**SECTION 6.1 Annual Assessments.** For each Unit within the Property, each Owner, by acceptance of a deed or other conveyance, agrees to pay Annual Assessments levied by the Association for the improvement, maintenance and operation of the Common Property, including, without limitation, the

maintenance and operation of the Stormwater Management System, the management and administration of the Association, and the furnishing of services as set forth in this Declaration, at a level sufficient to meet the Association's obligations, including contingencies and reserves. The Board of Directors shall set the date or dates such Annual Assessments shall become due and may provide for collection of Assessments to be payable annually or in monthly, quarterly or semi-annual installments; provided, however, that upon default in the payment of any one or more installments, the entire balance of such Annual Assessment may be accelerated, at the option of the Board of Directors, and be declared due and payable in full. The initial maximum Annual Assessment shall be determined by the Developer. From and after January 1 of the year immediately following the conveyance of the first unit to an owner, the maximum assessment may be increased each year by the Board of Directors of the Association but by not more than fifteen percent (15%) above the maximum assessment for the previous year. Increased assessments in excess of fifteen percent (15%) of the previous year's assessment shall require the approval of a majority of the membership.

SECTION 6.2 Special Assessments. In addition to the Annual Assessments, the Association may levy in any fiscal year a Special Assessment applicable to that year and not more than the next four (4) succeeding years for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Property, including fixtures and personal property related thereto, provided any such Special Assessment shall have the consent of Owners holding two thirds of the votes, other than Developer, voting in person or by proxy at a regular meeting or special meeting called for that purpose at which a quorum of each class of membership is present.

SECTION 6.3 Emergency Assessments. The Association may also levy an Emergency Assessment at any time by a majority vote of the Board of Directors, for the purpose of defraying, in whole or in part, the cost of any extraordinary or emergency matters, as determined by the Board of Directors in its sole discretion, that affect all the Common Property or Members of the Association, including, after depletion of any applicable reserves of this Article, any unexpected expenditures not provided by the Budget or unanticipated increases in the amounts budgeted. Any such Emergency Assessment shall be due and payable at the time and in the manner specified by the Board of Directors.

SECTION 6.4 Commencement of Annual Assessments.

(a) Date of Commencement. The Annual Assessments shall commence with respect to each Unit on the date of conveyance of the Unit to an Owner other than Developer. The initial Annual Assessment on any Unit subject to Assessment shall be collected at the time title to such Unit is conveyed to the Owner. During the initial year of ownership, each Owner shall be responsible for the pro rata share of the Annual Assessments charged to each Unit prorated to the day of closing on a per diem basis. Any other Assessments shall be paid in full without proration.

(b) Capital Contribution. In addition, at the closing and transfer of title of each Unit to the first Owner other than Developer or a builder constructing the initial improvements thereon, such Owner shall make a working capital contribution to the Association in the sum of Two Hundred and

00/100 Dollars (\$200.00) per Unit. These contributions to the Association shall be used for the purpose of defraying the initial and nonrecurring capital expenses of the Association and to provide initial working capital for the Association. Such contribution shall not be considered as a prepayment of Annual Assessments.

SECTION 6.5 Nonpayment of Assessments and Remedies.

(a) Creation of Lien. All Assessments, together with any late fees, interest and costs of collection when delinquent, including reasonable attorney's fees (together, the "Assessment Charge"), shall be a charge and continuing lien upon each Unit subject to this Declaration. The lien provided for in this Section shall be perfected by the filing of a notice of lien in the public records of the County in favor of the Association.

(b) Owner's Acceptance. The Assessment Charge is also the personal obligation of the person or entity which was the Owner of such Unit at the time when the Assessment was levied and of each subsequent Owner thereof. Each Owner of a Unit, by acceptance of a deed or other transfer document therefor, whether or not it shall be so expressed in such deed or transfer document, is deemed to covenant and agree to pay to the Association the Assessment Charge established or described in this Article. Each Owner, by his acceptance of title to a Unit, hereby expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of such Assessment Charge as a debt and to enforce the aforesaid by all methods available for the enforcement of such liens, including foreclosure, by an action brought in the name of the Association. No Owner may waive or otherwise escape liability for the Assessment Charge by abandonment of his Unit.

(c) Late Fees, Interest. Any Assessments not paid within ten (10) days after the due date shall be subject to a late fee as determined from time to time by the Board of Directors and may, upon resolution of the Board of Directors, bear interest at a percentage rate determined by such Directors.

