In addition, the Board of Administration may impose a late charge to cover missed payments are delinquent, such amount to be determined by the Board of Administration.

D. The Association shall have a lien upon each Condo Unit for all unpaid Assessments and interest thereon. Such lien shall also cover reasonable attorney's fees

incurred by the Association incident to the collection of such Assessments or enforcement of such Lien. The Lien shall be evidenced by a claim recorded among the Public Records of St. Johns County, Florida, in the manner provided by the Condominium Act, and shall be effective from and as of the time of such recording, but such Lien shall be subordinate to the Lien of any mortgage or any other Lien recorded prior to the time of the recording of the claim of Lien by the Association. The Board of Administration may take such action as is deemed necessary to collect Assessments by either an *in personam* action or Lien foreclosure, or both, and may settle and compromise the same if in the best interest of the Association. Said Liens shall have the priorities established by the Condominium Act.

L. Liens for Assessments may be foreclosed by suit brought in the name of the Association in like manner as a foreclosure of a mortgage on real property. In any such foreclosure, the court, in its discretion, may require the Unit Owner to pay a reasonable rental for the Condominium Parcel and the court may appoint a receiver to collect the Assessments which are the subject of said proceeding. The Association may bid in the Condominium Parcel at foreclosure sale and apply as a cash credit against its bid all sums due the Association secured by the Lien being enforced, and the Association may acquire and hold, lease, mortgage and convey any Condominium Parcel so acquired.

F. If the holder of a mortgage of record or other purchaser of a Unit obtains title to the Condominium Parcel as a result of foreclosure of said first mortgage, or accepts a deed to said Condominium Parcel in lieu of foreclosure, such acquirer of title, his successors and assigns, shall not be liable for the share of Common Expenses or Assessments by the Association pertaining to such Condominium Parcel or chargeable to the former Unit Owner which became due prior to acquisition of title as a result of the foreclosure, except for any portion thereof secured by a claim of Lien for Assessments that was recorded prior to a recording of the foreclosed mortgage. Any such unpaid share of Common Expenses or Assessments shall be deemed to be a Common Expense, collectible from all Unit Owners, including such acquirer, his successors and assigns. A mortgagee or other purchaser acquiring title to a Condominium Parcel as a result of foreclosure or a deed in lieu of foreclosure may not, during the period of its ownership of such Parcel, whether or not such parcel is unoccupied, be excused from the payment of some or all of the fees on expenses due during the period of such ownership.

G. Any person who acquires an interest in a Unit except as specifically provided in the preceding subparagraph shall not be entitled to occupancy of the Unit or enjoyment of the Common Elements until such time as all unpaid Assessments due and owing from the former owner have been paid.

H. The Association, acting by and through its Board of Administration, shall have the right to assign its claim for any unpaid Assessments and the Lien securing said claim to the Developer or to any Unit Owner, group of Unit Owners or any third party.

I. Nothing contained herein shall abridge or limit the rights or responsibilities of Mortgagors of Units as set forth in the Condominium Act.

J. Except as provided in subsection F above and in this subsection, no Unit Owner may be excused from the payment of his proportionate share of Common Expenses unless all Unit Owners are likewise proportionately excused from such payment. In accordance with the provisions of section 718.116(8)(b) of the Condominium Act, for a period of 12 months following the recordation of this Declaration, in the Public Records of St. Johns County, Florida, Developer shall be excused from the payment of Common Expenses attributed to Developers' Units during such period. During such period, in each agreement for the purchase of a Unit, the developer's fee for Common Expenses shall not be included in the total price.

K. As a component part of the Association, there shall be included the common facilities to be held, maintained, and other necessary use or fee interest in lot lines or facilities, including, but not limited to, country clubs, tennis and golf clubs, swimming, and other recreational and social facilities,

whether or not contiguous to the Units, or the Condominium, to provide enjoyment, recreation, or other use or benefit to the Condominium Owners, all as may be now or hereafter acquired, directly or indirectly, in such form and in such manner as may be deemed by the Board of Administration to be in the best interests of the Association.

14. TERMINATION OF CONDOMINIUM.

A. If all Unit Owners and the holders of all Liens and mortgages upon all of the Condominium Parcels execute and duly record an instrument terminating the Condominium Property, or if "Major damage" occurs as defined hereinafter and subject to subparagraph 26A.2.b. below, the Condominium Property shall be removed from the provisions of the Condominium Act and thereafter owned in common by the Unit Owners. The undivided interest in the property owned in common by each Unit Owner shall then be the percentage of the undivided interest previously owned by such Owner in the Common Elements, and any Liens which encumbered any Condominium Parcel shall be transferred to said undivided interest of the Unit Owner in the Property.

