has been limited in this Article.

**Section 11.4 Release as to use of Surface Water or Stormwater Systems.** The Developer nor the Association shall have any liability whatsoever to Owners, guests, tenants, or invitees related to the use or access of or to the surface water or Storm Water Management System areas, including but not limited to any personal injury, loss or damage accruing therefrom. Each Owner, for itself and its guests, tenants or invitees, hereby and by acceptance of a Deed to, or use of, any Lot releases Developer and the Association from any liability in connection with any usage of the surface water or Storm Water Management System.

NEITHER DEVELOPER OR THE ASSOCIATION, ANY OF THEIR SUCCESSORS, ASSIGNS, OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE WATER QUALITY OR LEVEL IN ANY LAKE, POND, RETENTION AREA, CANAL, CREEK, OAKS AREA, STREAM OR OTHER WATER BODY WITHIN OR ADJACENT TO THE PROPERTY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR ENTITY AS REFERRED TO HEREIN. FURTHER, ALL OWNERS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID AREAS SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF THE DEED TO OR USE OF SUCH PROPERTY TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FOR ALL CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES.

ALL PERSONS ARE HEREBY NOTIFIED THAT FROM TIME TO TIME ALLIGATORS AND OTHER WILDLIFE MAY INHABIT OR ENTER INTO WATER BODIES CONTAINED WITHIN OR ADJACENT TO THE PROPERTY AND MAY POSE A THREAT TO PERSONS, PETS AND PROPERTY. BUT THAT THE LISTED PARTIES ARE UNDER NO DUTY TO PROTECT AGAINST AND OR NOT IN ANY MANNER WARRANT AGAINST ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE.

ALL PERSONS ARE HEREBY NOTIFIED THAT LAKE BANKS AND SLOPES WITHIN CERTAIN AREAS OF THE PROPERTY MAY BE STEEP AND THAT DEPTHS NEAR SHORE MAY DROP OFF SHARPLY. BY ACCEPTANCE OF A DEED TO, OR USE OF, ANY LOT WITHIN THE PROPERTY, ALL OWNERS OR USERS OF SUCH PROPERTY SHALL BE DEEMED TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FROM ALL LIABILITY OR DAMAGES ARISING FROM THE DESIGN, CONSTRUCTION OR TOPOGRAPHY OF ANY LAKE BANKS, SLOPES OR LAKE BOTTOMS.

percent (75%) of the Lots subject to this Declaration agreeing to terminate all of said provisions as of a specified date. Unless this Declaration is terminated as provided above, the Association shall rerecord this Declaration or other notice of its terms at intervals necessary under Florida law to preserve its effect.

The board of Directors shall have the right to act on behalf of the Association with respect to the negotiation and litigation of the taking or condemnation affecting such Property. The Owners holding seventy five percent (75%) of the votes may agree to distribute the proceeds of any condemnation or taking by eminent domain, and if the owners shall not so agree, such proceeds shall be added to the funds of the Association.

**Section 12.3 Notices.** Any notice required to be sent to the Owner of any Lot under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, or hand delivered to the Lot and to the last known address of the person who appears as Owner of such Lot on the records of the Association at the time of such mailing, if different.

**Section 12.4 Enforcement of Declaration.**

(a) In addition to the enforcement provisions previously set forth in this Declaration, the provisions of this Declaration may be enforced by any Owner, the Association, or by Developer (as long as it owns any interest in the Property) against any person, firm, corporation, trust, or other entity which violates or attempts to violate any of the covenants or restrictions hereof, by prosecuting any proceeding at law or in equity for the recovery of damages, injunctive relief or any other applicable remedy, for the purpose of preventing or enjoining all or any such violations or attempted violations, or for the enforcement of any lien created by this Declaration. SJRWMD and ACOE shall have the right to enforce by prosecuting any proceeding at law or in equity for the recovery of damages, for enforcement or for an injunction with regard to any provisions contained herein which involve the maintenance, repair or reconstruction of the Surface Water or Storm Water Management System, wetlands or conservation areas.

(b) In addition to all other remedies, the Board of Directors shall have the authority, in its sole discretion, to impose a fine or fines upon any Owner for failure of the owner, his family, guests or invitees, tenants, or occupants, to comply with the covenants, restrictions, rules, and regulations contained in this Declaration, the Articles, or the Bylaws, provided the following procedures are adhered to:

The total amount of such fines may exceed One Thousand and No/100 Dollars, (\$1,000.00).
- 4) Each incident which is grounds for a fine shall be the basis for a separate fine. In case of continuing violations, each continuation after notice is given shall be deemed a separate incident.
- 5) Fines shall be paid within thirty (30) days after the receipt of notice of their imposition.
- 6) All monies received from fines shall be allocated as directed by the Board of Directors.
- 7) The imposition of a fine shall not be an exclusive remedy and shall exist in addition to

all other rights and remedies to which the Association may otherwise be entitled, including without limitation the right to impose a Lot Assessment; however, any fine paid by Owner or occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner or occupant.

The remedies contained in this Section 12.4 shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of Developer, the Association, or any Owner, or their respective successors or assigns, to enforce any covenant, restriction, obligation, right, power, privilege, authority, or reservation herein contained, however long continued, shall not be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto.

**Section 12.5 Interpretation.** Unless the context expressly requires otherwise, the use of the singular includes the plural and vice versa; the use of all genders; the use of the terms "including" or "include" is without limitation; and the use of the terms "will", "must", and "should" shall have the same effect as the use of the term "shall", wherever any time period is expressed in days, if such time period ends on a Saturday, Sunday, or legal holiday, it shall be extended to the next succeeding calendar day that is not a Saturday, Sunday or legal holiday. The provisions of this subparagraph apply also to the interpretation, construction, application, and enforcement of all the Association Documents.

**Section 12.6 Invalidity.** The invalidity of any part of this Declaration shall not impair or affect in any manner the validity, enforceability or affect of the balance of the Declaration, which shall remain in full force and effect.

**Section 12.7 Amendment.** This Declaration may be amended at any time by an instrument signed by the President or Vice President and Secretary or Assistant Secretary of the Association, certifying that such amendment has been adopted by Owners holding two thirds (2/3) of the voting interests in the Association, either in person or by proxy at a duly called meeting, or by written consent without meeting in a manner permitted by law by Owners holding two thirds (2/3) of the votes in the Association, which amendment shall become effective upon its filing in the public records of the County; provided, however, that:

3) To designate a representative to attend all meetings of the Members of the Association who shall be entitled to a reasonable opportunity to be heard in connection with any business brought before such meeting, but in no event shall be entitled to vote thereon.

4) By written notice to the Secretary of the Association, and upon payment to the Association of any reasonable, uniform annual fee established from time to time by the Association to defray its costs, to receive: (i) any notice that is required to be given to the Class A Members under any provision of the Association Documents; (ii) written notice of any condemnation or casualty loss affecting a material portion of the Property or any Lot encumbered by its Mortgage; (iii) any sixty (60) day delinquency in the payment of Assessment Charges imposed upon any Lot encumbered by its Mortgage; (iv) the lapse, cancellation, or material modification of any insurance coverage or fidelity bond maintained by the Association; and (v) any proposed action requiring the consent of a specified percentage of Mortgagees.