(d) Remedies. The Association may bring an action at law against the Owner or Owners personally obligated to pay such Assessment Charge or foreclose the lien against the Unit upon which the Assessment Charge is made in the manner provided below. The Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Unit at such foreclosure sale and to acquire and hold, lease, mortgage and convey the same. The Board of Directors, by majority vote, shall have the right to assess fines and to suspend the voting rights and the right to use the Common Property by an Owner for any period during which any Assessment against his Unit that is more than thirty (30) days past due remains unpaid and for a period not to exceed sixty (60) days for any infraction of the other provisions of its rules and regulations or of this Declaration.

(e) Subordination of Lien to Mortgages. The lien of the Assessment Charge shall be inferior and subordinate to the lien of any Mortgagee, but only to the extent of the Mortgage balance outstanding as of the date the notice of an Assessment Charge is first recorded against the Unit, plus interest and reasonable costs of collection which subsequently accrue. The sale or transfer of any Unit shall not affect the Assessment Charge; however, the sale or transfer of any Unit pursuant to

foreclosure of a Mortgage or deed in lieu of foreclosure shall extinguish the lien of an Assessment Charge as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve the transferee of such Unit from liability for any Assessments subsequently becoming due or from the Lien for Unit Assessments or shall relieve the Owner responsible for such payments from such Owner's personal liability for payment of the Unit Assessments.

SECTION 6.6 Certificate of Payment. The Treasurer of the Association or the management company authorized by the Board of Directors, upon demand of any Owner liable for an Assessment, shall furnish to such Owner a certificate in writing setting forth whether such Assessment has been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid. A reasonable charge for the services involved in preparing such certificate may be assessed by the Association or management company as applicable.

SECTION 6.7 Budget.

(a) Fiscal Year. The fiscal year of the Association shall consist of the twelve (12) month period commencing on January 1 of each year.

(b) Initial Budget. Developer shall establish the budget for the fiscal year in which a Unit is first conveyed to an Owner other than Developer.

(c) Preparation and Approval of Annual Budget. Commencing December 1 of the year in which a Unit is first conveyed to an Owner who is not Developer, and on or before December 1 of each subsequent year, the Board of Directors shall adopt a budget for the coming year containing an estimate of the total amount which it considers necessary to pay the cost of all expenses to be incurred by the Association, including, without limitation, the cost of wages, materials, insurance premiums, services, supplies and other expenses for the rendering to the Owners of all services required or permitted hereunder. Such budget shall also include such reasonable amounts as the Board of Directors considers necessary to provide working capital for the Association and to provide for a general operating reserve and reserves for contingencies and replacements. The Board of Directors shall send to each Owner a copy of the budget, in a reasonably itemized form which sets forth the amount of the Annual Assessments payable by each Owner, on or before December 15 preceding the fiscal year to which the budget applies. Such budget shall constitute the basis for determining each Owner's Annual Assessment as provided above. The Assessments shall be determined by dividing the amount of the Budget by the number of Units subject to the Declaration.

(a) Reserves. The Association may, in its discretion, maintain reserves for

- (i) working capital;
- (ii) contingencies;
- (iii) replacement of Common Property;
- (iv) the performance of such other coordinating or discretionary functions not contrary to the terms of this Declaration which the Board of Directors may from time

to time approve, which shall be collected as part of the Annual Assessment as provided above.

The amount and manner of collection of reserves shall be as determined by the Board of Directors, in its sole discretion. Extraordinary expenditures not originally included in the annual budget which may become necessary during the year shall be charged first against such reserves. Except in the event of any emergency, reserves accumulated for one purpose may not be expended for any other purpose unless approved by the Members of the Association holding the majority of the votes. If the reserves are inadequate for any reason, including nonpayment of any Owner's Assessment, the Board of directors may, at any time, levy a Special Assessment in accordance with the provisions of this article, which may be payable in a lump sum or in installments as the Board of Directors may determine. In the event there is a balance of reserves at the end of any fiscal year and the Board of Directors so determines, any excess reserves may be taken into account in establishing the next year's budget and may be applied to defray general expenses incurred thereunder.

(e) Effect of Failure to Prepare or Adopt Budget. The failure or delay of the Board of directors to prepare or adopt an annual budget or adjusted budget for any fiscal year shall not constitute a waiver or release in any manner of any Owner's obligation to pay his Annual Assessment whenever the same shall be determined. In the absence of any annual Association budget or adjusted budget, each Owner shall continue to pay the Annual Assessment at the rate established for the previous fiscal period in the manner such payment was previously due until notified otherwise.

(f) Accounts. Except as otherwise provided herein, all sums collected by the Board of Directors with respect to Assessments against the Owners may be commingled in a single fund.