B. If the Owners of at least 66-2/3% of Common Elements elect to terminate, they shall have the option to buy the Units of the other Unit Owners for a period of sixty (60) days from the date of the meeting wherein the action to terminate was resolved. The purchase price shall be the fair market value of the Units as determined by arbitration under the rules of the American Arbitration Association. The price shall be paid in cash within thirty (30) days of the determination of the same.

15. EQUITABLE RELIEF.

In the event of "Major damage" to or destruction of all or a substantial part of the Condominium Property and if the Property is not repaired, reconstructed or rebuilt within a reasonable period of time, any Unit Owner shall have the right to petition a court of equity having jurisdiction in and for St. Johns County, Florida, for equitable relief which may, but need not, include a termination of the Condominium, and a partition.

16. LIMITATION OF LIABILITY.

A. The liability of each Unit Owner for Common Expenses shall be limited to the amounts assessed for Common Expenses in accordance with this Declaration, the Articles and the By-Laws.

B. A Unit Owner may be personally liable for any damages caused by the Association in connection with the use of the Common Elements, but only to the extent of his pro rata share of that liability in the same percentage as his interest in the Common Elements and in no event shall said liability exceed the value of his Unit. Each Unit Owner shall be liable for injuries or damages resulting from an accident in his own Unit to the same extent and degree that the owner of a home would be liable for such an occurrence.

17. LIENS.

A. With the exception of those which may result from the initial construction of this Condominium, no Liens of any nature shall arise or be created subsequent to the recording of this Declaration against the Condominium Property (as distinguished from individual units) without the unanimous consent of the Unit Owners.

B. Unless a Unit Owner has expressly requested or consented to work being performed or materials being furnished to his Unit, such labor or materials may not be the basis for the filing of a lien against same. Work performed or materials furnished to the Common Elements shall be the basis for a Lien thereon unless authorized by the Association, in which event, the same may be the basis for the filing of a lien against all common elements in the proportionate份 for which the owners thereof are liable for Common Expenses.

C. In the event a Lien against two or more Condominium Parcels becomes effective, each owner thereof may release his Condominium Parcel from the Lien by paying the proportionate amount attributable to his Condominium Parcel. Upon such payment, it shall be the duty of the Manager to release the Lien of record from such Condominium Parcel.

18. PENALTIES FOR VIOLATION.

Each Unit Owner shall be governed by and conform to this Declaration, the Articles and the By-Laws. Failure to do so shall entitle the Association or any other Unit Owner to recover damages or obtain injunctive relief or both, but such relief shall not be exclusive of other remedies provided by law.

19. EASEMENTS.

A. Owners of Units shall have as an appurtenance to their Units a perpetual easement for ingress and egress to and from their Units over and upon stairs, terraces, walks and other Common Elements.

B. The Condominium Property shall be subject to perpetual easements for encroachments presently existing or which may hereafter be caused by settlement or movement of the Condominium Building or minor inaccuracies in construction, which easements shall continue until such encroachments no longer exist. If the Condominium Property is destroyed and then rebuilt, encroachments due to construction shall be permitted and a valid easement for said encroachments shall exist. If any portion of the Common Elements encroaches upon any Unit, or any Unit encroaches upon the Common Elements, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the improvements contained in the Condominium Property, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

C. Easements are reserved throughout the Condominium Property as may be required to provide Utility Services in order to adequately serve the Condominium Property, provided, however, that such easements through a Unit shall be in accordance with the plans and specifications for the Condominium Building, or as said Building is constructed, unless otherwise approved in writing by the Unit Owner.

D. An easement is created for pedestrian traffic over, through and across sidewalks, paths, walls and lanes as the same may from time to time exist upon the Common Elements, and for vehicular traffic over, through and across such portion of the Common Elements but the same shall not give or create in my person the right to park upon any portions of the Condominium Property except those areas specifically assigned for same. The parking areas, private roads and other areas reflected on the condominium survey will be used in conformity Condominium Parcel owners in this Condominium.

It is the intention hereof, to create perpetual easements in said areas to facilitate the flow of pedestrian and vehicular traffic on the Condominium Property.

