ARTICLE I

DEFINITIONS

Unless the context expressly requires otherwise, the words defined below, whenever used in this Declaration shall have the following meanings:

1.1 "Declarant" shall mean and refer to The Janson Group, Ltd., a Florida limited partnership, its successors and assigns, provided such successors or assigns acquire more than one (1) undeveloped Lot from Declarant for the purpose of development.

1.2 "Lot" shall mean and refer to any plot of land together with the improvements thereon, shown on the recorded Subdivision Plat referred to herein and any subsequently recorded Subdivision Plat of any additional contiguous land made subject to this Declaration.

1.5 "Property" shall mean and refer to that certain real Property described on page 1 hereof, together with improvements thereon and any additional Property made subject to this Declaration.

ARTICLE II

ARCHITECTURAL CONTROL

2.1 No buildings, improvements or structures, including docks and bulkheads, fences, mailboxes, walls, walkways, driveways,

landscaping or exterior lighting or other improvements other than those erected by Declarant, shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change be made until all construction and landscape plans and specifications showing the nature, kind, shape, height, color, materials and location of the same have been submitted to and approved in writing by the Architectural Review Committee composed of the Declarant, or such agent or agents as may be appointed by said Declarant, in its sole discretion, as to quality of workmanship and materials, harmony of external design with existing buildings or structures, location of said building or structure with respect to topography and finish grade elevation and as to compliance with the provisions of this Declaration. Said plans shall be either approved or disapproved by the Architectural Review Committee within thirty (30) days following submittal to same. Construction of approved improvements shall be completed within a period of six (6) months from date construction is begun.

2.2 The Architectural Review Committee (hereinafter "ARC") shall have the following powers and duties:

(1) To draft and adopt, from time to time, architectural planning criteria, standards and guidelines relative to architectural styles or details and rules and regulations regarding the form and content of plans and specifications to be submitted for approval, all as it may consider necessary or appropriate.

(2) To require submission to the ARC of two (2) complete sets of preliminary and final plans and specifications as hereinafter defined for any buildings or structures of any kind, including, without limitation, any dwelling, fence, wall, sign, site paving, grading, parking and building additions, alterations, screen enclosure, sewer, drain, disposal system, decorative building, landscaping, landscape device or object, exterior lighting scheme, docks or bulkheads ("Proposed Improvement") the construction or placement of which is proposed upon any Lot or the Property, together with a copy of any building permits which may be required. The ARC may also require submission of samples of building materials and colors proposed for use on any Lot or the Property, and may require such additional information as reasonably may be necessary for the ARC to completely evaluate the

proposed structure or improvement in accordance with the Declaration and the Architectural Planning Criteria adopted by the ARC.

(3) To approve or disapprove any Proposed Improvement or change or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot or the Property and to approve or disapprove any exterior additions, changes, modifications or alterations including the color thereof, therein or thereon.

(4) To evaluate each application for the total effect, including the manner in which the homesite is developed. This evaluation relates to matters of judgment and taste which cannot be reduced to a simple list of measurable criteria. It is possible, therefore, that a Proposed Improvement might meet individual criteria delineated in this Article and the Architectural Planning Criteria and still not receive approval, if in the sole judgment of the ARC, its overall aesthetic impact is unacceptable. The approval of an application for one Proposed Improvement shall not be construed as creating any obligation on the part of the ARC to approve applications involving similar designs for Proposed Improvements pertaining to different Lots.

(5) If any Proposed Improvement as aforesaid shall be changed, modified or altered without the ARC's prior approval of such change, modification or alteration, and the plans and specifications therefor, if any, then the Owner shall, upon demand, cause the Proposed Improvement to be restored to comply with the original plans and specifications, or the plans and specifications originally approved by the ARC, and shall bear all costs and expenses of such restoration, including costs and reasonable attorneys' fees of the ARC.

(6) In addition, any Owner making or causing to be made any Proposed Improvement or additions to the Property or a Lot agrees and shall be deemed to have agreed, for such Owner and his heirs, personal representatives, successors and assigns to hold the ARC, the Declarant and all other Owners harmless from any liability, damage to the Property and from expenses arising from any Proposed Improvement and such Owner shall be solely responsible for the maintenance, repair and insurance of any Proposed Improvement and for assuring that the Proposed Improvement is constructed in compliance with all applicable governmental approvals, rules and regulations.

(7) The ARC is hereby authorized to make such charges as it deems necessary to cover the cost of review of the plans and specifications. The initial charge for review shall be \$100.00 per dwelling unit which may be increased from time to time at the discretion of the ARC.

ARTICLE III

3.14 All Lots and all lawns, grounds and landscaping on Lots shall be moved and maintained in a neat and orderly fashion and not in an unsightly or unkept manner.