SECTION 6.8 Exempt Property. In the event the Common Property is taxed separately from the Units, the Association shall include such taxes as part of the Annual Assessment. In the event the Common Property is taxed as a component of the value of the Unit owned by each Owner, it shall be the obligation of such Owner to promptly pay such taxes prior to their becoming a lien on the Property.

## ARTICLE VII

(b) Improvements Subject to Approval. Construction, modifications and improvements subject to approval by the ARB specifically include, but are not limited to, painting or other alteration of the exterior appearance of a Unit, including doors, windows and roofs, installation of antennae, satellite dishes or receivers, solar panels or other devices, addition of awnings, signs, whether located on the Unit or in windows of the Unit, flower boxes, shelves, statues, or other outdoor ornamentation patterned or brightly colored window coverings, and all other modifications, alterations or improvements visible from any road or other Units. All of the foregoing, are jointly called the "Proposed Improvements."

(c) Basis for Decision. Approval shall be granted or denied by the ARB or Developer based upon compliance with the provisions of this Declaration and any guidelines established pursuant to the Declaration, the quality of workmanship and materials, the harmony of external design with its surrounds, the effect of the construction on the appearance from adjoining surrounding Units, and all other factors, guidelines and standards promulgated from time to time including purely aesthetic considerations, which, in the sole opinion of the ARB or Developer, will affect the desirability or suitability of the construction.

In connection with its approval or disapproval of an application, the ARB or Developer shall evaluate each application for total effect. The evaluation relates to matters of judgment and taste which can not be reduced to a simple list of measurable criteria. It is possible, therefore, that an application may meet individual criteria and still not receive approval, if in the sole judgment of the ARB or Developer, its overall aesthetic impact is unacceptable. The approval of an application shall not be construed as creating any obligation on the part of the ARB or Developer to approve applications involving similar designs for different Units.

(d) Minimum Area. All homes constructed in the TWIN LAKES SUBDIVISION shall include a ground floor area in the main structure of not fewer than one thousand two hundred (1,200) square feet, exclusive of first story open porches and garages.

(e) Mobile, Manufactured or Modular Homes. No mobile homes, manufactured homes, modular homes or homes with portions constructed off site shall be built on any lot in the TWIN LAKES SUBDIVISION.

(f) Landscaping. All lots must be fully grassed or sodded. The Board of Directors upon the recommendation of the ARB shall approve all modifications, repair, replacement and maintenance of landscaping on the Property.

(g) Fences. The use of fences, walls and other forms of visual screens throughout the Property shall be limited to the perimeter of the Property and the Common Property swimming pool and shall be designed and installed so as not to unnecessarily or unduly restrict the view of other owners.

(h) Ancillary Structures. Unless approved by the ARB or Developer as to use, location and architectural design, no garage, tool, guest quarters or storage buildings can be constructed separate and apart from the Residence nor can any such structures be constructed prior to construction of the main Residence. Any such permitted ancillary structures such as detached garages, guest quarters or storage buildings shall be subject to the same set back lines, approvals of the ARB and other restrictions applicable to the Residence itself.

(i) Antennae and Other Devices. Unless prior written approval has been obtained from the ARB, no exterior radio or television antenna, satellite dish or other receiving or transmitting device, antenna or aerial, solar panel or other solar collector, windmill or any similar exterior structure or apparatus may be erected or maintained anywhere within the Property unless such device is screened from view from other Units or the roadways. The said approvals must comply with all applicable statutes and ordinances.

The Association, through its Board of Directors, shall establish rules and regulations which govern the installation and use of small dish satellite receivers of paid programming. Such rules and regulations shall govern the location of such dishes. Such rules and regulations shall not unreasonably restrict the location of the dish to allow the receipt of the programming signal. The fact that the location of a Unit owner's Unit does not allow reception of the programming signal does not authorize the Unit owner to install the dish at a location other than within the boundaries of his lot.

(j) Lighting. All lots shall have post lamps on the front lawns. No other external lighting shall be installed without the prior approval of Developer or the ARB, as applicable. No lighting will be permitted which alters the residential character of the Property. Any lighting of a pool or other outdoor recreation area must be designed so as to buffer the surrounding Residences from the lighting.

(k) Recreational Structures. No basketball backboards play structures or other recreational structures except for those provided as Common Property shall be located on the Property unless prior written approval is obtained from the ARB.

(l) Window Coverings. Reflective window coverings and heat mats are expressly prohibited on any building in the Property. The ARB, at its discretion, may control or prohibit window coverings and treatments not reasonably compatible with aesthetic standards set forth herein.

(m) Mailboxes. No mailbox, paper box or other receptacle of any kind for any use in the delivery of mail, newspapers, magazines, packages, or similar materials shall be erected on any Unit without the approval of the ARB or Developer, as applicable, as to style and location. The ARB may elect to require group mailboxes.