C. Unit Owners shall be entitled to one (1) vote for each Unit owned in accordance with the voting privileges set forth in the Articles and By-Laws. Multiple owners of a Unit shall collectively be entitled to one (1) vote in accordance with the privileges set forth in the Articles and By-Laws.

A. The Board of Administration of the Association shall approve annual budgets in advance for each fiscal year, which budgets shall project anticipated income and estimated expenses in sufficient detail to show separate estimates for taxes, if any, insurance for the Common Elements, cost of a manager's apartment, if any, and other reasonable and necessary expenses.

B. The percentage of the annual Assessment chargeable for each fiscal year against each Unit is set forth in Exhibit C. The annual Assessment shall initially be divided into twelve (12) equal parts, payable in advance, monthly, on the first day of each month; however, the Board of Administration shall have the power to collect the Assessment quarterly and to establish other collection procedures. In addition, the Association shall have the power to levy special assessments against Units in their respective percentages if a deficit should develop in the payment of Common Expenses.

22. LEASE OF UNITS.

A. Prior to the lease of any Unit, the Unit Owner shall notify the Board of Administration in writing of the name and address of the person to whom the proposed lease is to be made, the terms and conditions thereof and such other information as may reasonably be required by the Board of Administration. A substantially uniform form of lease, commonly utilized in St. Johns County, Florida, shall be used. In addition, the Unit Owner shall tender to prospective lessees a copy of the Articles and By-Laws of the Association, Declaration of Covenants and any Rules and Regulations in effect. C. The proposed lessees shall consist of not more than three persons per bedroom in the Unit to be leased; and no pets shall be permitted in leased Units except in connection with leases for periods exceeding six (6) months.

D. The proposed leases may take effect upon completion of the Board of Administration's review of the aforementioned documents within said sixty (60) day period.

E. Should any Covenantor Parcel at any time become subject to an institutional first mortgage, the holder thereof, upon becoming the owner of said Covenantor Parcel through foreclosure, deed in lieu of foreclosure or other means, shall have the unqualified right to lease said Unit, without prior review by the Board of Administration, the provisions of the foregoing subparagraph being inapplicable thereto.

F. Notwithstanding the lease of his Unit, the liability of the Unit Owner under this Declaration shall not abate.

23. FAILURE OF MAINTENANCE.

In the event that a Unit Owner fails to maintain his Unit as required herein or otherwise violates the provisions hereof, the Association shall have the right to lease the Unit or part of the Unit for the purpose necessary to restore the Unit to good condition, to collect such amount and file a Lien for same as is otherwise provided herein. After such Assessment, the Association shall have the right to have its employees or agents enter the Unit and do the work necessary to restore compliance with the above provisions.

All insurance policies purchased by the Association shall be for the benefit of the Association, the Unit Owners and their Mortgagors, as their interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Board of Administration. The Board shall receive such proceeds as are paid for the benefit of the Unit Owners and their Mortgagors in the following shares:

1. Common Elements. Proceeds on account of damage to Common Elements - an undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements appurtenant to his Unit.

2. Units. Proceeds on account of damage to Units shall be held in the following undivided shares:

a. When the Condominium Building is to be restored, for the owners of damaged Units in proportion to the cost of repairing the damage suffered by each Unit Owner, which cost shall be determined by the Association.

b. When the Condominium Building is not to be restored, an undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements appurtenant to his Unit.

3. Mortgages. In the event a Mortgagor endorsement has been issued as to a Unit, the share of that Unit Owner shall be held in trust for the Mortgagor and the Unit Owner, as their interests may appear; provided, however, that no Mortgagor shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no Mortgagor shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except those proceeds paid to the Unit Owner and Mortgagor pursuant to the provisions of this Declaration.

E. Distribution of Proceeds. Proceeds of insurance policies received by the Board of Administration shall be distributed in the following manner:

1. Reconstruction or repair. If the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the Undivided shares thereof, ratably, to Unit Owners and their Mortgagors being payable jointly to them. This is a covenant for the benefit of any Mortgagor of any Unit and may be enforced by such Mortgagor.

2. Failure to reconstruct or repair. If it is determined in the event of damage provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the Undivided shares thereof, ratably, to Unit Owners and their Mortgagors being payable jointly to them. This is a covenant for the benefit of any Mortgagor of any Unit and may be enforced by such Mortgagor.