3.15 No sign of any kind shall be displayed either permanently or temporarily to public view on or from any Lot or from the exterior or interior of a dwelling except one (1) approved sign not exceeding 12" x 18" in size, advertising the Lot or dwelling for sale or for rent which sign shall be suspended from an approved mailbox. No flags, open house signs, arrows or directional signs shall be permitted on any Lot either on a temporary or permanent basis.

3.21 No construction shall occur on any portion of Lots four (4) through sixteen (16) of the property which lies waterward of the wetlands limit line as delineated on plans received by the St. Johns River Water Management District (the "District"), on January 19, 1988. This deed restriction prohibits any construction within such wetland area including excavation, filling, dumping of trash, waste or other unsightly materials, removal or destruction of vegetation, activities detrimental to drainage, flood control, water conservation, erosion control, or fish and wildlife habitat preservation or any act detrimental to such retention of land or water areas. This restriction may be enforced by the District.

All of these easements and all easements reserved on the plat of the Property shall be maintained by the Owner of the Lot except those improvements located within easements for which a public authority or utility company is responsible. No owner may place any fill or structures within such easements. Any purchaser by accepting a deed to any Lot does thereby waive any claim for damages against Declarant, its successors or assigns, incurred by the construction, maintenance and repair of said utilities, or on account of temporary or other inconvenience caused thereby.

4.2 Each Lot abutting or contiguous to the golf course is hereby made subject to an easement for the ordinary and usual activities associated with the playing of golf, including without limitation, removal of balls, noise of players and normal maintenance.

ARTICLE V

RIGHTS OF DECLARANT

5.1 The Declarant reserves the right from time to time to install street lights within the Property without the consent of any Owner. If street lights are installed Declarant shall pay for the cost of lighting and maintaining such street lights for a period of two (2) years after their installation. Thereafter, the cost of lighting and

maintaining such street lights shall be paid by a Private or Public Street Lighting District to be established by Declarant or its assigns or by St. Johns County, composed of the Owners of all Lots within the Property. Each Owner of a Lot by accepting a Deed to such Lot does thereby agree and shall be deemed to have agreed for such Owner and his heirs, personal representatives, successors and assigns to become a member of such Street Lighting District and pay his pro-rata share of the cost of lighting and maintaining all street lights installed within the Property.

5.2 The Declarant reserves and shall have the sole right to annex additional land on which additional Lots may be developed and make same subject to this Declaration without the joinder or consent of any Owner, or the holder of a mortgage or lien affecting the Property or any other person upon the recording of a supplemental Declaration in the Public Records of St. Johns County, Florida. The Owners of Lots developed on such land shall be subject to all covenants, easements and restriction contained herein in the same manner and with the same effects as the Owners of Lots within the Property described on page 1 hereof.

5.3 For so long as Declarant holds more than one (1) Lot for sale in the ordinary course of business Declarant shall have the right without the consent of any Owner or the holder of any mortgage or lien upon the Property to a) amend this Declaration provided such amendment shall conform to the General purposes and standards of the Covenants and Restrictions contained herein, b) amend this Declaration for the purpose of correcting or clarifying any ambiguity or inconsistency contained herein, c) amend this Declaration to add additional Property as set forth above and d) release any Lot from any part of these Covenants and Restrictions if Declarant determines such violation to be a minor violation.

5.4 Notwithstanding any other provision of this Declaration, the Declarant, for so long as Declarant holds more than one (1) Lot for sale in the ordinary course of business, shall have the right to erect and maintain models, sale offices and signs within the Property.

ARTICLE VI

GENERAL PROVISIONS

6.1 Enforcement of these restrictions shall be by proceedings at law or in equity against any person violating or attempting to violate any covenant or restriction either to restrain the violation or to recover damages, or both. The prevailing party in any such action shall be entitled to recover reasonable attorney's fees and court costs at all levels of the proceedings.

6.2 Invalidation of any one of these covenants or restrictions by judgment or court order shall not affect any of the other provisions hereof, which shall remain in full force and effect.

6.3 Any failure of the Declarant or Lot Owners, their successors or assigns to promptly enforce any of the restrictions or covenants contained herein, shall not be deemed a waiver of the right to do so thereafter.

6.4 In addition to the procedure set forth in 5.3 hereof, this Declaration may be amended during the first twenty (20) years after the recording of this Declaration by the recording of an instrument in writing signed by 90% of the Owners and thereafter by an instrument signed by 75% of such Owners.

6.5 These covenants and restrictions shall run with the land and shall be binding on all parties and all persons claiming by, through or under them until December 31, 2019. After said date, said covenants shall be automatically extended for successive periods of ten (10) years, unless an instrument signed by a majority of the then Owners has been recorded agreeing to change said covenants in whole or in part.