(n) Energy Conservation. Solar energy and other energy conservation devices are not prohibited or discouraged, but the design and appearance of such devices will be closely scrutinized and controlled by the ARB or Developer, as applicable, to assure consistency with the aesthetic standards of the Property.

(o) Interference with Roads or Easements. Without limiting or qualifying the other provisions of this Declaration, nothing shall be erected, constructed, planted, or otherwise placed in such a position so as to create a hazard or block the vision of motorists upon any roads within or adjacent to the Property. No modification, alteration, or improvement shall interfere with the easements or other rights set forth in this Declaration

SECTION 7.3 Remedy for Violations. In the event any Proposed Improvement is constructed without first obtaining the approval of the ARB or Developer, as applicable, or is not constructed in strict compliance with any approval given or deemed given by the ARB or Developer, as applicable, or the provisions of this Article are otherwise violated, the ARB, as the authorized representative of the Association, shall have the specific right to injunctive relief to require the Owner to stop, remove, and alter any improvements in order to comply with the requirements hereof, or the ARB may pursue any other remedy available to it. In connection with this enforcement section, the ARB and Developer shall have the right to enter into any Unit and make any inspection necessary to determine that the provisions of this Declaration have been complied with. The failure of the ARB or Developer to object to any Proposed Improvement prior to its completion shall not constitute a waiver of the ARB's or Developer's right to enforce this Article. The foregoing rights shall be in addition to any other remedy set forth herein for violations of this Declaration.

SECTION 7.4 Reservation of Rights to Release Restrictions. In each instance where a structure has been erected or construction thereof has substantially advanced in such manner that some portion of the structure encroaches on any setback line or easement areas, Developer reserves for itself, its successors, assigns and designees, the right to release such Unit from the encroachment and to grant an exception to permit the encroachment without the consent or joinder of any person, irrespective of who owns the burdened Unit or easement areas, so long as Developer, in the exercise of its sole discretion, determines that the release or exception will not materially or adversely affect the value of the adjacent Unit and the overall appearance of the Property. This reserved right shall automatically pass to the Association when Developer no longer owns any portion of the Property. Upon granting of an exception to an Owner, the exception shall be binding upon all subsequent Owners of the affected Units and shall be recorded in the public records of the County.

SECTION 7.5 No Liability. Notwithstanding anything contained herein to the contrary, the ARB and Developer shall merely have the right, but not the obligation, to exercise architectural control, and shall not be liable to any Owner, its successors, assigns, personal representatives, or heirs, due to the exercise or non-exercise of such control or the approval or disapproval of any Proposed Improvement. Furthermore, the approval of any plans and specifications or any Proposed Improvements shall not be deemed to be a determination or warranty that such plans and specifications or Proposed Improvements are complete, do not contain defects, or in fact meet any standards, guidelines, or criteria of the ARB or Developer, or are in fact architecturally or aesthetically appropriate, or comply with any applicable governmental requirements, and neither the ARB, the Association, nor Developer shall be liable for any defect or deficiency in such plans and specifications or Proposed Improvements, or any injury to persons or property resulting from the approval.

### ARTICLE XIII

#### USE OF PROPERTY

SECTION 8.1 Protective Covenants. In order to keep the Property a desirable place to live for all Owners, the following protective covenants are made a part of this Declaration. Without limiting any of the provisions or requirements of Article VII, the specific references to the ARB approval set forth in this article or elsewhere in this Declaration shall not be construed as a limitation of the requirements of this article.

(a) Unit Resubdivision. No Unit shall be further subdivided, replatted or separated into smaller Units by any Owner. Provided however, this restriction shall not prohibit corrective deeds or similar corrective instruments. Developer shall have the right to modify subdivision plats of the Property if all Owners of Units which are included within the portion of the plat so modified consent to such modification, which consent shall not be unreasonably withheld or delayed.

(b) Residential Use: Limitations on Lease Terms. Each Unit shall be used, improved and devoted exclusively to single family residential use and for no commercial purpose. No time-share ownership of Units is permitted. Nothing herein shall be deemed to prevent the Owner from leasing a Unit for a period of time of not fewer than six (6) months, subject to all of the provisions of the Declaration, Articles, and Bylaws. Nor shall anything herein be deemed to prevent Developer from converting the use of a Unit or Units to be used as a road for ingress and egress from adjacent Unit or Units. The foregoing restrictions shall not operate to prevent Developer or its designees from using one or more Units for a model home or sales center during the development and sale of the Property. No other business or commercial use may be made of any part of the Property. An occupant of a Residence who maintains a personal or professional library, keeps personal or professional books or accounts, conducts personal business provided that such use does not involve customers, clients, employees, licensees or invitees regularly visiting the Residence, or makes professional telephone calls or correspondence in or from a Unit is engaging in a residential use and shall not be deemed to be in violation of this section.