F. Association as Agent. The Association is hereby irrevocably appointed agent for each Unit Owner, for each holder of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property with power to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

G. Unit Owner's Obligation. Each Unit Owner shall have the obligation to purchase public liability insurance to protect himself against claims due to accidents within his Unit, and casualty insurance on the contents within said Unit. In addition, he should review the coverage of the Association to determine any additional insurance that may be advisable for him to purchase. Each Unit Owner shall file with the Board of Administration a copy of his individual unit policy, which must be kept current and in good standing at all times.

26. RECONSTRUCTION OR REPAIR AFTER CASUALTY.

A. Determination to Reconstruct or Repair. If any part of the Condominium Property is damaged by casualty, whether it shall be reconstructed or repaired shall be determined in the following manner:

1. Common Element. If the damaged improvement is a Common Element, the damaged property shall be reconstructed or repaired unless it is determined in the manner elsewhere provided that the Condominium shall be terminated.

2. Condominium Building.

a. Lesser damage. If the damaged improvement is the Condominium Building, and 11 Units to which 50% or more of the Common Elements are appertaining are found by the Board of Administration to be tenantable, the damaged property shall be reconstructed or repaired unless within 60 days after the casualty, it is determined by agreement in the manner elsewhere provided that the Condominium shall be terminated.

b. Major damage. If the damaged improvement is the Condominium building, and 11 Units to which more than 50% of the Common Elements are appertaining are found by the Board of Administration to be untenantable, the damaged property shall not be reconstructed or repaired and the Condominium shall be terminated without agreement as elsewhere provided unless, within 60 days after the casualty, the owners of 66 2/3% of the Common Elements agree in writing to such reconstruction or repair.

c. Plans and Specifications. Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original Condominium Property; or, if not, then in accordance with plans and specifications approved by the Board of Administration and, if the damaged property is the Condominium Building, by the owners of not less than 66 2/3% of the Common Elements, including the owners of all damaged Units where approval shall not be unreasonably withheld.

C. Repairability. If the damage is only to those portions of a Unit for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner shall be responsible for reconstruction and repair after casualty. In all other instances, it shall be the Association's responsibility to reconstruct and repair after casualty.

D. Estimation of Costs. Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility for reconstruction and repair, the Association shall obtain reliable and detailed estimate of the cost to rebuild or repair.

E. Payment. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if after the damage reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs thereof are insufficient, the same shall be allocated to the Unit Owners who own the damaged

Units and against all Unit Owners in the case of damage to Common Elements, in sufficient amounts to provide funds for the payment of such costs. Such Assessments against Unit Owners for damage to Units shall be in proportion to the cost of reconstruction and repair of their Units, and Assessments on account of damage to Common Elements shall be in proportion to the owners' share in the Common Elements.

F. Construction Funds. The funds for payment of costs of reconstruction and repair after casualty, which shall consist of insurance proceeds and funds collected by the Association from Assessments against Unit Owners, shall be disbursed in payment of such costs in the following manner:

1. Association Lesser damage. If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is less than \$5,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Association; provided, however, that upon request by a Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner hereafter provided for the reconstruction and repair of major damage.

2. Association Major damage. If the amount of estimated costs of reconstruction and repair which is the responsibility of the Association is \$5,000.00 or more, then the construction fund shall be disbursed in payment of such costs in the manner required by the Board of Administration upon approval of an architect qualified to practice in Florida and employed by the Association to supervise the work.

3. Unit Owner. The portion of insurance proceeds representing damage for which the responsibility of reconstruction and repair lies with a Unit Owner shall be paid by the Insurance Trustee to the Unit Owner and, if there is a Mortgagor endorsement as to such Unit, then to the Unit Owner and the Mortgagor jointly.

4. Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated; except, however, that the part of a distribution to a beneficial owner which is not in excess of Assessments paid by such owner into the construction fund shall not be made payable to a Mortgagor.

27. WARRANTIES.

The Developer shall issue a written Limited Warranty to Unit Owners at closing, a copy of which is attached hereto and made a part hereof as Exhibit F. The Developer does not warrant to the Association or the Unit Owners the construction of, or any part of, the Condominium Property, Common Elements or Units, except the express written Limited Warranty attached hereto and delivered by the Developer to Unit Owners at closing. Any and all implied warranties, including warranty of merchantability and fitness for use, are hereby specifically disclaimed. Developer further disclaims any intent to have made any warranty or representation in connection with the condominium documents except as specifically set forth herein, and no person shall rely upon any warranty or representation not so specifically made herein. Any estimates of Common Expenses, taxes or other charges are believed to be accurate, provided, however, no warranty or guarantee is made or intended, nor may one be relied upon except where the same is specifically warranted or guaranteed.