(c) Nuisances; Other Improper Use. No nuisance shall be permitted to exist on any Unit or Common Property so as to be detrimental to any other Unit in the vicinity thereof or to its occupants, or to the Common Property. Any activity on a Unit which interferes with television, cable or radio reception on another Unit shall be deemed a nuisance and a prohibited activity. No immoral, offensive, or unlawful use shall be made any part of the Property. All laws, zoning ordinances, orders, rules, regulations, or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the Owner or the Association, whichever shall have the obligation to maintain or repair such portion of the Property. If a dispute or question arises as to what may be or become a nuisance, the issue shall be determined by the Board of Directors.

(d) Pets. No animals except two (2) common domestic household pets, within the ordinary meaning and interpretation of such words, may be kept, maintained or cared for in any Unit or within the Property. No pets shall be allowed to make an unreasonable amount of noise or to become a nuisance; and no pets will be allowed on the Property other than in the Unit of the Owner of such pets, unless confined to a leash. No pets shall be allowed to run at large and all pets shall be kept within an enclosed area, which must be clean, sanitary and reasonably free of refuse and waste. No pet may be maintained, kept, cared for or boarded for hire or remuneration on the Property and no kennels for boarding or operation shall be allowed.

(e) Signs. No sign, advertisement or notice of any type or nature whatsoever shall be erected or displayed upon any Unit, Common Property or from any window, unless express prior written approval of the size, shape, content, appearance and location has been obtained from the Board of Directors and the ARB. Notwithstanding the foregoing, Developer, and those persons or entities specifically designated by Developer, shall be permitted to post and display advertising signs on the Property for the marketing and sale of Units and the owner of a Unit shall be allowed to display a single "For Sale" sign the dimensions of which shall not exceed two (2) feet by three (3) feet.

(f) Parking. All vehicles shall be parked and stored within the Units' garages or driveways. No boats may be stored or parked within the Property except within the Units' garages in a manner that allows the garage door to be closed. Recreational vehicles may be parked in driveways for no more than seven (7) consecutive days. Only vehicles bearing current license and registration tags, as required pursuant to state law, shall be permitted to be parked on any of the Property except wholly within a garage or driveway. All parking within the Property shall be in accordance with rules and regulations adopted by the Association and County ordinances.

(i) Clotheslines. No clotheslines or other clothes-drying facility shall be permitted on the Common Property or other portions of the Property where it would be visible from any Common Property or any other Unit.

(j) Garbage and Trash Containers. All garbage and trash containers must be placed and maintained in accordance with rules and regulations adopted by the Board of Directors. No garbage or trash shall be placed elsewhere and no portion of the Property shall be used for dumping refuse.

(k) Window Air Conditioners. No window air conditioning unit shall be installed in any of the Units.

(l) Temporary Structures. No structure of a temporary character, including, without limitation, any trailer, tent, shack, barn, shed, or other outbuilding, shall be permitted on the Property at any time, except temporary structures maintained for the purpose of construction and marketing of the Units.

(m) Hazardous Materials. No hazardous or toxic materials or pollutants shall be maintained, stored, discharged, released, or disposed of in or under the Property except in strict compliance with applicable statutes, rules and regulations. Fuel or gas storage tanks or other flammable, combustible, or explosive fluids, materials, or substances for ordinary household use may be stored or used in the Property only in strict compliance with manufacturers' directions and applicable safety laws and codes and shall be stored in containers specifically designed for such purposes.

(n) Removal of Trees. In order to preserve the environment no trees which remain on the Property at the time of completion of all Unit construction shall be felled, removed, or cut down unless such tree represents a hazard to a Unit, to other improvements on the Property, or to persons occupying or using the Property.

(o) Garages. Garage doors shall normally be kept closed except when automobiles or boats are entering or leaving the garage. No garage shall at any time be used as a residence or converted to become part of a residence. A garage may be used by Developer as a sales office during the marketing of the Property.

(p) Soliciting. No soliciting will be allowed at any time within the Property.

(q) Elevations. No modifications or changes in the elevations of the land comprising a Unit shall be made which interfere with the natural flow of water on a Unit lot, the drainage of water to or from a Unit lot or which causes an undue hardship to adjoining property. All plans for the grading of a Unit lot shall be submitted to and approved by St. Johns County.