28. DEVELOPER'S RIGHTS AND DUTIES UPON CONSTRUCTION.

Developer reserves the irrevocable right to complete the construction of the project, and reconstruction thereof, notwithstanding that a Unit Owner has closed title to his individual Unit.

The Developer shall have the right to admit third persons within the Condominium buildings, provided they are employed in the offices maintained in said buildings, and the Common Elements and Units to prospective purchasers, lessees, office space and all areas pertaining thereto shall not be

considered Common Elements and shall remain the property of the Developer.

29. UTILITY EASEMENT.

The Condominium Property shall be subject to such easements for utilities, as may be required to properly and adequately serve the Condominium Property as it exists from time to time. Each of said easements, whether herebefore or hereafter created, shall constitute covenants running with the land of the Condominium and, notwithstanding any other provisions of this Declaration, may not be substantially amended or revoked in such a way as to unreasonably interfere with its proper and intended use and purpose and shall survive the termination of the Condominium. To the extent that the creation of any such utility easements require the joinder of Unit Owners, the Developer by its duly authorized officers, may, as the agent or the attorney-in-fact for the Unit Owners, execute, acknowledge and deliver such instruments and the Unit Owners hereby irrevocably nominate, constitute and appoint the Developer, through its duly authorized officers, as their proper and legal attorneys-in-fact for such purpose. Any such instrument executed pursuant to this Article shall recite that it is made pursuant to this Article.

30. PARKING.

A. Portions of the Common Elements contain the automobile parking spaces for the use of Unit Owners, occupants of Units and their guests and invitees. Said parking spaces shall not be deemed as an appurtenance to the Condominium units. All automobile parking spaces shall be given an identifying number and are delineated on Exhibit B attached hereto.

B. All automobile parking spaces shall be unassigned; provided, however, the Board of Administration has the right to assign parking, in its discretion; and the Board further has the right to change assignments, with approval of any Unit Owner who may have already been assigned a specific parking space.

31. EMINENT DOMAIN OR CONDEMNATION PROCEEDING.

If eminent domain or condemnation proceedings are successfully litigated against all or any part of the Condominium Property, the entire eminent domain or condemnation award is to be secured to the Association in accordance with the ratio of ownership herein provided as it pertains to the Common Elements, and shall be disbursed to Unit Owners and their Mortgagees as their interests appear of record. The Association shall give to each Mortgagee prompt written notice of any such eminent domain or condemnation proceedings.

32. GENERAL PROVISIONS.

A. If any provision of this Declaration, the Articles, the By Laws or the Condominium Act, or any section, sentence, clause, phrase or word, or the application thereof, in any circumstance is held invalid, the validity of the remainder of this Declaration, the Articles, the By Laws, or the Condominium Act, and the application of any such invalid provision, section, sentence, clause, phrase, or word in other circumstances shall not be affected thereby.

B. If the Developer sells Units for sale in the ordinary course of business, none of the following actions may be taken without the Developer's written consent:

1. Assignment of the Developer as a Unit Owner for capital improvements, etc., and

2. An action by the Association that would be detrimental to the developer's use of Units.

C. Whenever notices are required to be sent hereunder, the same shall be sent to the Unit Owners by certified mail at their place of residence in the condominium building, unless the Unit Owner has, by written notice to the Association, specified a different address. Notices to the Association and the developer shall be delivered by Certified Mail to following address:

129 Rio Del Mar Road

Notwithstanding the above, notice of the annual meeting shall be sent by certified mail. All notices shall be deemed and considered sent when mailed. Any party may change his or its mailing address by written notice to the other party.

D. The failure of the developer, or the Association, or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation of the Association, the By-Laws, or the Rules and Regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

E. The remedy for violation provided by the Condominium Act shall be in full force and effect. In addition thereto, should the Association find it necessary to institute legal action to bring about compliance with the Condominium Act, this Declaration, the Articles of the By Laws, or the Association's Rules and Regulations, upon a finding by the court that a violation was willful and deliberate, the defendant Unit Owner shall reimburse the Association for its costs of suit, including reasonable attorney's fees, incurred by it in bringing such action.

F. Whenever the context so requires, the use of any gender shall be deemed to include all genders; the use of the plural shall include the singular and the singular shall include the plural.

See bylaw _____ for present text." Remedial errors or omissions in the bylaws process shall not invalidate an otherwise properly formulated amendment.