SECTION 8.2 Amendments and Modifications. The Board of Directors may from time to time adopt and amend rules and regulations governing the details of the operation, use, maintenance and control of the Units, Lots, Common Property, and any facilities or services made available to the Owners. A copy of the rules and regulations adopted from time to time as provided shall be available to each owner.

### SECTION 8.3 Compliance.

(a) Owners' Responsibility. It shall be the responsibility of all Owners, family members of Owners and their authorized guests and tenants to conform with and abide by the rules and regulations in regard to the use of the Units and Common Property which may be adopted in writing from time to time by the Board of Directors or the ARB, and to assure that all persons using the Owners' Units also comply.

(b) Violation. Upon violation of any of the rules or regulations adopted as herein provided, or upon violations of any of the provisions of this Declaration by an Owner, or his family, tenants, or guests, the Association may levy fines as determined by the Board of Directors. To enforce the rules and regulations and the provisions of this Declaration, the Association or any Owner may bring an action for specific performance, declaratory decree or injunction, and the prevailing party may recover its costs and attorney's fees in such suit.

SECTION 8.4 Personal Services. Employees of the Association shall not be required to attend to any personal matters or business of Owners, nor shall they be permitted to leave the Property on any private business of Owners. The uses and functions of such employees shall be governed by the Board of Directors of the Association. In the event personal services are provided to Owners by any of the employees of the Association, the Association will not assume any responsibility or be liable for, in any manner, the quality of such services or work provided, nor do they warrant such services or work. In addition, the Association shall not be liable for any injury to persons or damage to property resulting from any act or omission by those performing such personal work or services for Owners.

## **ARTICLE IX**

### **INSURANCE**

#### SECTION 9.1 Types of Coverage.

(a) Insurance of Common Property. The Board of Directors shall obtain liability insurance on the Common Areas and, if additional Common Property with significant insurable improvements are added to the Property, the Board of Directors may obtain casualty insurance and increase the amounts of liability insurance, all as is consistent with prudent business judgment, including the following:

- (i) Hazard insurance on the Common Property and any improvements constructed thereon, with extended coverage, vandalism, malicious mischief and windstorm endorsements in an amount not less than the necessary to comply with the coinsurance percentage stipulated in the policy, and in any event not less than 80% of the insurable value (based upon replacement cost) of the improvements constructed on the Common Property.

- (ii) Public liability insurance in such limits as the Board of Directors may from time to time determine, insuring against any liability arising out of, or incident to, the ownership and use of the Common Property or adjoining Property. Such insurance shall be issued on a comprehensive liability basis and shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association, the Board of Directors or other Owners. The Board of Directors shall review such limits once each year.

(b) Director and Officer Liability Insurance. The Board of Directors may obtain as a matter of common expense, payable from the Annual Assessments, liability insurance against personal loss for actions taken by members of the Board of Directors and officers of the Association in the performance of their duties. Such insurance shall be of the type and amount determined by the Board of Directors, in its discretion.

#### SECTION 9.2 Repair and Reconstruction After Fire or Other Casualty.

(a) Common Property. In the event of damage to or destruction of all or any of the improvements on the Common Property as a result of fire or other casualty, the Board of Directors shall arrange for and supervise their prompt repair and restoration substantially in accordance with the plans and specifications under which the improvements were originally constructed, or any modification thereof approved by the Board of Directors and the ARB. The Board of Directors shall proceed towards reconstruction of such improvements as quickly as practicable under the circumstances and shall obtain funds for such reconstruction from the insurance proceeds and any Special Assessments that may be necessary after exhaustion of reserves for the repair and replacement of such improvements.

(b) Residences. Any Owner whose Unit is destroyed or damaged by fire or other casualty shall immediately proceed to rebuild and restore the Unit or Units to the conditions existing immediately prior to such damage or destruction, unless other plans are approved in accordance with the provisions of Article VII above.

### **ARTICLE X**

#### **ASSOCIATION LIABILITY**

SECTION 10.1 Disclaimer of Liability. Notwithstanding anything contained herein, in the Articles or bylaws of the Association, or any other document governing or binding the Association (jointly referred to herein as "Association Documents"), the provisions hereof shall not be construed to mean that the Developer or the Association shall be liable or responsible for in any manner as a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Property, including, without limitation, Owners, residents, their families, guests, invitees, agents, servants, contractors or subcontractors, nor for any property of such persons.

**SECTION 10.2 Specific Provisions.** Without limiting the generality of the previous section:

(a) It is the express intent of the Association Documents that the various provisions of those documents which are enforceable by the Association and which govern and regulate the use of the Property have been written and are to be interpreted and enforced for the sole purpose of enhancing and maintaining the enjoyment of the Property and its value.

(b) Neither Developer nor Association is empowered to, nor have they been created to, act as an entity which enforces or insures compliance with the laws of the United States of America, State of Florida, county, or any other jurisdiction, or which prevents tortious or criminal activities.

(c) The provisions of the Association Documents setting forth the uses of Assessments which may relate to health, safety, and welfare shall be attributed and implied only as limitations on the usage of such funds and not as creating an obligation of the Association or Developer to protect the healthy, safety or welfare of any persons.

**SECTION 10.3 Owner Covenant.** Each Owner, his heirs, successors and assigns (by virtue of his acceptance of title of his Unit) and each other person or entity having an interest in or a lien upon or making use of, any portion of the Property (by virtue of accepting such interest or lien or making use thereof) shall be bound by this Article and shall be deemed to automatically waive all rights, claims, demands, and causes of action against the Association or Developer arising from or connected with any manner for which the liability of the Association or Developer has been described in this Article.

**ARTICLE XI**

**PROPERTY SUBJECT TO DECLARATION AND ANNEXATION**

**SECTION 11.1 Existing Property.** The Property which initially is and shall be held, transferred, sold, conveyed, encumbered, and occupied subject to this Declaration consists of that land described in the Recitals above.

**ARTICLE XII**

**GENERAL PROVISIONS**

**SECTION 12.1 Duration.** This Declaration, as amended and supplemented from time to time, shall run with and bind the Property and shall inure to the benefit of and be binding upon Developer, the Association, the Owners, and their respective legal representatives, heirs, successors or assigns, for a term of twenty (20) years from the date this Declaration is recorded in the public records of the County, after which time all of said provisions shall be extended automatically for successive periods of ten (10) years each unless an instrument or instruments signed by the then Owners of seventy-five

percent (75%) of the Units subject to this Declaration agreeing to terminate all of said provisions as of a specified date is recorded in the public records of this county. Unless this Declaration is terminated as provided above, the Association shall rerecord this Declaration or other notice of its terms at intervals necessary under Florida law to preserve its effect.

SECTION 12.2 Condemnation. In the event all or part of the Common Property shall be taken or condemned by any authority having the power of eminent domain, all compensation and damages shall be paid to the Association. The Board of Directors shall have the right to act on behalf of the Association with respect to the negotiation and litigation of the taking or condemnation affecting such Property. The Owners holding seventy-five percent (75%) of the votes agree to distribute the proceeds of any condemnation or the taking by eminent domain, and if the Owners shall not so agree, such proceeds shall be added to the funds of the Association.

SECTION 12.3 Notices. Any notice required to be sent to the Owner of any Unit under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, or hand delivered to the Unit and to the last known address of the person who appears as Owner of such Unit on the records of the Association at the time of such mailing, if different.

SECTION 12.4 Enforcement. In addition to the enforcement provisions previously set forth in this Declaration, the provisions of this Declaration may be enforced by any Owner, by the Association, or by Developer (as long as it controls any interest in the Property) against any person, firm, corporation, trust, or other entity which violates or attempts to violate any of the covenants or restrictions hereof, by prosecuting any proceeding at law or in equity for the recovery of damages, for the purpose of preventing or enjoining all or any such violations or attempted violations, or for the enforcement of any lien created by this Declaration.

In addition to all other remedies, the Board of Directors shall have the authority, in its sole discretion, to impose a fine or fines upon any Owner for failure of the Owner, his family, guests, invitees, tenants, or occupants, to comply with any covenant, restriction, rule, or regulation contained in this Declaration, the Articles, or the Bylaws, provided the following procedures are adhered to:

(a) The Association shall notify the Owner or occupant of the infraction(s) and the date and time of the next Board of Directors meeting.

(b) At such meeting, the Board of Directors shall be presented with the infraction(s) and shall give the Owner or occupant the opportunity to present reasons why penalties should not be imposed. A written decision of the Board of Directors shall be provided to the Owner or occupant within twenty-one (21) days after the date of the meeting.

(c) The Board of Directors may impose fines against the applicable Unit of up to Fifty Dollars (\$50.00) per incident. The maximum permitted fine may be increased from time to time by the Board of Directors, as it in its discretion may deem necessary or convenient.

(d) Each incident which is grounds for a fine shall be the basis for a separate fine. In case of continuing violations, each continuation after notice is given shall be deemed a separate incident.

(e) Fines shall be paid within thirty (30) days after the receipt of notice of their imposition.

(f) All monies received from fines shall be allocated as directed by the Board of Directors.

(g) The imposition of a fine shall not be an exclusive remedy and shall exist in addition to all other rights and remedies to which the Association may otherwise be entitled, including without limitation the right to impose a Unit Assessment; however, any fine paid by the Owner or occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner or occupant.

The remedies contained in this section shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of Developer, the Association, or any Owner, or their respective successors or assigns, to enforce any covenant, restriction, obligation, right, power, privilege, authority, or reservation herein contained, however long continued, shall not be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto. The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, and repair of the Stormwater Management System.

**SECTION 12.5 Interpretation.** Unless the context expressly requires otherwise, the use of the singular includes the plural and vice versa; the use of all genders; the use of the terms "including" or "include" is without limitation; and the use of the terms "will", "must", and "should" shall have the same effect as the use of the term "shall". Wherever any time period is expressed in days, if such time period ends on a Saturday, Sunday, or legal holiday, it shall be extended to the next succeeding calendar day that is not a Saturday, Sunday, or legal holiday. The terms "Unit" and "Property" mean all or any portion applicable to the context, and include all improvements, fixtures, trees, vegetation, and the property from time to time situated thereon, and the benefit of all appurtenant easements. The terms of this Declaration shall be liberally construed in favor of the party seeking to enforce its provisions to effectuate their purpose of protecting and enhancing the value, marketability, and desirability of the Property by providing a uniform and consistent plan for the development and enjoyment thereof. Headings and other textual divisions are for convenience only and are not to be used to interpret, construe, apply, or enforce any substantive provisions. The provisions of this subparagraph apply also to the interpretation, construction, application, and enforcement of all the Association Documents.

**SECTION 12.6 Invalidity.** The invalidity of any part of this Declaration shall not impair or affect in any manner the validity, enforceability or effect of the balance of the Declaration, which shall remain in full force and effect.

SECTION 12.7 Litigation. No judicial or administrative proceedings shall be commenced or prosecuted by the Association unless the same is approved by a vote of the Owners holding seventy-five percent (75%) of the votes in the Association, either in person or by proxy at a duly called meeting, or by written consent without meeting in a manner permitted by law by Owners holding seventy-five percent (75%) of votes in the Association. This section shall not apply, however, to;

- (a) actions brought by the Association to enforce the provisions of the Declaration including, without limitation, foreclosure of lien;
- (b) imposition of Assessments as provided herein;
- (c) proceedings involving challenges to any taxation; or
- (d) counter claims brought by the Association in proceedings instituted against it.

Notwithstanding the provisions of this Section, this Section shall not be amended unless such Amendment is approved by Developer or is approved by the percentage vote pursuant to the same procedures as are necessary to institute proceedings as provided above.

SECTION 12.8 Amendment. This Declaration may be amended at any time by any instrument signed by the President or Vice President and Secretary or Assistant Secretary of the Association, certifying that such amendment has been adopted by Owners holding seventy-five percent (75%) of the votes in the Association, either in person or by proxy at a duly called meeting, or by written consent without meeting in a manner permitted by law by Owners holding seventy-five percent (75%) of the votes in the Association, which amendment shall become effective upon its filing in the public records of the County; provided, however, that:

(a) As long as Developer is an Owner of any Unit or planned but unbuilt Unit, no amendment shall become effective without the written consent of Developer.

(b) Developer specifically reserves the absolute and unconditional right so long as it owns any of the Property to amend this Declaration without consent or joinder of any party:

- (i) to conform to the requirements of any holder of a Mortgage;
- (ii) to conform to the requirements of title insurance companies;
- (iii) to conform to requirements of any governmental entity having control or jurisdiction over the Property;
- (iv) to clarify the provisions hereof; or
- (v) in such other manner as Developer deems necessary and convenient.

(c) Any amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Property, must have prior approval of the St. Johns River Water Management District.

SECTION 12.9 Legal Fees and Costs. The prevailing party in any dispute arising out of the subject matter of this Declaration or its subsequent performance shall be entitled to reimbursement of

its costs and attorney's fees, whether incurred before or at trial, or appeal, in bankruptcy, in post-judgment collection, or in any dispute resolution proceeding, and whether or not a lawsuit is commenced.

**SECTION 12.10 Action Without Meeting.** Any action required to be taken hereunder by vote or assent of the Members may be taken in the absence of a meeting by obtaining the written approval of the requisite percentage of all of the votes in the Association. Any action so approved shall have the same effect as though taken at a meeting of the Members, and such approval shall be duly filed in the minute book of the Association.

**SECTION 12.11 Law to Govern.** This Declaration shall be construed in accordance with the laws of the State of Florida, both substantive and procedural.

**IN WITNESS WHEREOF**, the undersigned has caused this Declaration to be executed in its name, the day and year first above written.
